Sandal Primary School Parent Partnership Group

Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 August 2024.

Objectives and activities

This year has been one of significant progress and accomplishment, driven by the unwavering support of our parent volunteers, school staff and the wider community. Our mission to enhance educational opportunities and resources for our students has been at the forefront of all our activities, and we are proud to share the highlights and outcomes of our efforts.

The main purpose of our charity is to foster collaboration and communication among parents, teachers and other school staff to improve the educational experience and provision of all students.

Our three main objectives have been:

- Support School Resources and Infrastructure by raising additional funds to provide resources to support school needs, including classroom supplies, technological tools, facility improvements, and other initiatives that directly benefit the students and enhance their learning environment.
- Enhance Student Learning and Development by collaborating with teachers and school staff to support the educational enrichment and experience of students through organising supplementary educational visits and workshops.
- Foster Community Engagement by creating opportunities for parents, teachers, and students to come together through events and volunteer opportunities, thereby building a strong, supportive school community.

We achieved this through organising a range of fundraising events and activities. We have coordinated and delivered the following events for 2023/24:

Bun Sales
Pumpkin Trail
Christmas Fair and Raffle
Friendship Discos
The Great Baildon Beer Festival
Summer Fair
Happy Circus

We have again had remarkable success with our fundraising efforts with the Great Baildon Beer Festival emerging as our most profitable event, making a sum of £6,801. This also generated substantial support from the wider community, with local businesses providing sponsorship as well as attracting a record level of attendance.

Our next biggest fundraiser was the Circus, we worked in collaboration with Baildon C of E School and split the proceeds, the event was run over a two day period which was attended by 1,200 Adults and Children from the Baildon community our share of the event was £4,250. this was a huge success.

Our Christmas fair, was our third biggest fundraiser, bringing with it some festive cheer and robust participation from grandparents, parents, carers and teachers, who volunteered at the event. This made a significant contribution to our overall success raising £2,771. Our summer fair with its vibrant atmosphere and wide array activities, was our fourth largest fundraiser, making a profit of £1,803.

Our Friendship disco was our next biggest fundraiser, raised a fantastic £1,155 followed by our Pumpkin trail which raised slightly less this year £829 but was still a great success, this is a great event for the children and the only event which we run in School time. Our bun sales also provided a consistent and reliable source of income throughout the year, highlighting the dedication and generosity of our parent and carer supporters. These raised a total of £692 which was supplemented by the charity and paid directly back to each year group involved, ensuring that every child benefited from their collaborative efforts.

Sandal Primary School Parent Partnership Group

Trustees' Report (continued)

Fundraising summary and future plans

Our fundraising events this year have been a fantastic success and the children and adults alike have enjoyed taking part in all of them. We as trustees feel that we have delivered a varied and engaging range of activities and events, which have fulfilled our objectives by: increasing volunteer engagement, raising our profile in the wider community and providing significant financial support to our school.

Our future plans are to generate additional income by improving and developing our existing range of fundraising events and activities. We'd like to use these funds to contribute towards educational visits, enhance the school's technological resources and improve the outdoor play areas for all year groups. Furthermore, we'd like to increase parental engagement by improving our communication and developing our presence on social media.

Public benefit

The charity undertook numerous events which benefitted the school, its learners and their parents, guardians and carers.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Grant making policies

A total of £21,931 was paid to school during the academic year 2023/24, and was used to fund the following items:

- 30 Chromebooks
- Christmas Tree
- Playground and sports equipment
- Contribution towards school trips
- Contribution to Year 6 Hoodies

Financial review

In the current year, grants were paid to the school which exceeded the income generated in that year, leading to a deficit of £5,816 in these accounts (2023: deficit of £6,455). This deficit was funded from brought forward unrestricted reserves. Unrestricted reserves of £7,763 and restricted reserves of £6,620 still remain at the year end, for use in funding future grants and activities.

Policy on reserves

The Trustees have reviewed the Charity needs for the reserves in line with the guidance issued by the Charity Commission. In the year ended 31 August 2021, the Charity was awarded a grant of £5,927 from West Yorkshire PCC, conditional on the construction of a cycle track. This is held as restricted funds, whilst planning permission is being sought for the track.

The charity has ended the year in a strong financial position with total charity funds at 31 August 2024 of £14,383 (2023 - £20,199). This includes monies brought forward from the previous year, funds raised from events and restricted funds from the cycle track grant.

Structure, governance and management

Nature of governing document

We have a written constitution which sets out the aims and rules of our charity.

Sandal Primary School Parent Partnership Group

Trustees' Report (continued)

Recruitment and appointment of trustees

Committee Members/Trustees are elected at the AGM and hold office until the next AGM. Nominations for election to the Committee can be made by any member of the association and seconded by another. Such nominations must have the consent of the nominee. Nominations should be made in writing to the Chair at any time until the election process has been completed. If no nominations, or an insufficient number, are received before the AGM, any members present may nominate a person, with their consent, and that person may be appointed by a majority vote of those present.

In reference to constitutional provision, Committee Members/Trustees have the power to co-opt Committee Members/Trustees at any time, and co-opted Committee Members/Trustees shall serve until the date of the next AGM.

Financial instruments

Objectives and policies

The charity's activities minimally expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk.

Cash flow risk

The charity holds relatively minimal cash reserves in a large high street bank, with a small cash float controlled by the trustees. As such it is not exposed to significant risk in relation to changes in foreign exchange rates or interest rates.

Credit risk

The charity's principal financial assets are bank balances and cash. The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity only ever organises events which it can fund from existing working capital and/or from advance fundraising. No debt arrangements are sought.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

Sandal Primary School Parent Partnership Group

Trustees' Report (continued)

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Sandal Primary School Parent Partnership Group

Independent Examiner's Report to the trustees of Sandal Primary School Parent Partnership Group

I report to the trustees on my examination of the accounts of Sandal Primary School Parent Partnership Group for the year ended 31 August 2024.

Responsibilities and basis of report

As the charity trustees of Sandal Primary School Parent Partnership Group you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Sandal Primary School Parent Partnership Group's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Sandal Primary School Parent Partnership Group as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Sandal Primary School Parent Partnership Group

Notes to the Financial Statements for the Year Ended 31 August 2024

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice ("SORP") issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

Sandal Primary School Parent Partnership Group meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant provisions

Grants are made directly to Sandal Primary School and once the decision to make a grant has been made it is paid immediately.

Sandal Primary School Parent Partnership Group

Notes to the Financial Statements for the Year Ended 31 August 2024 (continued)

Tangible fixed assets

Individual fixed assets more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Furniture and equipment	20% straight line

Stock

Stock is valued at the lower of cost and estimated selling price less costs to complete and sell, after due regard for obsolete and slow moving stocks. Cost is determined using the first-in, first-out (FIFO).

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
