Structure, governance and management

The charity is a CIO governed by its four trustees.

Objectives and activities

The objective of the CIO is for the relief of those in need for reason of age, infirmity, illness or disability living in the county of Cumbria by the provision of a meals on wheels service to people who are unable to prepare hot, nutritious meals themselves thereby helping them to live independently in their own homes.

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 October 2024

Achievements and performance

The service has overcome many of the challenges of the Covid pandemic that saw an increase in clients and the need to enlarge staff and premises. The operation of the service took on a more regular feel as smooth and well-rehearsed operating procedures came into play.

A decision by the NHS in September 2023 to stop meals provision to newly discharged patients in September 2023 had an impact on the service. As an attempt to reduce hospital stays and facilitate earlier release, it seemed the project worked well, but funding was reduced after 18 months. Coming into this financial year, we saw a drop in client numbers, but it was felt that as capacity existed it allowed expansion into different geographical areas. Meals on Wheels began deliveries into the town of Penrith on 1 July 2024. The recruitment of Penrith volunteers allowed local deliveries to take place of food cooked in our Carlisle kitchen. Meals on Wheels raised £10,000 to kick-start the service and our thanks are extended to Penrith Town Council, the Freida Scott Trust and Cumbria Community Forum for grant provision.

The year saw continual material improvements including the purchasing of new freezers, stainless steel work benches and shelves. Our thanks go to Cumbria Community Forum who helped in grant-aiding to make these improvements possible. Meals on Wheels also commissioned the creation of a new specialised database to aid the tracking of orders deliveries and invoicing for clients. At year end this system was close to being rolled out.

In our administrative structure, changes came about through this year as David Price, one of the founding trustees, resigned trusteeship to become Chief Executive Officer and Nigel Gammage took on the role of Chair of Trustees.

Despite frequent challenges, the service this year has run well and has been financially stable. This has enabled the management and trustees to invest in longer-term improvements such as the database and starting the Penrith service.

Financial review

The trustees were satisfied with the results for the year.

The trustees are particularly grateful for the significant grant funding received during this year which has helped enormously with the development of the project. Grants were received this year from:

Cumbria Community Foundation
Cumberland County Council
National Lottery Community Fund
National Lottery Awards for All
Hadfield Trust
Foyle Foundation
Francis Wyndham Foundation
Co-op Community Fund
Garfield Weston Fund
The High Sheriff of Cumbria

Independent Examiner's Report to the Trustees of Meals on Wheels Cumbria CIO

Year ended 31 October 2024

I report to the trustees on my examination of the financial statements of Meals on Wheels Cumbria CIO ('the charity') for the year ended 31 October 2024.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Independent Examiner's Report to the Trustees of Meals on Wheels Cumbria CIO *(continued)*

Year ended 31 October 2024

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 October 2024 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the board of trustees and authorised for issue on 22 July 2025, and are signed on behalf of the board by:

Mr NPE Gammage
Trustee

The notes on pages 8 to 16 form part of these financial statements.

Meals on Wheels Cumbria CIO

Company Limited by Guarantee

Notes to the Financial Statements

Year ended 31 October 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Meadow View, Low Cotehill, Carlisle, Cumbria, CA4 0EL, UK.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of (enter name of group financial statements) which can be obtained from (enter detail). As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Meals on Wheels Cumbria CIO

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 October 2024

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Meals on Wheels Cumbria CIO

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 October 2024

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Plant and machinery - 25% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Meals on Wheels Cumbria CIO

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 October 2024

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Meals on Wheels Cumbria CIO

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 October 2024

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

4. Limited by guarantee

Meals on Wheels Cumbria CIO is limited by guarantee and has no share capital.

Every member of the company undertakes to contribute to the assets of the company, in the event of a winding up, such an amount as may be required not exceeding £1.
