

Independent examiner's report to the trustees of New-U Enterprises Ltd a charitable company

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30th November 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. Accounting records were not kept in respect of the Company as required by s386 of the 2006 Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the accounting requirements of s 396 of the 2006 Act other than any requirement that the accounts give a "true and fair view" which is not a matter considered as part of an independent examination; or
4. The accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102)).

I have no concerns and have come across no further matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the account to be reached.

1.2 Going concern

If there are material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern, please provide the following details or state "Not applicable", if appropriate:

An explanation as to those factors that support the conclusion that the charity is a going concern;

It is acknowledged that the COVID-19 Pandemic has created a degree of uncertainty in the Third Sector and also in the retail sector. NEW-U Ltd is however in a strong position to fulfil its primary aims and objectives as there are more young people who are even further away from work and therefore our forecasted financial projections, including grants from funding bodies, maintains a healthy financial position and liquidity. This position, allied to a high level of unrestricted reserves to help support the financial position, means that NEW-U Ltd are a going concern.

Disclosure of any uncertainties that make the going concern assumption doubtful;

Where accounts are not prepared on a going concern basis, please disclose this fact together with the basis on which the trustees prepared the accounts and the reason why the charity is not regarded as a going concern.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

New-U tackles social inequality and climate change initiatives, a powerful and unique combination.

We provide work placements in our unique cashless swap and loan shop in Castle Mall Norwich. The concept allows the wider public to contribute to sustainable fashion by re-using textiles and is the first of its kind in the UK to tackle the two issues simultaneously.

December 2019 to mid-March 2020 12 young people registered for employability support. Our swap shop, where work experience takes place and individualised support is given, closed between 16th March to 1st September due to COVID-19 lockdown. We re-opened in September and October and closed again in November, once again due to a National lockdown.

In January 2020 we launched our first employability workshops 'You've Got This'.

'You've Got This' workshops provide extended support to predominantly young people who are not in employment, education or training and/or at risk of becoming long term unemployed. Typically, this group have been excluded from mainstream education and are disconnected from formal support services. This project aims to remove barriers to participation and increase soft skills through non accredited learning.

These work placements are the start of a long term unemployed person's journey to work and 'You've Got This' offers a series of workshops to further develop their skills and confidence to better prepare them for their next steps and the more formal training courses currently available. The skills and knowledge gained from the workshops help guide and inform them in a peer group setting, learning to recognize their own strengths and place within a team.

Every activity administered by New-U is adapted to the needs of the young person. Our experience shows that listening and believing in the person has an exceptionally high success rate at the start of their journey into work.

New-U Enterprise is an all-inclusive entity. Regardless of culture, wealth or climate change anyone can use the shop and it is recognised as a safe and welcoming place open to all. Those on work placements take pride in knowing the work they are doing is encouraging the wider public to contribute towards reducing textile waste, and is somewhere those suffering from loneliness and isolation can call knowing they will receive a warm welcome.

Between January and December 2019 New-U swapped over 30,000 items of clothing. This equates to a saving on the equivalent newly manufactured and transported items of 9 billion litres of water and 6 million kilograms of CO2.

At the start of this reporting period (November 2019) to mid March 2020 this figure increased by approximately 50% and we anticipated this growth in turnover would continue throughout 2020 resulting in a minimum of 50% higher turnover for the year. Clearly lockdown restrictions and the closing of the shop impacted greatly on this figure.

Our programme of educational and fund raising events for 2020 has been severely curtailed and for safety reasons we ran only a few recycling events this year. However we have successfully fund raised via online sale of excess stock, including a new 50;50 initiative whereby we sell high value items on behalf of the customer and split the proceeds. In addition we involved the wider community in fundraising events such as the London Marathon 2.6 challenge and the AVIVA community challenge. We applied for and have received COVID support grants throughout 2020 which has enabled us to conserve funds in preparation for re-opening and to continue to meet our charitable aims.

A programme of educational and fundraising events is pending and will be rolled out as soon as it safe to do so.

During lockdown free clothes parcels were offered to anyone in need of clothing. When open this continued by the gifting of swap tokens to allow recipients to choose items of clothing from the shop.

The smart clothes loan scheme remains open and applications can be made on-line. This is mostly used for people requiring clothing for interview but the scheme is available for anyone and any occasion.

The small staff team at New-U have remained positive and focussed during a challenging year. They have continued to offer employability support from a distance and to work closely with referral agencies to give guidance and advice that enhances other support services. Our belief is that if we can help tackle the increasing problem of low level mental health issues early on by growing confidence and skills in an actual work place, this will prevent the need for higher level intervention later on.

Section E
