2.1 Charitable Objects

(A) To advance the arts, in particular the performing arts for the benefit of the public, particularly but not exclusively, through public performance, theatre, playwriting and drama which challenges audience perceptions of social issues; and (B) to advance the education of young people and the general public in performing and dramatic arts, particularly but not exclusively, through the provision of workshops, performance, public discussion and other educational programmes.

2.2 Trustee Selection Methods

Doll's Eye Trust currently has three charity Trustees with a range of necessary skills and experience necessary to manage the charity effectively. On our Board we have legal expertise, as well as education and fundraising. Trustees are appointed or re-appointed for a term of

three years by a resolution passed at a properly convened meeting of the charity trustees.

3 Activities, Achievements & Performance

3.1 Statutory Declaration

The Trustees confirm that they have paid due regard to the guidance issued by the Charity Commission on public benefit in deciding what activities the charity should undertake.

3.2 Overview (*Executive Summary*)

This year, Doll's Eye Trust did not conduct any charitable activities in line with their objects. No fundraising activities were undertaken, and as such no funds were raised. Charity advisors commit their time in a voluntary basis and were unable to do so in the context of the Covid-19 pandemic, and their own full-time employment.

3.3 Looking Ahead

Following on from the effects of the Covid-19 Pandemic, Doll's Eye Trust will be looking at education projects building on previous experience, in line with our charitable objectives.
