Summary of the main achievements of the charity during the year

Our work has been twofold; the sponsoring of students at Nile Vocational Institute and practical and financial support of local organisations.

At the start of 2024 we were able to advise NVI that we could take on 40 new students, including any upgrading students. It was our privilege to meet all 40 during our Team visit in February 2025.

During the Team visit we were able to refurbish the library, which was the final room in the Domestic Technology Building to be refurbished. The work on the building commenced in 2020, with a new roof and rainwater harvesting system. During each Team Visit since the completion of this construction work, we focused our efforts on refurbishing each of the ground floor rooms, including the Catering Department, the Textiles Department and now the library.

In October 2025, 32 UgandAid students were able to attend their graduation; a joyful occasion for all involved.
