

morning, from 9:30-11:30. We sometimes have more than 100 parents and tots in attendance.

Hall Hire

We currently open our premises to a range of community groups and individuals. Groups using our facilities include a Zumba fitness group, 2 Slimming Groups, 2 Art clubs, a Stamp club, a "Whist" card game club, Charity Coffee mornings, Fashion shows and Addiction recovery groups, as well as Children's parties and other events.

Community Summer Fair Table

In July, we prepared for our annual community outreach event at the Peacehaven Summer fair. We arrange the booth to have lemonade, gospel tracts, booklets, bracelets, stickers, and other evangelical materiel at the booth. These times allow for countless conversations with people about faith and the gospel.

The India Mission

Our church started this work in India back in 2008 with a missions trip made by two of our elders. Since then, the work has flourished and continues. There are currently 3 main parts to the India Mission: (1) The Children's Home (The Home of Life), (2) The Leprosy Colony, (3) The Churches. We usually aim to have annual trips, but did not have a trip in 2024, but rather planned one for Jan 2025. We have a functioning missions board of 6 people and endeavour to have quarterly meetings. We have successfully raising funds for a "tuk-tuk" for the home.. We pledge support towards the "Home of Life" each month and transfer funds every 3 months. We also fundraise for other needs through the year for the needs of the churches, and leprosy colony.

administrator and we are optimistic that this will close the funding gap of the GPF fund

The start of 2025 will see significant expenditure on the India mission with a trip by 2 of our fellowship to India in February. Members will also be aware that the Church is also subject to the cost-of-living crisis facing the nation. Inflation is affecting our costs and energy price continue to remain high. Staff pay rises, pension costs and rises in National insurance costs are also impacting on our finances. It is difficult to predict how Church finances will fare in 2025 and the Trustees will continue to monitor the situation closely. Nevertheless, with God's grace and providence we pray that our financial position will improve to a point where we can look forward to our income exceeding expenditure and the Church's financial position becoming sustainable for the long term. We must pray that God will guide us and continue to provide resources to build his Church in this community to his Glory.
