Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

We have a dedicated team of 33 volunteers who contributed their time to help with the food bank and fruit and veg delivery service. They gave total of around 132 Volunteer hours per week.

As the restrictions lifted our volunteers reduced to 25 volunteers, but they still carried out the hours required to maintain the running of the projects

Objectives

Continue to support the local community with food provisions

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Vernon Place Community Hub (VPCH) is a former primary school building based in Briton Ferry which was saved from closure by a small group of like-minded people living in the community. Registered as a charity (CIO) in November 2019 and is currently run by trustees and volunteers. The aim of the hub is to provide a safe environment that will support people in need living in the Briton Ferry and/or surrounding areas.

The VPCH hosts various activities such as a growing food bank, Fruit and Veg delivery service, surplus/food share donations from various supermarkets in the local/ surrounding areas, Vets Reorg (Veterans group), Playgroup, Social Events, Health and Wellbeing Support

Main activities: -

FOOD BANK for residents from the local area to ensure that no one in the community goes hungry.

HELP HUB drop-in service for residents to access advice in housing, benefits, financial matters.

WARM SPACE runs alongside the help hub providing a hot meal and refreshments for the residents.

FOOD SHARE/SURPLUS we collect food items donated from local supermarkets for residents.

These projects aim to provide equality and fairness to bring the local communities together, to bridge the gap between generations from all abilities, backgrounds, faith, ethnicity and gender.

Due to just coming out of covid 19 restrictions the majority of our activity was focused around the food bank and Fruit and Veg delivery service as some of the local residents were reluctant to leave their homes to go shopping,

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.
