The BHPA Foundation

Annual report and Accounts.

The foundation received one donation of £750 and has made no payments or expenditures in the accounting year. This was in part due to significant issues, now resolved, with accessing our bank account.

Although the Charity has been largely inactive this last year we anticipated this as a long term project and the trustees are hopeful of making some more meaningful progress in the next year.

# Accounts

The BHPA Foundation  
Annual report and accounts 2021.

The foundation was inactive for the year and therefore did not trade.

We intend to make a start on fundraising and activity in order to be able to realise some of our aims.

The charity was established in large part as a long-term project and body to deal with future legacies. We are pleased to see none of our potential benefactors executors have been called to act.

Chair
