

TRUSTEES ANNUAL REPORT 2022 CHARITY NO 1186626

Our aim is to raise funds to enable the charity to purchase equipment to be used at the Queens Alexandra Hospital for the Colorectal Deptment.
We would like to raise funds so we can sponsor a Fellow Dr in research
We would like to sponsor the Colorectal congress at Portsmouth University
We would also like to raise funds to be able to help with funding cutting edge research in Bowel Cancer at the Portsmouth Hospital
Our future aim would be to also raise funds to Provide a help line for patients and a patient support group.

We will do this by raising awareness to our charity and organizing public events during the year.

So far we have raised money through the following:

Lorraine Tills cake sales

Lorraine Tills craft sales

Just giving payments

Dan Till money jar donation

Basecamp events

Summer and Xmas Fayres

Participating in the great south run

Others have donated through birthday gifts and bequeathment's.

We have been selling goods that have been donated.

Also cake raffles.

Due to the current situation in the UK we have not been able to do as much as we would like to have done.

Hopefully we can look forward to a better new year to push our charity further towards our goals.

Many thanks for all that has been achieved so far.
