THE GOSPEL GENERATIONS TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Gospel Generations Trust (GGT) exists to advance the Christian faith; primarily but not exclusively within London, in accordance with the Basis of Faith, including, but not limited to, the financial support of individuals preparing for, or currently undergoing, training for Christian ministry, such training provided through Christ Church Mayfair, London (CCM), or the wider Co-Mission network.

Our primary aim is to financially support and enable Ministry Interns at Christ Church Mayfair.

The Trustees have complied with the duty within Section 17(5) of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

After making its first grants last year, the Trust continued to push forward in 2025. Most importantly it went through its second full year of making grants to support both Christ Church Mayfair and the wider Co-Mission family. We also continued to raise funds to support future work, and worked to extend awareness of the Trust amongst current and former members of CCM. The Trust exits 2025 on a solid footing to continue its mission in future years.

This activity was supported by regular trustee meetings with five meetings held over the course of the year, including an in-person AGM in October. During the course of this year we brought the trustee numbers up from six to seven with the addition of Matt Foy. After a period of personnel turnover last year this gives us solid trustee bandwidth to pursue the aims of the Trust.

Grants made this year totalled £7,000 which helped fund two individuals, both at CCM and also at a church within the wider Co-Mission family. Grant-making activity was down versus the prior year, reflecting a smaller cohort of Ministry Interns at CCM this year. However the Grants made were significantly higher than income during 2025. This leaves us in a good position to accelerate grant-making activities in the coming year.

Last but certainly not least we also supported current and future ministry interns through regular prayer.

FINANCIAL REVIEW

Financial position

Donations and gifts received totalled £16,885, which will go towards supporting grant funding in 2025. We were fortunate to benefit from some generous one-off donations. This total also included £5,268 of Gift Aid recovery on historical donations which is unlikely to recur at this level. We also had modest income from interest on existing cash funds. We are seeking to increase the number of regular committed givers to give us a stronger position for ongoing grant-making

As noted above, in spite of grants made significantly exceeding income, we ended the year with a very solid cash position of over £22,696 (versus just under £13,000 last year).

Our main sources of funds are charitable donations, particularly from past or current members of Christ Church Mayfair.

Our principal investment objective is the preservation of capital so that donations can be made to further the purpose of the charity. Therefore funds are held with established financial institutions where they will be protected by the UK government FSCS.

Given the aim is to disburse funds, achieving an investment return on current holdings is preferred rather than essential. As our principal objective is preservation of capital we are likely to prefer lower-risk investments such as basic savings accounts.

One key risk is being unable to raise funds. Obviously if we do not have funds available this will make the grant-making process very difficult.

The charity is organised and run by volunteers (at present, largely by the trustees). Maintaining their commitment is essential to keep us running.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

We have a single CIO, The Gospel Generations Trust. The Trust is governed by a formal constitution. We are a CIO (Charitable Incorporated Organisation).

Trustees

The board of trustees consists of three to nine people. Trustees are selected as set out in the Constitution.

Selection is made with regard to whether potential trustees have relevant skills, knowledge and experience, and whether they are happy to affirm and live by the Basis of Faith as set out in the Constitution. Trustees are appointed for a term of up to three years, and are appointed by a resolution passed at a properly convened meeting of the charity trustees.

THE GOSPEL GENERATIONS TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their report with the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Gospel Generations Trust (GGT) exists to advance the Christian faith; primarily but not exclusively within London, in accordance with the Basis of Faith, including, but not limited to, the financial support of individuals preparing for, or currently undergoing, training for Christian ministry, such training provided through Christ Church Mayfair, London (CCM), or the wider Co-Mission network.

Our primary aim is to financially support and enable Ministry Interns at Christ Church Mayfair.

The Trustees have complied with the duty within Section 17(5) of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Following the formal launch of the trust last year, the trust moved into a more active state. We were excited to make our first financial grants this year supporting ministry trainees at CCM and beyond. In addition we continued to work on growing awareness of the Trust among current and former members of CCM in order to support fundraising efforts. Finally we continue to formalise our procedures and trustee roles to put the Trust on a strong footing to continue its mission in the longer term.

This activity was supported by regular trustee meetings with nine meetings held over the course of the year, including an in-person AGM in October. During the course of this year three trustees stepped down, and three new trustees were appointed to take up their responsibilities. At the end of the year we had six trustees, and a seventh trustee has been appointed since the end of the year.

Grants made this year totalled £15,000 which helped fund four Ministry Interns, primarily at CCM but also within the wider Co-Mission network. Grants made were significantly higher than income due to the strong funding position inherited from the previous year, when we did not make any grants.

In spite of significant grant-making activity we ended the year with a solid financial position, which equips us well to continue supporting individuals into next year and beyond.

Last but certainly not least we also supported current and future ministry interns through regular prayer.

FINANCIAL REVIEW

Financial position

Donations and gifts received totalled £2,314, which we intend to award as grant funding in 2024. This included some Gift Aid recovery on historical donations, with more historical Gift Aid expected to be reclaimed in the coming year. We also had modest income from interest on existing cash funds. We are seeking to increase the number of regular committed givers to give us a stronger position for ongoing grant-making

As noted above, in spite of grants made significantly exceeding income, we ended the year with a solid cash position of over £12,000.

Our main sources of funds are charitable donations, particularly from past or current members of Christ Church Mayfair.

Our principal investment objective is the preservation of capital so that donations can be made to further the purpose of the charity. Therefore funds are held with established financial institutions where they will be protected by the UK government FSCS.

Given the aim is to disburse funds, achieving an investment return on current holdings is preferred rather than essential. As our principal objective is preservation of capital we are likely to prefer lower-risk investments such as basic savings accounts.

One key risk is being unable to raise funds. Obviously if we do not have funds available this will make the grant-making process very difficult.

The charity is organised and run by volunteers (at present, largely by the trustees). Maintaining their commitment is essential to keep us running.

THE GOSPEL GENERATIONS TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2023

The trustees present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Gospel Generations Trust (GGT) exists to advance the Christian faith; primarily but not exclusively within London, in accordance with the Basis of Faith, including, but not limited to, the financial support of individuals preparing for, or currently undergoing, training for Christian ministry, such training provided through Christ Church Mayfair, London (CCM), or the wider Co-Mission network.

Our primary aim is to financially support and enable Ministry Interns at Christ Church Mayfair.

The Trustees have complied with the duty within Section 17(5) of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

In 2022, the GGT finished its set-up process and formally launched in February 2023.

The main focuses of the year were: growing giving income, spreading the word about the Trust through a network of potential donors, and formalising trustee roles as we prepared for a season of trustee transition later in the year.

This activity was facilitated by regular trustee meetings, with three meetings held online over the course of the year. There were no new trustee appointments or resignations during this period.

We did not make any grants to the current ministry interns at Christ Church Mayfair during this financial year, as none of them have had financial need. This means we ended the financial year with more funds available to grant out than anticipated. This allowed us to enter the current financial year with more funding available, and we look forward to reporting on how that has been successfully used to support several ministry interns this year.

Last but certainly not least we also supported current and future ministry interns through regular prayer.

FINANCIAL REVIEW

Financial position

Donations and gifts received totalled £15,470, which we intend to award as grant funding in 2023. No Gift Aid claim has been made for 2023 donations, but as this can be done every 4 years this is a process which we intend to establish as we receive eligible gifts.

Our main sources of funds are charitable donations, particularly from past or current members of Christ Church Mayfair.

Our principal investment objective is the preservation of capital so that donations can be made to further the purpose of the charity. Therefore funds are held with established financial institutions where they will be protected by the UK government FSCS.

Given the aim is to disburse funds, achieving an investment return on current holdings is preferred rather than essential. As our principal objective is preservation of capital we are likely to prefer lower-risk investments such as basic savings accounts.

One key risk is being unable to raise funds. Obviously if we do not have funds available this will make the grant-making process very difficult.

The charity is organised and run by volunteers (at present, largely by the trustees). Maintaining their commitment is essential to keep us running.

THE GOSPEL GENERATIONS TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Gospel Generations Trust (GGT) exists to advance the Christian faith; primarily but not exclusively within London, in accordance with the Basis of Faith, including, but not limited to, the financial support of individuals preparing for, or currently undergoing, training for Christian ministry, such training provided through Christ Church Mayfair, London (CCM), or the wider Co-Mission network.

Our primary aim is to financially support and enable Ministry Interns at Christ Church Mayfair.

The Trustees have complied with the duty within Section 17(5) of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

In 2022 the GGT finished its set-up process and formally launched in February of this year.

The majority of the year was spent finalising our launch and building on the policy and infrastructure set up last year to move towards more actionable items, notably promoting awareness of the GGT via marketing materials (website, social media, brochure) spotlighting the stories from previous Ministry Interns and the impact the program has had on their lives.

This was facilitated by regular trustee meetings, with ten meetings over the course of the year. We also welcomed Christie Valeriano as a trustee, bringing the board back up to full strength with six members.

This led to the formal launch of the GGT in February 2022, with a presentation at the Christ Church Mayfair 'Church Family Getaway' highlighting the work and encouraging church family to **Pray** for the work of the GGT, **Share** information about the GGT with current and former CCM members and **Give** to support the GGT, particularly when they move on from CCM.

While the GGT was not publicly launched until the end of the financial year, we were encouraged to receive a second donation which puts us onto a firm financial footing to start making grants.

We did not make any grants to the current ministry interns at Christ Church Mayfair this year, as none of them have had financial need. This means we ended the financial year with more funds available to grant out than anticipated. However on a positive note this allows us to inform prospective interns that finance need not be a barrier to them receiving ministry training.

Last but certainly not least we also supported current and future ministry interns through regular prayer.

FINANCIAL REVIEW

Financial position

Donations and gifts received totalled £5,000, which we intend to award as grant funding in 2023. No Gift Aid claim has been made for 2022 donations, but as this can be done every 4 years this is a process which we intend to establish as we receive eligible gifts.

Our main sources of funds are charitable donations, particularly from past or current members of Christ Church Mayfair.

Our principal investment objective is the preservation of capital so that donations can be made to further the purpose of the charity. Therefore funds are held with established financial institutions where they will be protected by the UK government FSCS.

Given the aim is to disburse funds, achieving an investment return on current holdings is preferred rather than essential. As our principal objective is preservation of capital we are likely to prefer lower-risk investments such as basic savings accounts.

One key risk is being unable to raise funds. Obviously if we do not have funds available this will make the grant-making process very difficult.

The charity is organised and run by volunteers (at present, largely by the trustees). Maintaining their commitment is essential to keep us running.

THE GOSPEL GENERATIONS TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

The trustees present their report with the financial statements of the charity for the year ended 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Gospel Generations Trust (GGT) exists to advance the Christian faith; primarily but not exclusively within London, in accordance with the Basis of Faith, including, but not limited to, the financial support of individuals preparing for, or currently undergoing, training for Christian ministry, such training provided through Christ Church Mayfair, London (CCM), or the wider Co-Mission network.

Our primary aim is to financially support and enable Ministry Interns at Christ Church Mayfair.

The Trustees have complied with the duty within Section 17(5) of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

This is the first report submitted by the Gospel Generations Trust since its founding. The trust is yet to formally launch. 2021 has been a year of establishing the foundations for the GGT's mission and effective function.

Our aims this year have been to lay firm foundations for receiving and distributing funds efficiently and effectively to future Ministry Interns. We have successfully established bank accounts, secure IT infrastructure, and vital policies around privacy and data management to ensure that we comply with regulatory requirements.

We have also been hearing stories from past and present Ministry Interns of how funding can benefit them, the Church, and our wider society. We have collated these stories to share with potential supporters as part of a fundraising campaign for 2022.

Though we had no financially-related aims for this year of foundation laying, we were blessed to receive our first donation during the course of this year.

All of the above resources will provide solid foundations from which to launch the trust, with a formal launch date anticipated in Q1 2022.

During this reporting period, two trustees have departed and one trustee has been appointed.

FINANCIAL REVIEW

Financial position

Donations and gifts received totalled £5,000, which we intend to award as grant funding in 2022. No Gift Aid claim has been made for 2021 donations, but as this can be done every 4 years this is a process which we intend to establish as we receive eligible gifts.

Our main sources of funds are charitable donations, particularly from past or current members of Christ Church Mayfair.

Our principal investment objective is the preservation of capital so that donations can be made to further the purpose of the charity. Therefore funds are held with established financial institutions where they will be protected by the UK government FSCS.

Given the aim is to disburse funds, achieving an investment return on current holdings is a preferred rather than essential. As our principal objective is preservation of capital we are likely to prefer lower-risk investments such as basic savings accounts.

One key risk is being unable to raise funds. Obviously if we do not have funds available this will make the grant-making process very difficult.

The charity is organised and run by volunteers (at present, largely by the trustees). Maintaining their commitment is essential to keep us running.
