Section C	Objectives and activities
-----------	---------------------------

Summary of the objects of the charity set out in its governing document

Showtime Community Production CIO’s charitable aim is:

The advancement of education in the arts of theatre and theatre production for public benefit by providing opportunities for people in West Bromwich and the surrounding areas to engage with and practice all aspects of theatrical production through the production and presentation of amateur productions.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Our initial activities were to set up, register our CIO with the Charity Commission with the aim of advancing the education of the arts and performing arts and start to develop our policies and procedures.

We secured our Charity Commission registration on 29 November 2019 which enabled us to open our bank account and seek to raise funds for our charity moving forward.

We also started to raise awareness, promote and publicise our charity within our local community to attract participants to our drama sessions, via local publications, community networks and by attending Wednesbury Carnival and Brunswick Park Community Day.

We applied for a Vision 2030 grant from SCVO of £3723.76 prior to our year end to cover our initial running costs so that we would be able to hire a venue and other items to run our drama activities.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:
