The existing trustees are responsible for the recruitment and appointment of new trustees

The trustees assess the risks the charity faces on an ongoing basis and manage them throughout the year. The charity is new and the trustees will put in place policies and procedures as needed to ensure that risks are reduced.

OBJECTIVES AND ACTIVITIES

Objectives

The objects of the charity are summarized as follows:-

To help with relief of sickness and preservation and protection of human health among people around the world by providing resources, medical equipment and other assistance to hospitals, and medical institutions that may be required.

Strategies

Use of volunteers

The trustees do not have regular volunteers other than trustees themselves.

Reserves policy

The trustees have reviewed the reserves of the charity. Their policy is to hold enough funds to meet three months operating costs of the Charity and have surplus funds to respond in emergencies.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

Select suitable accounting policies and then apply them consistently; observe the methods and principles in the Charities SORP;

Make judgements and estimates that are reasonable and prudent; state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements. Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, and the provisions of the trust deed.

They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees for the purposes of charity law who served during the year and up to the date of this report are set out on page 1.
