## **Financial Reporting for the Period 1-June-2024 to 31-May-2025**

### **Director's Statement**

This is to confirm that Enduring Net had no assets, liabilities, or trading activity during the period from 1 June 2024 to 31 May 2025.

The company is limited by guarantee, with each trustee-director guaranteeing £1.

Enduring Net's charitable objective is to promote human rights, in particular the prevention of modern slavery, human trafficking, and labour exploitation, through research, advocacy, and technical support.

During the period, the organisation continued to develop its programme of activities focused on the application of artificial intelligence and data-driven systems for humanitarian purposes. This includes the prototyping of **WorkerBot**, an AI-enabled tool designed to provide accessible information and guidance to migrant and vulnerable workers.

The organisation has also maintained engagement with third-sector and community partners to support the development of practical, ethically grounded solutions. Future work will expand the scope of these activities to include broader wellbeing support, including mental health and healthy lifestyle guidance.

Yours sincerely,

Trustee  
Dr Ser-Huang Poon  
On behalf of Jason Lim and David Gorman.
