Charity Information

Charity Number:	1186665
Registered Office:	The Junction Church PO Box 10677 Loughborough LE11 9JT
Governing Document:	The Junction Church is governed by its Constitution dated 29 November 2019 and was created as a Charitable Incorporated Organisation ("the CIO") registered with the Charity Commission.
Trustees:	Mark Bean (Chair) Lydia Todd Carolyn Bean Joseph Ohajunwa Noel Suthesh
Key Management:	Roy & Lydia Todd (Church Leaders)
Banker:	Virgin Money 3 Eastgates Leicester LE1 5YA
Independent Examiner:	Paul Exton Accounting Services 53 West Leake Lane Kingston on Soar Nottingham NG11 0DN

The trustees present their annual report, together with the unaudited financial statements of the charity, for the year ended 31st March 2025.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity Trustees are responsible for the general control and management of the charity. The Trustees give their time freely and receive no remuneration or other financial benefits. The Trustees meet together at least three times a year and are responsible for all major decisions taken in relation to running the church and the activities provided by the charity. The day-to-day management of the church and activities are delegated to Senior Pastors Roy and Lydia Todd.

Roy and Lydia are supported by a team they lead and are developing. As the church has grown, some of these leaders have oversight in a paid capacity. Roy and Lydia have numerous mechanisms of oversight and accountability.

New Trustees

New trustees are appointed by existing trustees when appropriate. Suitable candidates are considered on the basis of their skills, experience and understanding of the aims of the church. New Trustees have the opportunity of reviewing appropriate documents including the accounts as part of their induction process.

OBJECTIVES AND ACTIVITIES

The principal objects of the charity are:

- To advance the Christian Faith and the worship of God in any part of the world, including the teaching and training of Christian people and the printing and distribution of the Bible and Christian literature using any form of media.
- To relieve people in any part of the world who are aged or sick or who are in conditions of need, hardship and distress.
- To advance education based on Christian principles.

The main activities are:

- Working with churches and charities in the UK and overseas, to teach, empower and equip people to develop life skills that will help them find employment, a better balance of family life as well as helping serve their communities better.
- Teaching the values of the Christian faith helping build a society that defeats poverty and helps people to live honourable lives that both respect themselves and others.

ACHIEVEMENTS AND PERFORMANCE

The Trustees are pleased to present this report for the year ended 31 March 2025. This has been a year of major development for The Junction Church, marked by substantial progress, continued growth across our ministries and strengthening engagement with the local communities we serve. Throughout the year, the Trustees have remained committed to ensuring that all activities align with our charitable objectives and that governance, safeguarding and accountability remain central to our work.

Building Acquisition and Development

A defining moment this year was the acquisition of the former Beacon Bingo building on Baxter Gate in Loughborough, completed in April 2024 for £1.25 million. The building had been vacant for more than three years after the Bingo Club closed in 2021. Following constructive discussions with the owners, and after they reviewed our charitable work, they agreed to sell the property to us at a favourable price. The Trustees view this acquisition as a significant opportunity for long term community benefit.

The building includes a large auditorium originally designed to seat 1,700 people, along with a number of ancillary rooms. One of these, previously used as a bar area, has been repurposed as the Chapel Suite and is now used for smaller gatherings, funerals and community events. Structural surveys confirmed the solidity of the building, although essential works were required before full use.

During the year we undertook key improvements. The roof, which had suffered from long term leaks, was fully replaced. Historic asbestos was professionally removed, ensuring the building's safety and compliance. Planning consent for F1 use was secured after detailed work, enabling us to move forward with long term plans. These developments reflect responsible stewardship of a major charitable asset.

Ministry and Community Activity

Despite the extent of the building project, our charitable activities have continued to flourish.

Achievements and performance (continued)

Youth Work (TRG)

Our youth ministry, This Rising Generation, continues to grow through weekly programmes, partnerships with local schools and committed volunteers. All activity operates within our safeguarding framework, ensuring that young people are supported in a safe and structured environment.

Children's Ministry

Our children's work has expanded as more families engage with the charity. A DBS checked and trained team deliver age appropriate programmes each week. Safeguarding policies remain robust, regularly reviewed and publicly available. Parents consistently express appreciation for the quality and safety of this provision.

Soup Kitchen

The Soup Kitchen continues to serve individuals facing vulnerability, isolation or financial pressure. Guests receive a free hot meal and a welcoming environment each Thursday evening. Volunteers provide conversation, community and, when needed, signposting to relevant services. This remains a highly valued expression of our charitable aims.

Seasonal and Community Events

The Light Party once again provided a positive environment for children and families in October. Our Christmas services in December 2024 were the busiest to date, offering hospitality and a sense of connection to many first time visitors.

Student Ministry

Students continue to form a significant part of our community. Regular meals, friendships and pastoral support are provided in an encouraging environment. While we do not offer professional advice, the consistency of community life has proven beneficial for student wellbeing.

Achievements and performance (continued)

Leicester

Our Leicester congregation meets on Sunday afternoons and continues to grow, particularly among students and young adults. Weekly life groups provide smaller settings where people can snack, chat and pray, offering meaningful support and connection. These activities further the charity's aims and contribute positively to local wellbeing.

Nottingham

Our Nottingham community has developed strongly over the past year. We host a Thursday evening service once a month which provides a gathering space for students and young adults. The midweek life groups offer supportive environments for discussion and connection. These groups continue to be valued and play an important role in advancing our charitable objectives.

Lutterworth Building

During this year, the charity continued to steward the Lutterworth building received through a previous merger. After careful consideration, the Trustees leased this facility to another established church group. It was important to ensure that the building continued to be used for charitable purposes, and the group now using the facility operates in a way that aligns with our charitable objectives. Regular communication and positive cooperation have ensured that the building remains well used and continues to serve its intended community purpose.

Wider Engagement

Across all locations we continue to provide pastoral support, family gatherings, creative arts programmes and midweek activities. Partnerships with local schools and community organisations have strengthened, enabling us to offer support and encouragement to a wide range of people. Volunteers remain central to the charity's work, and the Trustees are deeply grateful for their generosity and dedication.

Achievements and performance (continued)

Governance and Safeguarding

The Trustees continue to prioritise clear governance, financial responsibility and accountability. Oversight is maintained across all departments, and safeguarding remains a central consideration in all activities, not only with children but with any individual who may be considered vulnerable. Policies and procedures are reviewed regularly to ensure compliance with current standards.

Conclusion

This has been a year of major progress, marked by significant developments in our facilities, continued growth in attendance and activity, and deeper community engagement across the region. The Trustees remain committed to serving with excellence, stewarding resources responsibly and maintaining alignment with our charitable objectives. As we look ahead, we are confident that the charity is well positioned for continued positive impact in the years to come.

VOLUNTEERS

Across all our churches there are more than 200 volunteers involved in serving and leading. We could not operate and do everything we do without the generosity and dedication of those who diligently serve each year.

FINANCIAL REVIEW

The trustees, after appropriate review, have a reasonable expectation that the church has adequate resources to continue in operational existence for the foreseeable future.

Income received by the charity for the period ending 31st March 2025 totalled £633,742 (2024: £979,774). This included restricted income totalling £173,306 (2024: £315,688). Expenditure for the period amounted to £574,414 (2024: £436,502), resulting in a surplus of £59,328 (2024 was a surplus of £543,272).

GOING CONCERN

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

RESERVES POLICY

The reserves policy set by the Trustees is to carry net unrestricted income equal to a minimum of 6 months' committed expenditure. Committed expenditure includes Sunday venue costs, all salary costs plus any direct debits. The balance of reserves at 31st March 2025 was £1,235,392, made up of £172,812 restricted funds and £1,062,580 of unrestricted funds and the Trustees are happy that this amount is well above the policy set. Current free reserves (unrestricted funds less tangible fixed assets and investments) are £214,362.

RISK MANAGEMENT

All major insurable risks are subject to normal Churches and employer's insurance. Annual reviews of risk, such as health and safety are undertaken by the Trustees in conjunction with employees and volunteers. The trustees are satisfied that systems are in place to mitigate exposure to the major risks.

The Trustees have implemented appropriate policies to manage the internal finances of the charity. The systems of internal control are designed to provide reasonable, but not absolute, assurance against material misstatement or loss. They include:

- a) an annual Budget considered by the Trustees; and
- b) regular consideration by the Trustees of financial reports; and
- c) delegation of authority and segregation of duties; and
- d) Identification and management of risks.

The trustees aim to review on a regular basis the adequacy of the system and the main risks that the Church may find arising. The trustees believe that maintaining the free reserves, combined with appropriate reviews of the controls over key financial systems, provides sufficient resources in the event of unexpected adverse conditions.

STAFF REMUNERATION POLICY

The Trustee Board carries salary reviews out each year. However, a review does not guarantee a pay rise and there is no contractual right to an annual pay rise. Staff will be informed of the result of the review in writing.

TRUSTEES' APPROVAL OF THE ANNUAL REPORT

The annual report was approved by the trustees on 28th January 2026.

SUMMARY

The Trustees consider that they have complied with the Charities Act 2011 and that the church and its membership are meeting the charitable objectives that were determined when the church was formed. As it grows, it is expected that the church's community will have further opportunities to increase its activity and influence.

Mark Bean
Trustee

Independent Examiner's Report to the Trustees of The Junction Church

I report to the charity trustees on my examination of the accounts of The Junction Church for the year ended 31 March 2025, which are set out on pages 13 and 14.

RESPONSABILITIES AND BASIS OF REPORT

As the charity's trustees of the Company, you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 Act ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

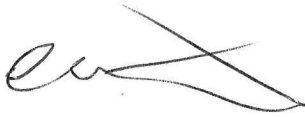

INDEPENDENT EXAMINER'S STATEMENT

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Association of Accounting Technicians, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

The financial statements have been prepared in accordance with applicable accounting standards in the United Kingdom (FRS 102), the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and with the Charities Act 2011. The financial statements are prepared on a going concern basis and the accounting policies have been applied consistently, other than where new policies have been adopted.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (accounts and Reports) Regulation 2008 only to the extent required to provide a 'true and fair' view. The departure has involved following the Charities SORP (FRS 102) published on 16th July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1st April 2005 which has since been withdrawn.

The Junction Church meets the definition of a public benefit entity as set out in FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

(a) Fund Accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

(b) Income

Income is composed principally of donations by Church members and gift aid reclaimed on donations where eligible. The nature of the Church's regular income means that income is brought into account only when the income is received. Gift aid reclaimed is recognised in the financial period to which it relates.

Income from any other activities is recognised when earned.

Investment income is recognised on a receivable basis and arises from interest bearing deposit accounts.

(c) Voluntary Help and Gifts in kind

The charity relies on volunteers to carry out many of its activities. However, in accordance with the SORP, the value of these services has not been included in these accounts as they cannot be reliably measured.

Donated goods and services, where significant, are included in income at an estimate of their value to the charity. An expense is recognised as those goods, facilities and services are consumed or distributed to beneficiaries.

(d) Expenditure

Expenditure, including irrecoverable VAT, is recognised as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Charitable activities is accounted for on an accruals basis, the costs incurred on the charity's operations, including support costs and costs relating to the governance of the charity apportioned to charitable activities.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

(e) Government Grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the statement of financial activities as the related expenditure is incurred.

The Junction Church

Notes to the financial statements for the year ended 31 March 2025

1 Accounting policies (Continued)

(f) Taxation

The Church is a registered charity, and as such, is entitled to certain exemptions on income and profits from investments and surplus on any activities carried on in furtherance of the Church's primary objectives, based on the assumption that these surpluses are applied solely for charitable purposes.

The Church is not registered for VAT. Irrecoverable Value Added Tax is charged to the relevant expenditure heading to which the net cost is associated.

(g) Tangible Fixed Assets

Fixed Assets are recorded at cost of purchase less accumulated depreciation. The Church generally capitalises assets which meet or exceed a de minimis value of £500 and are likely to have a useful economic life of more than one year.

Depreciation is charged at the following annual rates, commencing in the year of acquisition at rates estimated to write off their cost, less any estimated residual value, over their expected useful lives.

Motor vehicles	25% straight Line, accrued from the month after purchase
Freehold Property	2% straight Line, accrued from the month after purchase
Fixtures & Fittings	20% straight Line, accrued from the month after purchase
Other assets	33.3% straight Line, accrued from the month after purchase

(h) Debtors & Creditors

The Church recognises all transactions on an accruals basis, which is to say that all sums due to or from the Church are included in the year which they occurred. If they have not been paid or received, they are included as a debtor or creditor.

(i) Pensions

The church operates a defined contribution pension scheme, contributions payable to the scheme are charged to the Statement of Financial Activities in the period to which they relate.

(j) Going concern

The trustees have determined that there is no material uncertainty that casts doubt on the entity's ability to continue as a going concern.

(k) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments, which are initially recognised at transaction value and subsequently measured at their settlement value.

(l) General information

The Junction Church is a charitable incorporated organisation registered in England, registered number CE019818, and charity registered number 1186665

(m) Critical accounting estimates and assumptions:

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below.

Critical areas of judgement:

Depreciation of tangible fixed assets:

Determining the appropriate rate of depreciation of tangible fixed assets requires an estimate of the useful economic life and ultimate net realisable value. The useful economic life is determined to be the period during

The Junction Church

SHIRE Community Grant	Grant provided by Leicester City Council for the provision of holiday activities

The Junction Church

Notes to the financial statements for the year ended 31 March 2025

12 Transactions with trustees

None of the trustees received any fees for their services as Trustees. Lydia Todd is a Trustee and engaged in Ministry for the Church, for which employment costs of £51,976 (2024: £38,397) were made during the year, this includes all employer costs. Included in this amount, employer pension contributions of £1,372 (2024: £1,002) were made.

Noel Suthesh is a Trustee and engaged in operational services for the church, for which employment costs of £5,513 (2024: £5,250) were made during the year, this includes all employer costs.

Trustees or their family members were reimbursed during the year for expenditure that was in pursuit of various activities of the church. 2 trustees or related family members received reimbursements in the year (2024 - 3). Reimbursements to trustees or related family members amounted to £4,059 (2024 - £8,795).

13 Transaction with related parties

The following is a summary of organisations and individuals, which are related to The Junction Church together with details of the transactions made with them during the year.

Remuneration in the year was paid to Roy Todd (husband of Trustee Lydia Todd) who was employed in their own right. Employment costs and benefits totalling £57,966 (2024: £53,879) were made. A vehicle was also provided by the charity as a benefit.

Zara Ohajunwa, the wife of Joseph Ohajunwa (trustee) is also an employee of the church in their own right. Employment costs and benefits totalling £10,262 (2024: £7,778) were made.

The charity received donations totalling £38,963 (2024: £36,713) from related parties, including any related gift aid (related parties includes the trustees, any other members of key management and anyone closely connected to them).

There are no further related party transactions to disclose apart from these above.

14 Control

There is no ultimate controlling party.

15 Going Concern

The trustees have determined that there is no material uncertainty that casts doubt on the entity's ability to continue as a going concern.

Key Management:	Roy & Lydia Todd (Church Leaders)
Banker:	Virgin Money 3 Eastgates Leicester LE1 5YA
Independent Examiner:	Paul Exton Accounting Services 53 West Leake Lane Kingston on Soar Nottingham NG11 0DN

The trustees present their annual report, together with the unaudited financial statements of the charity, for the year ended 31st March 2024.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity Trustees are responsible for the general control and management of the charity. The Trustees give their time freely and receive no remuneration or other financial benefits. The Trustees meet together at least three times a year and are responsible for all major decisions taken in relation to running the church and the activities provided by the charity. The day-to-day management of the church and activities are delegated to Senior Pastors Roy and Lydia Todd.

Roy and Lydia are supported by a team they lead and are developing. As the church has grown, some of these leaders have oversight in a paid capacity. Roy and Lydia have numerous mechanisms of oversight and accountability.

New Trustees

New trustees are appointed by existing trustees when appropriate. Suitable candidates are considered on the basis of their skills, experience and understanding of the aims of the church. New Trustees have the opportunity of reviewing appropriate documents including the accounts as part of their induction process.

OBJECTIVES AND ACTIVITIES

The principal objects of the charity are:

- To advance the Christian Faith and the worship of God in any part of the world, including the teaching and training of Christian people and the printing and distribution of the Bible and Christian literature using any form of media.
- To relieve people in any part of the world who are aged or sick or who are in conditions of need, hardship and distress.
- To advance education based on Christian principles.

The main activities are:

- Working with churches and charities in the UK and overseas, to teach, empower and equip people to develop life skills that will help them find employment, a better balance of family life as well as helping serve their communities better.
- Teaching the values of the Christian faith helping build a society that defeats poverty and helps people to live honourable lives that both respect themselves and others.

ACHIEVEMENTS AND PERFORMANCE

The Junction Church continues to grow from strength to strength. Statistics across every aspect of the charity are on an upward trend. This is deeply encouraging.

The growth has meant the charity has been able to increase its capacity to serve in a wide range of areas, many of which will be detailed below.

Sabbatical

During the summer months of 2023, senior pastors Roy & Lydia Todd had a three month sabbatical. This had been planned since 2022. In most denominations, a senior minister's sabbatical is a once in seven year event. However, this was their first sabbatical in 25 years of church leadership!

The purpose of a sabbatical is to allow extended space and time to study, reflect, rest and learn from the experience of other churches. During their sabbatical, Roy and Lydia visited a range of churches where they learned much. They also spent significant time reflecting on the vision and purpose of the Junction Church. The sabbatical was without question an invaluable contribution to the charity. Indeed, a number of key developments occurred when Pastors Roy & Lydia returned. These have proved highly significant for the charity.

Leadership

Encouragingly, during the sabbatical, the core leadership team stepped up in virtually every level of leadership. Robust processes were set in place so that if a major emergency occurred, the trustees could be contacted, and if necessary, pastors Roy & Lydia could be informed. Thankfully, this was not necessary.

It is worth noting that since the sabbatical, there has been no let up in the responsibility which a growing leadership team are embracing. This is another ongoing benefit of the sabbatical.

Merger

In October 2023, Beacon Christian Fellowship (charity 1068690) merged to become part of the Junction Church. Pastor Roy Todd had stepped in to pastor this small church in 2020 during the Covid crisis. As well as navigating the challenges of lockdowns, Beacon Christian Fellowship (BCF) had been through an extremely turbulent time that year which included the loss of numerous senior leaders as well as a serious decline in finances.

Achievements and performance (continued)

Having journeyed with BCF for the previous three years, there was already an excellent relationship between members of BCF and members of the Junction Church. For example, the Junction Church stepped in to work with members of BCF in multiple aspects of church life - including music, community action and youth work. So it was no surprise when the merger finally did occur as there was already a healthy relationship between the two churches.

A formal meeting of BCF members took place in September 2023 where it was decided that the Beacon Christian Fellowship should merge to become part of the Junction Church. The merger officially took place in October 2023 at a well attended service where members of the Junction Church embraced and welcomed members of the former Beacon Christian Fellowship into the congregation. This was a very special occasion which was a powerful catalyst for the years to come. Indeed, the guest speaker at the merger service (David Shearman) observed that in his many years of Christian leadership, he had rarely witnessed such a healthy merger. It's success has been because of the great relationship between church members.

The merger has proven to be an extremely healthy development. In truth, without the merger, BCF would have found itself in an increasingly precarious financial position. However, it has been a delight to see members of the former BCF flourish and thriving as part of the Junction Church. Indeed, their contribution is invaluable, and ultimately to the benefit of the local area.

Youth Work

Youth work continues to be a significant aspect of the Junction Church. Angie Koppoe heads up this area - under the banner of 'This Rising Generation' (TRG).

The youth work includes Friday night events which cater for various age ranges. During the year, there have also been weekly youth hubs where free meals are provided for young people. There is also a Sunday gathering of TRG which includes fun, games and inspiration.

A team of trained and approved people volunteer alongside Angie Koppoe to serve this growing department. It is wonderful to see young people growing in confidence.

Achievements and performance (continued)

Students

The Junction Church is very popular with students. Indeed, hundreds of students connect into the Junction Church community. Our student team works hard to serve students. This includes welcome meals for freshers, and weekly meals each Sunday for all students who attend.

We are often contacted by parents of students who express their thanks and appreciation for the way their sons and daughters are cared for, especially in the anxiety of their first year.

The student team (all students themselves) do an excellent job, ensuring students are cared for and pointing towards any professional help they might need.

Students add vibrancy and energy to the life of the church. Indeed, it is wonderful to see so many students serving the wider community, including at our warmth hubs and community cafe. This has helped contribute towards developing a positive relationship between local university's and the towns /cities where they're located. We feel this is a helpful local service.

Community Action

The cost of living crisis has deeply impacted many local people. Rising costs of food and heating has meant many have felt huge financial pressure.

To help serve local people, the Junction Church puts on a twice weekly 'Warmth Hub' during the winter months. This took place at the Beacon Centre. This meant that many people could enjoy a hot meal in a warm and comfortable environment. All meals were free of charge, and were highly nutritious. They were very much appreciated by many families. Around 100 people per month connected with the Warmth Hubs.

During the warmer months, we hosted a weekly community cafe. This was also well attended, and included free meals each week. This has also been very much appreciated by those who attend.

Our community cafe's have been a wonderful way of connecting with local people. Indeed, local community police officer's have regularly attended the community cafe's so they can spend time with local people, and build relationships with local communities. We have been delighted to see this.

Achievements and performance (continued)

Stay and Play

Our weekly Stay and Play is called 'All Stars'. This happens each Friday morning. This is an affordable stay and play (just £2 per child), and this includes snacks and food each week. All Stars has proved incredibly popular, with upwards of 30 children coming each week along with their parents.

We worked hard to create a warm and friendly environment so that it would be easy for parents and carers to connect with other parents and carers. Indeed, it was lovely to see friendships being formed as a result of this weekly Stay and Play.

Kids Work

Our Kids work is headed up by Amy Chandler. She leads a growing team of trained and approved volunteers who oversee a brilliant age appropriate programme for children aged 4-11. This takes place each Sunday, as well as occasional mid-week occasions such as the Halloween holiday and Christmas.

We have prolific safeguarding policies in place, with a clear safeguarding statement on our website. This is something which we are continually reviewing and updating so we are robust, ensuring the wellbeing and safety of all who attend. Parents and carers appreciate this.

Soup Kitchen

The Soup Kitchen is a weekly event led by Graham and Rachel Swann. Their heart is to reach out to those on the fringes of society.

Each Thursday night, those who attend are provided with a nutritious meal (all free). There is a wonderful atmosphere which makes it easy for people to chat and make friends. The evening also involves music and inspiration, and this is always enjoyed by those who attend.

The Soup Kitchen is highly organised and well run. It offers respect to people whose lives are often challenged. We want to give them a sense of dignity, and serve them with excellence.

It's fair to say the Soup Kitchen reaches 100's of people each month. Graham and Rachel are supported by a great team who all help to create a great night for those who come.

Achievements and performance (continued)

Family Support

As a church, we support many families with a wide range of activities. For example, our family breakfast on Saturday morning's has proven very popular. This is a chance for families to be together in a relaxed atmosphere.

As well as monthly events, there are also a wide range of family activities we host including family walks, family parties, family Christmas events, light parties, and summer socials. These are all appreciated by parents, carers and kids.

Christmas Events

Christmas 2023 was a wonderful season. Each Sunday during December, our main Sunday services included special Christmas music and inspiration. The most popular service was the kids nativity service at which many 100's were in attendance.

We also hosted a free winter wonderland for families and kids. This included inflatables and free food and treats for everyone. Many parents expressed their deep appreciation for this event, with one informing us that they had paid significant money for a similar event which was not nearly as good as ours. We were delighted to put our event on for free, and our team of volunteers worked very hard to make this a great experience for everyone. This was a wonderful way of serving the community at Christmas, and alleviating the financial pressure which many families have been experiencing in the cost of living crisis.

Building Acquisition

In January 2024, we began negotiations for the purchase of the Beacon Bingo Building in Loughborough. The Bingo club closed in 2021, and apart from two ongoing leases (carpark and rooftop telecoms), the building was in a state of neglect.

We could see the potential of the building as a means of serving the wider community and fulfilling our charitable aims.

It was originally built as an Odeon Cinema in 1936, with seating capacity in the theatre for around 1700 people. The building was extended in 1990 to include a bar area, a lovely space which could easily host various meetings and activities. There are also a number of rooms which could be used to facilitate various departments of the charity.

Achievements and performance (continued)

After a number of key conversations, the trustees agreed to purchase the site for £1.25 million. This not only included the large theatre, but it also included the carpark as well. In all, the site measures at just under 1 acre of town centre land. We've since learned that developers had offered significantly more for the site. However, the owner was so impressed with our charitable objectives that he decided to sell the site to us. The purchase was completed on 24th April 2024.

News of the acquisition has been featured favourably by local media. Indeed, local people have welcomed the purchase as they were concerned at the building's neglect. For example, a newspaper reporter stood outside the building to get the views of passers by. Everyone of them without exception welcomed our acquisition. This likely speaks of the positive relationship built in the town over many years.

Conclusion

This has been a busy year, and we are encouraged by the positive impact we are having on so many people.

We are grateful to all the volunteers and members of the Junction Church community who get involved and support the work. Without them, none of this would happen.

FUTURE PLANS

The Junction Church Charity is in good health. With the acquisition of a new facility, this will give us fresh opportunities to serve local people and fulfil our charitable objectives.

Over the next year, we will be continue restoration work on the new site. This will enable us to host a wide variety of events throughout the year including our Sunday services as well as our community action programmes throughout each week.

We are working intentionally to increase our volunteer base so that we can extend our capacity to serve more people. This includes comprehensive training covering multiple areas including safeguarding, leadership development, and specialist input to continue to raise levels of competence across the life of the church. Our heart is to serve with excellence.

The Junction Church is uniquely diverse, with some 50 nations represented. We believe this is a healthy example of unity and togetherness in a world which feels increasingly divided. We want to develop this more.

Meanwhile, the financial trajectory of the charity is on an upward trend. This means the charity is not only able to pay its bills, but is able to invest in the lives of people for whom we are committed to serving, as per our charitable objectives.

It is our honour to serve.

VOLUNTEERS

Across all our churches there are more than 200 volunteers involved in serving and leading. We could not operate and do everything we do without the generosity and dedication of those who diligently serve each year.

FINANCIAL REVIEW

The trustees, after appropriate review, have a reasonable expectation that the church has adequate resources to continue in operational existence for the foreseeable future.

Income received by the charity for the period ending 31st March 2024 totalled £979,774 (2023: £603,408). This included restricted income totalling £315,688 (2023: £105,772) and a donated asset received in the merger with Beacon Christian Fellowship valued at £350,000. Expenditure for the period amounted to £436,502 (2023: £329,903), resulting in a surplus of £543,272 (2022 was a surplus of £273,505).

GOING CONCERN

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

RESERVES POLICY

The reserves policy set by the Trustees is to carry net unrestricted income equal to a minimum of 6 months' committed expenditure. Committed expenditure includes Sunday venue costs, all salary costs plus any direct debits. The balance of reserves at 31st March 2024 was £1,176,064, made up of £314,760 restricted funds and £861,305 of unrestricted funds. Current free reserves (unrestricted funds less tangible fixed assets and investments) are £226,504 which is above the reserves policy.

RISK MANAGEMENT

All major insurable risks are subject to normal Churches and employer's insurance. Annual reviews of risk, such as health and safety are undertaken by the Trustees in conjunction with employees and volunteers. The trustees are satisfied that systems are in place to mitigate exposure to the major risks.

STAFF REMUNERATION POLICY

The Trustee Board carries salary reviews out each year. However, a review does not guarantee a pay rise and there is no contractual right to an annual pay rise. Staff will be informed of the result of the review in writing.

TRUSTEES' APPROVAL OF THE ANNUAL REPORT

The annual report was approved by the trustees on 28th January 2025.

SUMMARY

The Trustees consider that they have complied with the Charities Act 2011 and that the church and its membership are meeting the charitable objectives that were determined when the church was formed. As it grows, it is expected that the church's community will have further opportunities to increase its activity and influence.

Mark Bean
Trustee

Independent Examiner's Report to the Trustees of The Junction Church

I report to the charity trustees on my examination of the accounts of The Junction Church for the year ended 31 March 2024, which are set out on pages 13 and 14.

RESPONSABILITIES AND BASIS OF REPORT

As the charity's trustees of the Company, you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 Act ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Association of Accounting Technicians, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The financial statements were approved by the trustees on 28th January 2025 and were signed on its behalf by:

Mark Bean
Chair of trustees

1 Accounting policies

The financial statements have been prepared in accordance with applicable accounting standards in the United Kingdom (FRS 102), the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and with the Charities Act 2011. The financial statements are prepared on a going concern basis and the accounting policies have been applied consistently, other than where new policies have been adopted. The charity meets the definition of a public benefit entity as set out in FRS 102

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (accounts and Reports) Regulation 2008 only to the extent required to provide a 'true and fair' view. The departure has involved following the Charities SORP (FRS 102) published on 16th July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1st April 2005 which has since been withdrawn.

(a) Fund Accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

(b) Income

Income is composed principally of donations by Church members and gift aid reclaimed on donations where eligible. The nature of the Church's regular income means that income is brought into account only when the income is received. Gift aid reclaimed is recognised in the financial period to which it relates.

Income from any other activities is recognised when earned.

Investment income is recognised on a receivable basis and arises from interest bearing deposit accounts.

(c) Voluntary Help and Gifts in kind

The charity relies on volunteers to carry out many of its activities. However, in accordance with the SORP, the value of these services has not been included in these accounts as they cannot be reliably measured.

Donated goods and services, where significant, are included in income at an estimate of their value to the charity. An expense is recognised as those goods, facilities and services are consumed or distributed to beneficiaries.

(d) Expenditure

Expenditure, including irrecoverable VAT, is recognised as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Charitable activities is accounted for on an accruals basis, the costs incurred on the charity's operations, including support costs and costs relating to the governance of the charity apportioned to charitable activities.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

(e) Government Grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the statement of financial activities as the related expenditure is incurred.

The Junction Church

Notes to the financial statements for the year ended 31 March 2024

1 Accounting policies (Continued)

(f) Taxation

The Church is a registered charity, and as such, is entitled to certain exemptions on income and profits from investments and surplus on any activities carried on in furtherance of the Church's primary objectives, based on the assumption that these surpluses are applied solely for charitable purposes.

The Church is not registered for VAT. Irrecoverable Value Added Tax is charged to the relevant expenditure heading to which the net cost is associated.

(g) Tangible Fixed Assets

Fixed Assets are recorded at cost of purchase less accumulated depreciation. The Church generally capitalises assets which meet or exceed a de minimis value of £500 and are likely to have a useful economic life of more than one year. Assets purchased using restricted funds are fully depreciated on the purchase date.

Depreciation is charged at the following annual rates, commencing in the year of acquisition at rates estimated to write off their cost, less any estimated residual value, over their expected useful lives.

Motor vehicles	25% straight Line, accrued from the month after purchase
Freehold Property	2% straight Line, accrued from the month after purchase
Other assets	33.3% straight Line, accrued from the month after purchase

(h) Debtors & Creditors

The Church recognises all transactions on an accruals basis, which is to say that all sums due to or from the Church are included in the year which they occurred. If they have not been paid or received, they are included as a debtor or creditor.

(i) Pensions

The church operates a defined contribution pension scheme, contributions payable to the scheme are charged to the Statement of Financial Activities in the period to which they relate.

(j) Going concern

The trustees have determined that there is no material uncertainty that casts doubt on the entity's ability to continue as a going concern.

(k) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments, which are initially recognised at transaction value and subsequently measured at their settlement value.

(l) General information

The Junction Church is a charitable incorporated organisation registered in England, registered number CE019818, and charity registered number 1186665

(m) Critical accounting estimates and assumptions:

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below.

Critical areas of judgement:

Depreciation of tangible fixed assets:

Determining the appropriate rate of depreciation of tangible fixed assets requires an estimate of the useful economic life and ultimate net realisable value. The useful economic life is determined to be the period during

Community Fund	To support those in need in our local community and our church
SHIRE Community Grant	Grant provided by Leicester City Council for the provision of holiday activities

10 Transactions with trustees

None of the trustees received any fees for their services as Trustees. Lydia Todd is a Trustee and engaged in Ministry for the Church, for which employment costs of £38,397 (2023: £28,865) were made during the year, this includes all employer costs. Included in this amount, employer pension contributions of £1,052 (2023: £1002) were made.

These payments are permitted by section 6 (2g) of the charities governing document.

Except for the reimbursement of expenses incurred when acting as agent for the charity, no expenses were paid to, or for, the trustees.

The Junction Church

Notes to the financial statements for the year ended 31 March 2024

11 Transaction with related parties

The following is a summary of organisations and individuals, which are related to The Junction Church together with details of the transactions made with them during the year.

Remuneration in the year was paid to Roy Todd (husband of Trustee Lydia Todd) who was employed in their own right. Employment costs and benefits totalling £53,879 (2023: £51,017) were made. A vehicle was also provided by the charity which is mostly used for Church business.

Zara Ohajunwa, the wife of Joseph Ohajunwa (trustee) is also an employee of the church in their own right. Employment costs and benefits totalling £7,778 (2023: £3,271) were made.

The charity received donations totalling £36,713 (2023: £21,200) from related parties, including any related gift aid (related parties includes the trustees, any other members of key management and anyone closely connected to them).

A company owned and controlled by Mark Bean (Trustee) and Carolyn Bean (Trustee) received £9,204.40 (2023: £72) for providing printing services to the charity and for the purchase of a van.

There are no further related party transactions to disclose apart from these above.

12 Prior Year Adjustment

The 2023 accounts didn't include the value of property acquired in a merger with Chapel Street Pentecostal Church. This has been corrected in the reinstated 2023 comparatives.

13 Control

There is no ultimate controlling party.

14 Going Concern

The trustees have determined that there is no material uncertainty that casts doubt on the entity's ability to continue as a going concern.

The trustees present their annual report, together with the unaudited financial statements of the charity, for the year ended 31st March 2023.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity Trustees are responsible for the general control and management of the charity. The Trustees give their time freely and receive no remuneration or other financial benefits. The Trustees meet together at least three times a year and are responsible for all major decisions taken in relation to running the church and the activities provided by the charity. The day-to-day management of the church and activities are delegated to Senior Pastors Roy and Lydia Todd.

Roy and Lydia are supported by a team they lead and are developing. As the church has grown, some of these leaders have oversight in a paid capacity. Roy and Lydia have numerous mechanisms of oversight and accountability.

New Trustees

New trustees are appointed by existing trustees when appropriate. Suitable candidates are considered on the basis of their skills, experience and understanding of the aims of the church.

OBJECTIVES AND ACTIVITIES

The principal objects of the charity are:

- To advance the Christian Faith and the worship of God in any part of the world, including the teaching and training of Christian people and the printing and distribution of the Bible and Christian literature using any form of media.
- To relieve people in any part of the world who are aged or sick or who are in conditions of need, hardship and distress.
- To advance education based on Christian principles.

The main activities are:

- Working with churches and charities in the UK and overseas, to teach, empower and equip people to develop life skills that will help them find employment, a better balance of family life as well as helping serve their communities better.
- Teaching the values of the Christian faith helping build a society that defeats poverty and helps people to live honourable lives that both respect themselves and others.

ACHIEVEMENTS AND PERFORMANCE

Throughout 2022, The Junction Church continued to grow and flourish across all three campuses in Loughborough, Leicester, and Nottingham in addition to having a strong online presence which had grown and been established with viewers across the globe during the pandemic in 2020-2021. Life Groups have continued to run throughout the year, providing a space for the church community to gather and build relationships whilst exploring their faith in safe, more intimate setting than the larger Sunday gatherings. There are still a few groups that have chosen to meet online for these Life Groups, due to travel arrangements, childcare etc which we have been able to facilitate well.

The Junction Church is passionate about training and releasing leaders within the church and has been running courses such as our 'Developing Leaders Forum' which encourage those who come along to grow in their skills such as communication, decision-making, team-working and initiative. We have seen lots of young people from our Youth and Student ministries participate in this course and grow accordingly.

Our new Community Outreach programme FTW (For The Win) was run again this year, this is a week-long schools and community projects week, where a small team of volunteers went into local schools and helped out with grounds work, put on community fun-days and provided resources for families during the school break. Simultaneously, in conjunction with The Beacon Church in Loughborough, volunteers ran a Breakfast Club over that week, where families could come and get free breakfast and our Kids and Youth Workers put on some fun activities to keep children entertained for the morning. We saw lots of returning families from 2021 come back and join us for this week and it was great to be able to connect with the community in this way.

The Junction Church continues to work alongside and support The Beacon Church, with Pastor Roy Todd as their Senior Pastor. In October 2022 The Junction Church merged with another charity, Chapel Street Pentecostal Church (Charity No: 1051889). The Junction Church stepped in to support the existing congregation in Chapel Street at the current pastor's request, pre-empting his imminent retirement from the ministry. A team from The Junction Church go down every week and help the Chapel Street congregation to run their weekly service, which can vary from leading the services, arranging the worship or other practical elements of support. Upon the merger the Junction Church acquired a building from Chapel Street. This is currently being valued professionally and will be reflected in next year's accounts.

Christmas 2022 saw more community outreach in the production of this year's Nativity Service in our Loughborough campus. The kids and youth from the church put on a great Nativity service with a pantomime type production, followed by lots of games and activities for everyone to enjoy. Hundreds of people from the community came and it was a great event.

Early 2023 saw the launch of a new teaching resource on our YouTube channel, with a weekly podcast episode led by our Senior Pastor, Ps Roy Todd, with Dr John Huckle and some of our Pastoral Team. This has been well received by our congregation and we are looking to continue this throughout the rest of the year.

VOLUNTEERS

Across all our churches there are more than 120 volunteers involved in serving and leading. We could not operate and do everything we do without the generosity and dedication of those who diligently serve each year.

FINANCIAL REVIEW

The net of income and expenditure for the year resulted in a healthy surplus of £24,582 on unrestricted funds. Restricted funds net was a surplus of £2,672. Bank balances held on 31 March 2023 were £159,449 held in unrestricted funds and £156,468 held in restricted funds.

GOING CONCERN

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

RESERVES POLICY

The reserves policy set by the Trustees is to carry net unrestricted income equal to a minimum of 6 months' committed expenditure. Committed expenditure includes Sunday venue costs, all salary costs plus any direct debits. Unrestricted net income at the year-end were £230,075 and the Trustees are happy that this amount is well above the policy set.

TRUSTEES' APPROVAL OF THE ANNUAL REPORT

The annual report was approved by the trustees on 10th January 2024.

SUMMARY

The Trustees consider that they have complied with the Charities Act 2011 and that the church and its membership are meeting the charitable objectives that were determined when the church was formed. As it grows, it is expected that the church's community will have further opportunities to increase its activity and influence.

Mark Bean

Trustee

Independent Examiner's Report to the Trustees of The Junction Church

I report to the charity trustees on my examination of the accounts of The Junction Church for the year ended 31 March 2023, which are set out on pages 8 and 9.

RESPONSABILITIES AND BASIS OF REPORT

As the charity's trustees of the Company, you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 Act ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

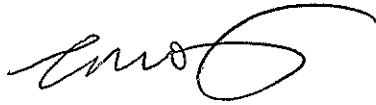

INDEPENDENT EXAMINER'S STATEMENT

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Association of Accounting Technicians, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Total funds		230,075	156,468	386,543	205,492	153,795	359,287

The financial statements were approved by the trustees on 10th January 2024 and were signed on its behalf by:

Mark Bean
Chair of trustees

The Junction Church

Notes to the financial statements for the year ended 31 March 2023

1 Accounting policies

The financial statements have been prepared in accordance with applicable accounting standards in the United Kingdom (FRS 102), the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), and with the Charities Act 2011. The financial statements are prepared on a going concern basis and the accounting policies have been applied consistently, other than where new policies have been adopted. The charity meets the definition of a public benefit entity as set out in FRS 102

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (accounts and Reports) Regulation 2008 only to the extent required to provide a 'true and fair' view. The departure has involved following the Charities SORP (FRS 102) published on 16th July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1st April 2005 which has since been withdrawn.

(a) Fund Accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

(b) Income

Income is composed principally of donations by Church members and gift aid reclaimed on donations where eligible. The nature of the Church's regular income means that income is brought into account only when the income is received. Gift aid reclaimed is recognised in the financial period to which it relates.

Income from any other activities is recognised when earned.

Investment income is recognised on a receivable basis and arises from interest bearing deposit accounts.

(c) Voluntary Help and Gifts in kind

The charity relies on volunteers to carry out many of its activities. However, in accordance with the SORP, the value of these services has not been included in these accounts as they cannot be reliably measured.

Donated goods and services, where significant, are included in income at an estimate of their value to the charity. An expense is recognised as those goods, facilities and services are consumed or distributed to beneficiaries.

(d) Expenditure

Expenditure, including irrecoverable VAT, is recognised as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Charitable activities is accounted for on an accruals basis, the costs incurred on the charity's operations, including support costs and costs relating to the governance of the charity apportioned to charitable activities.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

(e) Government Grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the statement of financial activities as the related expenditure is incurred.

The Junction Church

Notes to the financial statements for the year ended 31 March 2023

1 Accounting policies (Continued)

(f) Taxation

The Church is a registered charity, and as such, is entitled to certain exemptions on income and profits from investments and surplus on any activities carried on in furtherance of the Church's primary objectives, based on the assumption that these surpluses are applied solely for charitable purposes.

The Church is not registered for VAT. Irrecoverable Value Added Tax is charged to the relevant expenditure heading to which the net cost is associated.

(g) Tangible Fixed Assets

Fixed Assets are recorded at cost of purchase less accumulated depreciation. The Church generally capitalises assets which meet or exceed a de minimis value of £500 and are likely to have a useful economic life of more than one year.

Depreciation is charged at the following annual rates, commencing in the year of acquisition at rates estimated to write off their cost, less any estimated residual value, over their expected useful lives.

Motor vehicles	25% straight Line, accrued from the month after purchase
Freehold Property	1.5% straight Line, accrued from the month after purchase
Other assets	33.3% straight Line, accrued from the month after purchase

(h) Debtors & Creditors

The Church recognises all transactions on an accruals basis, which is to say that all sums due to or from the Church are included in the year which they occurred. If they have not been paid or received, they are included as a debtor or creditor.

(i) Pensions

The church operates a defined contribution pension scheme, contributions payable to the scheme are charged to the Statement of Financial Activities in the period to which they relate.

(j) Going concern

The trustees have determined that there is no material uncertainty that casts doubt on the entity's ability to continue as a going concern.

(k) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments, which are initially recognised at transaction value and subsequently measured at their settlement value.

The Junction Church

Notes to the financial statements for the year ended 31 March 2023

2 Donations and legacies

The majority of the incoming resources are donations from Church members.

Total	237,894	327,001	205,608	-	359,287

Restricted Funds and the use of these funds are as follows:

Vision	To help further the vision and expansion of the Junction Church
Building Fund	An ongoing fund to be used to purchase a building for the Church
Community Fund	To support those in need in our local community and our church

10 Transactions with trustees

None of the trustees received any fees for their services as Trustees. Lydia Todd is a Trustee and engaged in Ministry for the Church, for which employment costs of £28,865 (2022: £33,960) were made during the year, this includes all employer costs. Included in this amount, employer pension contributions of £1,002 (2022: £914) were made.

These payments are permitted by section 6 (2g) of the charities governing document.

Except for the reimbursement of expenses incurred when acting as agent for the charity, no expenses were paid to, or for, the trustees.

The Junction Church

Notes to the financial statements for the year ended 31 March 2023

11 Transaction with related parties

The following is a summary of organisations and individuals, which are related to The Junction Church together with details of the transactions made with them during the year.

Remuneration in the year was paid to Roy Todd (husband of Trustee Lydia Todd) who was employed in their own right. Employment costs and benefits totalling £51,017 (2022: £46,880) were made.

The charity received donations totalling £21,200 (2022: £11,717) from related parties, including any related gift aid (related parties includes the trustees, any other members of key management and anyone closely connected to them).

A company owned and controlled by Mark Bean (Trustee) and Carolyn Bean (Trustee) received £72 (2022: £679) for providing printing services to the charity.

There are no further related party transactions to disclose apart from these above.

12 Fund Transfers

Income and Expenditure from the prior year has been corrected in this year for income and expenditure that had been allocated to unrestricted funds rather than restricted funds.

13 Control

There is no ultimate controlling party.

14 Going Concern

The trustees have determined that there is no material uncertainty that casts doubt on the entity's ability to continue as a going concern.

The Junction Church

Report of the trustees for the year ended 31st March 2022

The trustees present their annual report, together with the income and expenditure of the charity, for the year ended 31st March 2022.

ADMINISTRATION DETAILS

The Junction Church is governed by its Constitution dated 29th November 2019 and was created as a Charitable Incorporated Organisation ("the CIO") registered with the Charity Commission, No. 1186665.

TRUSTEES

The trustees holding office were as follows:

Mark Bean (Chair)
Lydia Todd
Carolyn Bean
Joseph Ohajunwa

New trustees are appointed by existing trustees when appropriate and selected based on skills, experience and sympathy with the aim and values of the charity.

The day-to-day operational aspect of the charity is delegated to Roy & Lydia Todd the senior pastors.

OBJECTIVES AND ACTIVITIES

The principal objects of the charity are:

- To advance the Christian Faith and the worship of God in any part of the world, including the teaching and training of Christian people and the printing and distribution of the Bible and Christian literature using any form of media.
- To relieve people in any part of the world who are aged or sick or who are in conditions of need, hardship and distress.
- To advance education based on Christian principles.

The main activities are:

- Working with churches and charities in the UK and overseas, to teach, empower and equip people to develop life skills that will help them find employment, a better balance of family life as well as helping serve their communities better.
- Teaching the values of the Christian faith helping build a society that defeats poverty and helps people to live honourable lives that both respect themselves and others.

ACHIEVEMENTS AND PERFORMANCE

Easter 2021 saw the resumption of in-person services once again, with covid-robust measures in place, such as a booking system, social distancing, the wearing of masks and temperature checks upon entry.

Throughout 2021, The Junction Church continued to operate in all three of its campuses – Loughborough, Leicester and Nottingham and saw all these congregations slowly return to usual attendance as the fear of the pandemic began to subside. In order to maintain strong community and keep everyone as safe as possible, The Junction Church continued to stream their services online for anyone who felt unsafe or was unable to attend in person. This new Online Campus soon began to grow and towards the end of 2021 was seeing many new people join from across the world including Virginia, Nigeria and parts of Southern Asia also.

The Junction Church continued to run training and teaching courses online, through the platform Zoom, which were able to reach hundreds of people and provide a space in which to grow in their faith and receive leadership and team training. August 2021 saw the resumption of in-person Life Groups, where the community has a chance to get together and have fellowship in smaller, more intimate groups on a weekly basis. Everyone was given a choice as to whether to attend an in-person or online Life Group in order to ensure that the community felt as safe as possible.

Community Outreach continued to be a high priority for The Junction Church, and the summer of 2021 saw the launch of FTW (For The Win) – a week-long schools and community projects week, where a small team of volunteers went into local schools and helped out with grounds work, put on community fun-days and provided resources for families during the school break. Simultaneously, in conjunction with The Beacon Church in Loughborough, volunteers ran a Breakfast Club over that week, where families could come and get free breakfast and our Kids and Youth Workers put on some fun activities to keep children entertained for the morning.

The Junction Church continues to work alongside and support The Beacon Church, with Pastor Roy Todd as their Senior Pastor. Volunteers from the Junction Church help facilitate the weekly services at The Beacon Church and are also able to use the Office Space at The Beacon Church's venue for mid-week meetings and events, allowing The Junction Church to grow its team and expand on the services they can provide for the local community.

Christmas 2021 saw the re-launch of Winter Wonderland, which had been cancelled the previous year due to Covid-restrictions. This community event saw hundreds from the local community come in for a short Christingle service, followed by free food, games, face painting, Santa's Grotto, bouncy castle and lots more!

Early 2022 saw services return to 'normal' as all covid restrictions were lifted and meetings could all resume as before the pandemic. The Junction Church ensured to keep some measures in place in order to be sensitive to those who were still wary, but worked to remove all measures by early March 2022.

FINANCIAL REVIEW

The net of income and expenditure for the year are a healthy net surplus of £105,497 on unrestricted funds. Restricted funds net was a surplus of £15,897. Bank balances held at 31 March 2022 were £254,073 held in unrestricted funds and £105,215 held in restricted funds.

RESERVES POLICY

The policy is to hold cash reserves equivalent to six months expenditure. The charity currently holds unrestricted reserves covering 16 months expenditure.

PAYMENTS TO TRUSTEES

Payments made in the year to Lydia Todd in relation to her employment for services provided were £33,960.

This is allowed in the governing document and Charity Commission guidance has been followed.

RELATED PARTY TRANSACTIONS

Payments of £46,880 were made to Roy Todd in relation to employment for services provided, who is connected to Lydia Todd, trustee.

Approved by the trustees on 10th January 2023 and signed on its behalf by:

Independent Examiner's Report to the Trustees of The Junction Church

I report to the charity trustees on my examination of the accounts of The Junction Church for the year ended 31 March 2022, which are set out on pages 5 and 6.

RESPONSABILITIES AND BASIS OF REPORT

As the charity's trustees of the Company, you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 Act ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Association of Accounting Technicians, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Junction Church

Report of the trustees for the year ended 31st March 2021

The trustees present their annual report, together with the receipts and payments accounts of the charity, for the year ended 31st March 2021.

ADMINISTRATION DETAILS

The Junction Church is governed by its Constitution dated 29th November 2019 and was created as a Charitable Incorporated Organisation ("the CIO") registered with the Charity Commission, No. 1186665.

TRUSTEES

The trustees holding office were as follows:

Mark Bean (Chair)
Lydia Todd
Carolyn Bean
Joseph Ohajunwa
Paul Bevan (Resigned Dec 2020)
Rev Brian Niblock (Resigned Dec 2020)

New trustees are appointed by existing trustees when appropriate and selected based on skills, experience and sympathy with the aim and values of the charity.

The day-to-day operational aspect of the charity is delegated to Roy & Lydia Todd the senior pastors.

OBJECTIVES AND ACTIVITIES

The principal objects of the charity are:

- To advance the Christian Faith and the worship of God in any part of the world, including the teaching and training of Christian people and the printing and distribution of the Bible and Christian literature using any form of media.
- To relieve people in any part of the world who are aged or sick or who are in conditions of need, hardship and distress.
- To advance education based on Christian principles.

The main activities are:

- Working with churches and charities in the UK and overseas, to teach, empower and equip people to develop life skills that will help them find employment, a better balance of family life as well as helping serve their communities better.
- Teaching the values of the Christian faith helping build a society that defeats poverty and helps people to live honourable lives that both respect themselves and others.

ACHIEVEMENTS AND PERFORMANCE

From mid-March 2020, The Junction Church moved all its services Online in accordance with the Government guidelines that were put in place. This saw a major shift in the way that the church was run and how the congregation was catered for. Community and working together continued to be high priorities during this time, where many people will have felt isolated, and so The Junction Church worked hard to involve many members of the congregation in 'at-home' participation of the Online Services that were being produced.

The Junction Church worked closely with other local churches and were able to set up a safe, socially distanced recording studio in July 2020, allowing a few members of the team to come and produce online content for both the main services and other shorter videos that could be released during the week to keep the community engaged and encouraged during this difficult season. The Kids Work also moved online during this season, with the Kids Team working hard to create engaging content that would help the kids in the community to have fun from their homes and encourage them during this difficult time. The Kids Team also created and distributed Kids Care Packages with lots of fun games, sweets and materials to keep the children engaged at home.

Pastoral support continued to be a high priority for The Junction Church, and although unable to meet in-person, regular Zoom calls and meetings were arranged to allow people to have a space to get together, chat and pray over the things that were going on in their lives. Life Groups were also continued Online enabling everyone to remain connected in their community even though physically distanced.

Community outreach was forefront for The Junction Church during this season, where it was recognised that the need for support in the local areas was higher than ever. The Junction Church organized Family Care Packages, Christmas Boxes for local children, Christmas Gift Bags for over 6 local Care Homes and each of their residents and also pioneered and delivered over 2500 Wellbeing Boxes for School Children to assist in their transition back into schools in January 2021.

The Junction Church saw a resumption of in-person gatherings across Loughborough, Leicester and Nottingham in September 2020, where it was ensured that all meetings followed strict Covid-robust measures to keep everyone safe. This included introducing a booking-in system, one-way systems within venues, lots of ventilation, sanitiser stations, socially distanced chairs within the auditorium and strict mask wearing for all team and attendees. The Junction Church continued to Live Stream the service online for any of the congregation unable to attend in person during this time.

From December 2020, Pastor Roy took on leadership of The Beacon Christian Centre as part of his role as AoG Area Leader. The Junction Church team played a big role in assisting this congregation in resuming their in-person church services, helping them to put into place all the measure required to be Covid secure. Acting as a bridge between the two congregations, Pastor Roy's leadership has allowed a sharing of resources enabling The Junction Church to use the Office Space located at The Beacon Christian Centre. This asset has further allowed The Junction Church to expand its community outreach within another of the larger, deprived estates in Loughborough.

GLOBAL MINISTRIES

In previous years The Junction Church had been operating under the charity Global Ministries (No. 1128959). From April 2020 after taking advice from solicitors, The Junction Church started to operate as its own CIO (charitable Incorporated Organisation) and Global Ministries reverted to just supporting the evangelistic ministry of Roy Todd. As agreed when separating, £5000 was to be retained by Global Ministries (shown under the operational costs line in the Receipts and Payments accounts) and all other funds and assets was transferred over to The Junction Church.

FINANCIAL REVIEW

The net of receipts and payments for the year are a healthy net surplus of £71,103 on unrestricted funds. Restricted funds net was a surplus of £19,873. Bank balances held at 31 March 2021 were £148,577 held in unrestricted funds and £89,318 held in restricted funds.

RESERVES POLICY

The policy is to hold cash reserves equivalent to six months expenditure. The charity currently holds unrestricted reserves covering 10 months expenditure.

PAYMENTS TO TRUSTEES

Payments made in the year to Lydia Todd in relation to her employment for services provided were £21,495.

This is allowed in the governing document and Charity Commission guidance has been followed.

RELATED PARTY TRANSACTIONS

Payments of £34,673 were made to Roy Todd in relation to employment for services provided, who is connected to Lydia Todd, trustee.

Approved by the trustees on 9th December 2021 and signed on its behalf by:

Independent Examiner's Report to the Trustees of The Junction Church

I report to the trustees on my examination of the accounts of The Junction Church for the year ended 31st March 2021, which are set out on pages 5 and 6.

RESPONSABILITIES AND BASIS OF REPORT

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

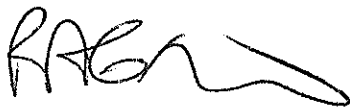

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
