### **TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024**

---

The Trustees present their annual report together with the financial statements of the Charity for the year 1 April 2023 to 31 March 2024. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' (FRS 102) in preparing the annual report and financial statements of the Charity.

#### **Objectives and activities**

##### **a. Objects, purpose and public benefit**

The Charity was established on 26 November 2019 under its Trust Deed, as a Charitable Incorporated Organisation, to further such purposes which may be charitable according to the law of England and Wales as the Trustees see fit.

In setting objectives and planning for current and future activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'. All activities have been undertaken to further the Charity's purpose as per its governing document and for the public benefit.

##### **b. Main activities undertaken to further the Charity's purposes for the public benefit**

The main activities undertaken in relation to the purposes of the Charity, as per its governing document, are those of grant making, in particular supporting charities whose work has a demonstrable benefit to the environment. The Trustees work with Greenwood Place Limited (Greenwood Place) to fulfil the role of their executive team and have put in place what they believe is a clear and robust process for decision making and grant management. The Charity undertakes a pro-active approach to grant making, and unrestricted grants are offered to select organisations whose activities align with this focus. The Charity monitors the beneficiaries of grants to ensure that funds are spent in line with its charitable objectives, including, but not limited to, six monthly reviews and annual reports on the use of funds and progress in their respective areas.

#### **Achievements and performance**

##### **a. Main achievements of the Charity**

Following the establishment of the expendable endowment in the period to 31 March 2021, the Trustees have formulated a grant making policy and have researched appropriate issues and organisations for their grant making.

During the year, grants totalling £125,000 were made to the following institutions:

**ClientEarth** - ClientEarth uses the power of the law to combat climate change and pollution, secure peoples' environmental rights and protect and restore habitats, wildlife and natural resources.

**Amazon Watch** - Amazon Watch works to preserve the Amazon rainforest and advance the rights of Indigenous peoples in the Amazon Basin.

**Project Seagrass** - Project Seagrass reverses the loss of seagrass meadows by turning scientific research into conservation action and education schemes, and by collaborating with local communities and others to improve seagrass ecosystems globally.

Further details can be found in Note 7 to the accounts.

### **TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024**

---

#### **Financial review**

##### **a. Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

##### **b. Reserves policy**

The reserves policy of the Charity is currently being formed based on the planned charitable activities in future periods. The Trustees will always retain sufficient reserves to cover any expenses for the following year.

The Endowment fund is expendable in nature, and is considered to consist of the value of the investments, including the capital bank account but excluding income account balances. Where necessary, funds are transferred to the Unrestricted fund to support the charitable activities.

At the period end, the Charity held total funds of £5,524,793, being expendable endowment funds of £5,425,666 and unrestricted general funds of £99,127.

##### **c. Financial review**

During the year, the Charity received total income of £116,134 from investment holdings.

Total expenditure for the period was £203,091. Of this investment management costs totalled £39,858, grant payments totalled £125,000 and other support costs totalled £38,234.

During the year, the Charity's investments recorded a revaluation gain of £213,419, resulting in overall net gain after investment gains and losses of £126,462.

In order to support the grant making activities of the Trust the Trustees voted to make a transfer from the expendable endowment of £125,000.

##### **d. Future plans**

The Charity seeks to make further grant awards in order to benefit the Climate and Environment in future years. The Trustees are also committed to make further sustainable social investments into funds that have wider environmental benefits.

#### **Structure, governance and management**

##### **a. Constitution**

Hartswood Trust is a registered Charitable Incorporated Organisation, number 1186582, and is constituted under a Trust deed.

##### **b. Methods of appointment or election of Trustees**

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

### STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 MARCH 2024

---

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the Charity's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Approved by order of the Members of the Board of Trustees and signed on its behalf by:

### INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2024

---

#### Independent examiner's report to the Trustees of Hartswood Trust ('the Charity')

I report to the Charity Trustees on my examination of the accounts of the Charity for the year ended 31 March 2024.

#### Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024**

---

#### **1. General information**

The Hartswood Trust is a registered Charitable Incorporated Organisation (Charity registered number 1186582) with the Charity Commission in England and Wales.

The address of the registered office is given in the Charity information on page 1 of these financial statements.

#### **2. Accounting policies**

##### **2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Hartswood Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared in pounds sterling which is both the functional and presentational currency of the Charity and are rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all periods presented unless otherwise stated.

##### **2.2 Going concern**

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Charity to be able to continue as a going concern.

##### **2.3 Income**

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

---

## **HARTSWOOD TRUST**

---

### **NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024**

---

#### **2. Accounting policies (continued)**

##### **2.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes investment manager costs.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

##### **2.5 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities. As investments are revalued continuously to fair value, no realised gains or losses arise.

Investments held as fixed assets are shown at cost less provision for impairment.

##### **2.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

##### **2.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

## 2. Accounting policies (continued)

### 2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

### 2.9 Financial instruments

The Charity only holds basic financial instruments. The financial assets and financial liabilities of the Charity are as follows:

Fixed asset investments - are classified as a basic financial instrument and are measured at fair value as detailed in Note 10.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Liabilities - accruals and other creditors are classified as financial instruments and are measured at amortised cost as detailed in Note 11.

### 2.10 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Expendable Endowment funds represent those assets which must be held permanently by the Charity but can be applied on charitable activities at the discretion of the Trustees. Income arising on the endowment funds can be used in accordance with the objects of the Charity and is included in unrestricted income. Investment management costs are deducted directly from the endowment fund.

Investment income, gains and losses are allocated to the appropriate fund.

During the year to 31 March 2021, an expendable endowment was donated to the Charity. The endowment donation consisted of capital and securities, all of which were transferred directly into the fixed asset investment accounts of Hartswood Trust. The Endowment fund is expendable in nature, and is considered to consist of the value of the fixed asset investments, including the capital bank accounts, but excluding the income accounts, as income generated on endowment may be used for the Charity's general objects. Last year, an additional endowment donation of £600,000 was made to the Charity, further details of which can be found in Note 14 to the accounts.

Where necessary, funds will be transferred to the unrestricted fund to support the Charity's activities and, in the current year, £125,000 was transferred into the unrestricted funds of the Charity for such use.
