Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. The prevention and relief of poverty in Uganda and neighbouring countries, by facilitating the provision of education, training, healthcare projects and related support designed to enable individuals achieve sustainable livelihoods.
2. The advancement of education by advocating and supporting development of technical and vocational education for young people

within our areas of operation.

Sponsorship Scheme:

At the heart of UgandAid is the sponsorship scheme, through which we offer hope to vulnerable youngsters, the poorest of the poor in Uganda (our current area of operation), by sponsoring vocational training (primarily at Nile Vocational Institute) leading to personal growth, confidence, employment and self-sufficiency. A life-changing, life-giving opportunity for hundreds of students and their extended families.

Annual trip to Uganda:

In February members of the charity trustees and operations team lead a group of like-minded people to Jinja in Uganda, providing the opportunity to meet the students.

The trustees confirm that they have taken into account the Charity Commission's general guidance on public benefit when reviewing our purpose and objects and in carrying out our activities.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

Volunteers:

All Trustees work on a voluntary basis. In addition to the Trustees we have an Operations Team (also volunteers), made up of the four Trustees and three others. The Operations Team manage UgandAid on a day-to-day basis, within any parameters set by the Trustees. Anyone joining an annual trip to Uganda are also volunteers. From time to time, one of these volunteers may give a presentation to an organisation, such as a school, college or company and many get involved in fundraising.

UgandAid would not be able to operate without volunteers.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Our work has been twofold; the sponsoring of students at Nile Vocational Institute and practical and financial support of local institutions.

At the start of 2023 we were able to advise NVI that we could take on 45 new students, including any upgrading students. However, this was subsequently increased to 45 new students, plus 10 upgraders.

During the Team visit in February 2024 we were able to refurbish the main classroom, including workshop, of the Tailoring Department. This department is included within the Domestic Technology Department Building which received much needed attention during 2020/21. Money and some equipment was left in order that the students could refurbish the second, smaller classroom before our next visit.

Section E Financial review

Brief statement of the charity's policy on reserves

We do not currently have an actual reserves policy. However, we only take on new students when the necessary funding is in place and no projects are undertaken unless the finances (no loans) are actually in place.

Details of any funds materially in deficit
