- b) Conducting any other ecclesiastical faculties that may be erected in addition to the ecclesiastical faculties mentioned in (a) above, whether as an ecclesiastical university or otherwise;
- c) Providing such other education and formation as is incidental to the objects set out in (a) and (b) above.

The Charity Trustees from the beginning of the reporting period to date were as follows:

The Very Revd Professor Paul Gerard McPartlan (appointed 28 October 2024)

### **Governance and Management**

The governing document of the charity is the Mater Ecclesiae College Constitution adopted by the charity trustees in August 2019, which became recognised by the Charity Commission when the Charitable Incorporated Organisation was registered on 19 November 2019. The Charity Trustees are the Governing Body of the Ecclesiastical Faculties of Theology and Philosophy conducted by the CIO under the canonical Statutes of the Faculties made by the Governing Body and approved by the Holy See.

Under the Statutes made by the Governing Body, operational details are delegated to the College's Operational Board, which meets 3 times each academic year.

The Charity Trustees work entirely on a voluntary basis.

## Explanation of the Work of the CIO

Mater Ecclesiae College, the Pontifical Athenaeum based at St Mary's University, Twickenham, opened at St Mary's in autumn 2019. Mater Ecclesiae College is the latest civil incarnation of the Ecclesiastical Faculties of Theology and Philosophy founded by the English Province of the Society of Jesus (The Jesuits) in Leuven in 1614. Known most recently as the Bellarmine Institute, it had been a part of Heythrop College, a chartered college within the University of London. The Jesuits' decision to close Heythrop as a College of the University of London was finalised in 2018, when students who had been studying for civil degrees there completed their courses.

With the closure of Heythrop College, it became urgent to re-locate the Ecclesiastical Faculties of Theology and Philosophy to St Mary's University as Mater Ecclesiae College, in order to continue the intellectual formation of the students at Allen Hall, the seminary of the Archdiocese of Westminster.

## Activities

The main activities of the CIO are:

Firstly, to provide opportunities for the study, teaching, and research of Theology and Philosophy in a way that promotes a more profound knowledge and understanding of Christian revelation, and of those matters connected with it; to enunciate systematically the truths contained therein; to consider in the light of revelation the most recent progress of the sciences and to present them effectively to the people of today.

Secondly, to provide students with an education in Catholic doctrine in the first, second, and third cycles (baccalaureate, licence and doctorate); to prepare them to carry out their future tasks effectively and to provide for the continuing education of the ministers of the Church.

Thirdly, to collaborate closely in the work of evangelisation with the hierarchy and with the local and universal Church.

Fourthly, to establish fruitful collaboration with other Ecclesiastical faculties and with non-Ecclesiastical faculties and centres of Theology and Philosophy.

Under the arrangements with St Mary's University, Twickenham, students will typically study a civil Bachelor's Degree in Theology ('BA (Hons) in Theological Studies') awarded by St Mary's, and also a *Sacrae Theologiae Baccalaureus* or Baccalaureate of Sacred Theology ('STB') which is awarded by Mater Ecclesiae College.

## Achievements and Performance

For the academic year 2024-25, the College enrolled a total of 36 students. These students came from the dioceses of Westminster, Southwark, Aberdeen, Arundel and Brighton, Brentwood, Hexham and Newcastle, Northampton, Liverpool, Portsmouth, Plymouth; there were also many Salesians enrolled,

members of the Neo-Catechumenal Way, one Augustinian Assumptionist and a member of Cor et Lumen Christi.

## Financial Review

Whilst Mater Ecclesiae College is an independent institution, it has a collaboration arrangement with St Mary's University, Twickenham. Under this arrangement, the teaching is arranged by St Mary's and much teaching takes place on the premises of St Mary's University.

A Service Arrangement exists between the CIO and St Mary's, and there is a charge of £50,000 plus VAT per annum to the CIO, for the University's provision of the following services:

- Registration & Admissions
- Student services (including wellbeing)
- Arranging and paying Hourly Paid Academics to teach the ecclesiastical modules for the STB
- Marketing, Recruitment and Communication of programmes
- Human Resources support
- IT support & Library services
- Financial administration support

The College's students are permitted to have access to library facilities at Allen Hall Seminary.

The charges are reviewed on an annual basis and may be increased to reflect the scale of costs, activity levels and inflation.

Management and transactional accounting for the CIO is carried out by St Mary's Finance Department. The charity trustees are grateful to the Catholic Bishops' Conference of England & Wales for providing funding for the above costs.

The timing of the College's annual donation from the Bishop's Conference of England & Wales and the annual payment of its service charge to St Mary's University for the 7 months period ended 31 July 2023 fell during the period ended 31 July 2024 following the change in the College's financial year-end (or Accounting Reference Date) from 31 December to 31 July. Accordingly, the College reported 2 annual donations in the prior period ended 31 July 2024. For the current year, the timing of the annual donation falls within the current period ended 31 July 2025.

The College did not have its own bank account during this period, and it had no assets nor liabilities as at the period end.

## Reserves policy

The CIO is in the early years of its formation, with its activities being funded by a donation from Catholic Bishops' Conference of England & Wales, received via the Catholic Trust for England and Wales. The trustees will develop a meaningful reserves policy in the next few years.

## Plans for Future Years

Two primary areas of development are in preparation: firstly, with regard to Canon Law, and secondly, with regard to the establishment of a Licence in Sacred Theology (STL) programme. The PGCert in Canon Law and Safeguarding which had been prepared previously has now been cancelled as the requirements of the National Tribunal Service have since modified. Preliminary discussions are underway with a view to establishing a full Faculty of Canon Law at Mater Ecclesiae College, which it

is hoped will offer a Licence in Canon Law. Plans to offer an STL in Dogmatic Theology in conjunction with an MTh programme at St Mary's University are at an advanced stage, but will require approval from the Holy See. It is hoped that approval will be given with sufficient time to advertise and recruit for this programme to launch in September 2026.

The establishment of the one-year CertHE Philosophy programme is intended (a) to enable lay students to take the full programme of studies necessary for them to be eligible for the STB, and (b) to ensure that seminarians receive civil accreditation for their Philosophy studies. Interest in the BA (Hons) Theological Studies with CertHE Philosophy has been encouraging, and the launch of this 4-year programme represents a significant expansion of the College's work.

## Graduation

On 10<sup>th</sup> September 2024 the Graduation ceremony for the 2023-2024 academic year took place at which 14 members of the College graduated as Bachelors of Sacred Theology, nine *summa cum laude* (with the greatest distinction) and five *magna cum laude* (with great distinction). In July 2025, a Graduation ceremony took place at St Mary's University at which 6 Seminarians were awarded a BA Theological Studies (5 first class) and a further 9 Seminarians were awarded the CertHE Philosophy (7 Distinctions). The graduation ceremony for the academic year 2024-2025 took place on 16<sup>th</sup> September 2025, at which 6 members of the College were awarded the Baccalaureate in theology (STB), five *summa cum laude* and one *magna cum laude*, and two new lecturers made their profession of faith and made their oath of fidelity in the presence of the delegate of the Chancellor.

## Declaration

The charity trustees declare that they approved the report and accounts for the Year ended 31 July 2025 on 4<sup>th</sup> March 2026.
