Dispute resolution

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you may not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman.

Important information about compensation arrangements

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors – including most individuals and businesses – are covered by the scheme.

We will issue the FSCS information sheet and exclusions list which set out in detail what is, and is not, covered by the FSCS, once a calendar year usually with your account statement.

For further information about the compensation provided by the FSCS, refer to the FSCS website at www.FSCS.org.uk.

Important information about going overdrawn without an agreed overdraft limit or exceeding your agreed overdraft limit

An unarranged overdraft rate of 29.5% will apply if there is not enough money in your account(s) to make a payment and so cause an unarranged overdraft on your account(s).

What is an unarranged overdraft?

An unarranged overdraft occurs where either:

- a) you go overdrawn on your account without agreeing an overdraft with us first; or
- b) you exceed your agreed overdraft limit.
- c) not every Barclays product will allow you to go overdrawn or exceed your agreed overdraft limit. Please check your terms and conditions for more information.

If you try to make any payment from your account and you don't have the funds available, or if we have reasonable grounds to believe that you won't have sufficient funds on the date that the payment will be made from your account, we will treat this as a request to make, or extend, the use of our unarranged overdraft facilities. It's within our discretion to process the payment or return it unpaid.

What can you do to help avoid or limit an unarranged overdraft?

Get In Touch. If you become aware in advance that payments may take your account into an unarranged overdraft, please contact us as early as possible so that we can discuss the ways we could help. This will maximise the chances of us being able to:

- a) understand any changes in your business and explore the options available;
- b) consider options for authorised borrowing facilities;
- c) facilitate payments being made;
- d) limit the costs associated with unarranged borrowing;
- e) address any concerns that you may have.

Register for Text Alerts. Business banking customers can register for our 'Near Limit' Text Alert which is designed to help you avoid going overdrawn (if you don't have an agreed overdraft limit), or exceeding your agreed overdraft limit, by notifying you when your balance falls below a figure you specify. Once you have signed up for this Text Alert, if your account goes into an unarranged overdraft, we'll send you a Text Alert the following working day (Monday – Friday) to let you know. By acting on this information you have the opportunity to clear your unarranged overdraft.

You can register for Text Alerts through Online Banking, in any of our branches or over the phone. Visit barclays.co.uk/businessbankingtextalerts for more information. Terms and conditions apply.

Go online for more support. For useful tips to keep on top of your cashflow, helpful downloadable tools, and a simple guide to borrowing, visit barclays.co.uk/businessfinance

For details relating to unarranged borrowing, please refer to your banking services tariff guide.

- For Business Banking customers, this can be found online at <https://www.barclays.co.uk/business-rates>

Interest

Interest is calculated daily on the cleared balance of your account at the close of business. We'll let you know if interest is calculated on the statement balance rather than the cleared balance. The cleared balance includes only credits and debits that have cleared. Ask your branch or Barclays Business Team for details of clearance times and the dates when we pay or charge interest. The rates of interest shown are current at the time of printing this statement and may have changed during the period of the statement.

In accordance with UK tax legislation, from 6 April 2016 interest is paid gross. For UK resident individuals (including sole traders or partnerships), if you are a UK taxpayer you may have to pay tax on interest earned in excess of your Personal Savings Allowance. For information and guidance please refer to HMRC's website www.gov.uk/hmrc/savingsallowance

The management of your tax affairs is your responsibility, including making any required declarations to the relevant tax authority(ies), where you are tax resident. If the statement shows that we have applied interest to your account, we'll give you on request details of the rate(s) of interest used and a clear explanation of how the interest was calculated. Details of Barclays interest rates for business customers are available at barclays.co.uk/businessbanking.

Using your debit card in the UK and abroad

We will charge you a 2.75% Non-Sterling Transaction Fee when making purchases, making a cash withdrawal, or when being refunded. This fee also applies whenever you do not pay in sterling, for example shopping online at a non-UK website.

As we explain in our customer terms, we calculate our exchange rate using the reference exchange rate for the Visa card scheme. Visa converts transactions into sterling using the Visa Exchange Rate on the day it processes the transaction – as this may be a day or two later, our rate may be different on that day.

You'll find a comparison of our exchange rate for certain currencies as a mark-up against the rate published by the European Central Bank in the Barclays App or at the following website:

<https://www.barclays.co.uk/travel/using-debit-card-abroad/> This is updated twice a day. This may help you to decide whether you want to accept the conversion rate offered by the retailer or ATM provider or accept our rate.

International Bank Account Number (IBAN) and Bank Identification Code (SWIFTBIC)

Your IBAN and SWIFTBIC are shown on the front of your statement. By using them you could reduce charges when receiving international payments in euros. Find out more at: business.barclays.co.uk/bb/ibanInformation.

Using your debit card in the UK and abroad

Barclays will charge you a 2.75% Non-Sterling Transaction Fee for using your debit card abroad when making purchases, withdrawing cash, or when you are being refunded. This fee will also apply whenever you do not pay in sterling, for example when you shop online at a non-UK website.

VISA converts transactions into sterling using the VISA Exchange Rate on the day it processes the transaction. This date may be different to the day on which the transaction took place. Historic exchange rate information is available on www.visa-europe.com

When using your debit card abroad some merchant terminals or ATMs may offer you the choice of paying for your transaction in sterling. If you choose to pay in sterling the 2.75% Non-Sterling Transaction Fee will not apply, but you should always try to find out what the merchant or ATM provider's commission charges are and what exchange rate they are using, as overall it may be more expensive to pay in sterling.

Additional information

Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names.

Barclays Bank UK PLC also trades under Barclays, Barclays Business Banking, Barclays Premier Banking, Barclays Smart Investor, Barclays Wealth Management and Pingit. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as "temporary high balances" are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under www.fscs.org.uk

Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within ten working days from 1 January 2021 to 31 December 2023; and within seven working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016

until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under www.fscs.org.uk

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.

Financial Services Compensation Scheme Exclusions List

A deposit is excluded from protection if:

(1) The holder and any beneficial owner of the deposit have never been identified in accordance with money laundering requirements. For further information, contact your bank, building society or credit union.

(2) The deposit arises out of transactions in connection with which there has been a criminal conviction for money laundering.

(3) It is a deposit made by a depositor which is one of the following:

- credit institution

- financial institution
- investment firm
- insurance undertaking
- reinsurance undertaking
- collective investment undertaking
- pension or retirement fund (unless they are deposits by personal pension schemes, stakeholder pension schemes and occupational pension schemes of micro, small and medium, sized enterprises)
- public authority, other than a small local authority.

For further information about exclusions, refer to the FSCS website at www.FSCS.org.uk

You can get this in Braille, large print or audio by calling **0800 400 100*** (via Text Relay if appropriate) or by ordering online from barclays.co.uk/accessibleservices

Dispute resolution

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman.

Important information about compensation arrangements

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors – including most individuals and businesses – are covered by the scheme.

We will issue the FSCS information sheet and exclusions list which set out in detail what is, and is not, covered by the FSCS, once a calendar year usually with your account statement.

For further information about the compensation provided by the FSCS, refer to the FSCS website at www.FSCS.org.uk.

Important information about going overdrawn without an agreed overdraft limit or exceeding your agreed overdraft limit

An unarranged overdraft rate of 29.5% will apply if there is not enough money in your account(s) to make a payment and so cause an unarranged overdraft on your account(s).

What is an unarranged overdraft?

An unarranged overdraft occurs where either:

- a) you go overdrawn on your account without agreeing an overdraft with us first; or
- b) you exceed your agreed overdraft limit.
- c) not every Barclays product will allow you to go overdrawn or exceed your agreed overdraft limit. Please check your terms and conditions for more information.

If you try to make any payment from your account and you don't have the funds available, or if we have reasonable grounds to believe that you won't have sufficient funds on the date that the payment will be made from your account, we will treat this as a request to make, or extend, the use of our unarranged overdraft facilities. It's within our discretion to process the payment or return it unpaid.

What can you do to help avoid or limit an unarranged overdraft?

Get In Touch. If you become aware in advance that payments may take your account into an unarranged overdraft, please contact us as early as possible so that we can discuss the ways we could help. This will maximise the chances of us being able to:

- a) understand any changes in your business and explore the options available;
- b) consider options for authorised borrowing facilities;
- c) facilitate payments being made;
- d) limit the costs associated with unarranged borrowing;
- e) address any concerns that you may have.

Register for Text Alerts. Business banking customers can register for our 'Near Limit' Text Alert which is designed to help you avoid going overdrawn (if you don't have an agreed overdraft limit), or exceeding your agreed overdraft limit, by notifying you when your balance falls below a figure you specify. Once you have signed up for this Text Alert, if your account goes into an unarranged overdraft, we'll send you a Text Alert the following working day (Monday – Friday) to let you know. By acting on this information you have the opportunity to clear your unarranged overdraft.

You can register for Text Alerts through Online Banking, in any of our branches or over the phone. Visit barclays.co.uk/business-banking/ways-to-bank/mobile-banking for more information. Terms and conditions apply.

Go online for more support. For useful tips to keep on top of your cashflow, helpful downloadable tools, and a simple guide to borrowing, visit barclays.co.uk/business-banking/borrow. For details relating to unarranged borrowing, please refer to your banking services tariff guide.

Interest

Interest is calculated daily on the cleared balance of your account at the close of business. We'll let you know if interest is calculated on the statement balance rather than the cleared balance. The cleared balance includes only credits and debits that have cleared. Ask your branch or Barclays Business Team for details of clearance times and the dates when we pay or charge interest. The rates of interest shown are current at the time of printing this statement and may have changed during the period of the statement.

In accordance with UK tax legislation, from 6 April 2016 interest is paid gross. For UK resident individuals (including sole traders or partnerships), if you are a UK taxpayer you may have to pay tax on interest earned in excess of your Personal Savings Allowance. For information and guidance please refer to HMRC's website.

The management of your tax affairs is your responsibility, including making any required declarations to the relevant tax authority(ies), where you are tax resident. If the statement shows that we have applied interest to your account, we'll give you on request details of the rate(s) of interest used and a clear explanation of how the interest was calculated. Details of Barclays interest rates for business customers are available at barclays.co.uk/business-banking.

Using your debit card in the UK and abroad

We will charge you a 2.75% Non-Sterling Transaction Fee when making purchases, making a cash withdrawal, or when being refunded. This fee also applies whenever you do not pay in sterling, for example shopping online at a non-UK website.

As we explain in our customer terms, we calculate our exchange rate using the reference exchange rate for the Visa card scheme. Visa converts transactions into sterling using the Visa Exchange Rate on the day it processes the transaction – as this may be a day or two later, our rate may be different on that day.

You'll find a comparison of our exchange rate for certain currencies as a mark-up against the rate published by the European Central Bank in the Barclays App or at the following website:

<https://www.barclays.co.uk/travel/using-debit-card-abroad/> This is updated twice a day. This may help you to decide whether you want to accept the conversion rate offered by the retailer or ATM provider or accept our rate.

International Bank Account Number (IBAN) and Bank Identification Code (SWIFTBIC)

Your IBAN and SWIFTBIC are shown on the front of your statement. By using them you could reduce charges when receiving international payments in euros. Find out more at: business.barclays.co.uk/bb/ibanInformation.

Additional information

¹Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

²General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Barclays Bank UK PLC also trades under Barclays, Barclays Business Banking, Barclays Premier Banking and Barclays Wealth Management.

This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as "temporary high balances" are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under www.fscs.org.uk

³Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor. However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within ten working days from 1 January 2021 to 31 December 2023; and within seven working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under www.fscs.org.uk

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.
