Holmewood House School Shop

Report of the Trustees for the year ended 31 July 2021

Organisational Structure and governance

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

The trustees meet together as a body annually and are responsible for all decisions taken in relation to running the Charity and the shop. In addition, to assist in the smooth running of the charity, the trustees normally meet with a wider committee of volunteers once a term.

Objectives and Activities

Our objectives are to provide a service to the school community by providing affordable “used” uniform and reducing the environmental impact of buying new. This generates income that can be used for wider public benefit via grants made to charitable organisations designed to improve the lives of disadvantaged children.

When organising the ongoing running of the shop, the trustees have considered the commission’s guidance on public benefit.

The shop is located on the premises of Holmewood House School, by permission of the governors, with the use of all facilities provided for free. The shop receives donations of used uniform and sports kit from the school community and resells them to generate profit which is then used for charitable purposes via grants to other charities. The shop currently opens twice a week during term time and intermittently during school holidays. Trustees and additional volunteers staff the shop.

In addition, activities have been organised to allow involvement and education of pupils within the school to aid learning about recycling and the work of the various charities we support. These have included presentations in school assemblies, and direct communication between Holmewood House School pupils and some of the children helped in the African schools. We would normally arrange visits to the local charities that we support, but this year they had to be cancelled due to Covid-19.

Achievements and Performance

The shop has maintained trading throughout the year despite the challenges presented by the Covid-19 pandemic. During the time the shop was unable to open, a delivery service was implemented to ensure we were able to continue to raise funds for the charities with whom we have regular commitments. As such we have been able to fulfil our aims of supporting our regular charities, which each provide support to children in different ways.

This year we have found additional ways to reuse donated items we are unable to sell in the shop. Items of uniform and sports kit which are not suitable for resale have been donated to "Bags of Support" for use in African Schools. In addition, 25 wax jackets (which were no longer school uniform) were donated to local charity Dandelion Time for their pupils to wear during outdoor activities and 4 bags of sports shoes were donated to "Boots to Africa"

Allocation of Funds for Donation

100% of funds raised are gifted as grants to other charities. The allocation of funds is agreed at the Annual Meeting each year. The shop has ongoing commitments to support two local charities and two international charities annually. In addition, all members of the school community are invited to propose any charitable organisations they would like to see supported with any residual funds created each year. When considering which charities to support, trustees take into account all information included in the charity's application and their own due diligence. However, this year, given the ongoing strain placed on our regular charities by Covid 19, the committee agreed to allocate all available funds to these four charities. All charities receiving grants from us are required to submit feedback on the use of their gifts each year.

For the year ended July 2021, charities supported were:

Shine, Zambia	(£3580)
Heatherbank School, South Africa	(£3500)
Uckfield Respite Centre, UK	(£3000)
Dandelion Time, UK	(£3500)

25.1 Please provide details of the charity's exposure to credit risk (the risk of incurring a loss due to a debtor not paying what is owed) , liquidity risk (the risk of not being able to meet short term financial demands) and market risk (the risk that the value of an investment will fall due to changes in the market) arising from financial instruments to which the charity is exposed at the end of the reporting period and explain how the charity manages those risks.	The Charity's exposure to credit risk is quite low given that all clients are members of the school community and in extremely rare cases of default, we can garner the support of the school. Liquidity and market risks are also low given that our operations are based on donation of old school uniforms and use of parent volunteers to run the shop. Shop funds are currently not invested.
