Annual Report for the Period 1st January to 31st December 2024

Chair's Report December 2024

INTRODUCTION

The year January to December 2024, marked the 6th anniversary of the launch of Flintshire City of Sanctuary (FCoS), initially called Synergy. Following the personal challenges of the previous year, this year found us with seven Trustees, and carefully considering the way forward, facing the realities of our size in terms of numbers and, therefore, ability to bring about a change of the narrative surrounding those seeking asylum. FCoS remained thankful for the continued administrative support from Dan Roberts and with our IT & Social Media activities.

FCoS are cognizant of the fact that much more may be achieved by working in collaborative partnership with partner groups with the skills, resources and funding that align with our charitable objects (objectives) to make Flintshire a place of welcome and safety for sanctuary seekers.

As a group we continued our partnership with Theatr Clwyd, (a Theatre of Sanctuary) and Together Creating Communities (TCC), a community organising group based in Wrexham, Ethnic Youth Support Team (EYST) and Flintshire County Council (FCC), though to a much lesser extent with the latter than previously; FCC becoming the primary source of language classes and educational support for adults and school age children alike. The British Red Cross has been an important partner in the past but no longer engages with us. FCoS agreed to continue the Homework Club, via Language for Living (L4L), to provide specific targeted educational support to school age children, especially those about to sit their GCSEs. Our newest Trustee, Helen Papworth, is to be thanked for her work in promoting the subject of Climate Migration, as part of the Welsh Baccalaureate, to 6th Formers of the Alun School in Mold. Despite her very real and commendable efforts for engagement, this work was not able to be replicated within other schools in Flintshire, but the resources that she made remain available for use.

Leyla Beattie, (Regional Coordinator of CoS Wales), has worked alongside us throughout the year and has proved to be an invaluable source of both support and information. Friendly links have also been maintained with Action Asylum based in Liverpool. As Trustees we maintained our very real interest, concern and enthusiasm for all matters relating to those seeking sanctuary. Befriending has remained a pivotal part of our work, following the model agreed in 2023, and has, with our sincere thanks been driven by our Trustee Helen Robinson. It must be said however, that all of the Trustees recognise the value of a kind non-judgemental, sensible friend, a listening friend, someone who can provide practical support to those finding themselves in a strange new place, with its different culture and laws, and the very real impact it can bring to bear upon those trying to successfully make a new life in Wales. FCoS accepts the intrinsic safeguarding responsibilities involved and consequently updated its policy dealing with this issue. Current enhanced DBS certificates were obtained for both Trustees and supporters, as appropriate. An incident within the year necessitated FCoS sourcing information leaflets, in several languages, explaining what a hate crime is and how to seek help if targeted in

this way. We identified ‘signposting’ to the relevant authorities or agencies potentially serious issues and concerns reported to us and our partners/volunteers as something we should very much continue.

In the summer, North East Wales Cohesion Group held a meeting with Community Groups, including FCOS, to discuss the many racist riots taking place. It was at this meeting that North Wales Police outlined and described the measures that had been put in place to protect families and venues used by sanctuary seekers. Sad times.

Following the racist violence in the summer, the increase in general anti-migrant rhetoric and hostility, and how this impacted on people with lived experience in Flintshire, the FCOS Board reflected on our own activities and potential reach. In our Quarter 3 meeting, it was proposed and agreed that we consider merging with one or more neighbouring City of Sanctuary (CoS) group in North Wales to consolidate our capabilities and resources. Contact was made with the Wales Regional CoS Coordinator for advice and members of Denbighshire CoS to explore interest in merging. On 9th December during a round table meeting with Trustees of both groups, all agreed in principle to begin planning to merge in 2025.

ACTIVITIES AND ACHIEVEMENTS

A. EDUCATIONAL SERVICES DELIVERED BY OUR LANGUAGE FOR LIVING (L4L) PROGRAMME

As reported in 2023, FCOS’s L4L programme was been stepped down during 2023 as Flintshire County Council (FCC) and the British Red Cross (BRC) now actively deliver English language classes and support for adults and school-age children. However, a need for less structured and *ad hoc* support with English was flagged this year by some of the Afghan and Syrian women in 2024. We are grateful to the former L4L teachers who now provide this support *pro bono*, with FCOS covering any incurred expenses.

Primary & Secondary Age Students

The homework club to support young people to the age of 16 in English, Maths and Science, and Personal Social & Health Education ceased at the end of the 2023-2024 academic year. However, through the Youth Programme – see below – young people have occasionally reported any concerns or requests for assistance.

B. WIDER FCOS ACTIVITIES TO EDUCATE THE GENERAL PUBLIC, PROVIDE RECREATION AND LEISURE ACTIVITIES, PROMOTE EQUALITY AND DIVERSITY, AND PREVENT AND RELIEVE POVERTY

Throughout 2024, FCOS continued to partner the Ethnic Youth Support Programme (EYST) to deliver a Youth Programme for young people in Flintshire. With the increased number of young people regularly attending Club Time sessions at the RiverDee Centre in Flint, by April it was clear that a larger venue was needed. Following our consultation with FCC’s Young People’s Officer, a new venue was provided and in June the first group session was

held at a centre in Sealand Garden City. A number of trips were also provided during the year – see the list of activities below. The heightened threat of racist violence in the summer meant that some activities, including away trips, were curtailed.

FCOS continues to provide funding for the transport of the young people and supporting family members to the club activities.

Report of 2024 Youth Programme

January

- Having wrapped up 2023 with a well-attended Christmas Disco on Ice and Private Nerf War Session, the New Year programme opened with a 'Walk & Talk' session with 15 young people to Flint Castle on 6th January. The usual club venue at the River Dee Community Church was closed for some renovation work.
- The first collaborative event of the year was a YLab session held in Wrexham with our partners at *Mind Our Futures*. Two young members went to help design their website with 12 other young people from different organisations. Others will be involved in creating a toolkit, planning, and delivering a project to help young people with their mental health and wellbeing and ensure that their voices are heard in the corridors of power.
- At a planning session with *Campfire Cymru*, it was agreed that they would provide three sessions this year and thirteen in 2025, together with skills training for three of our members to become assistant forest leaders.
- Other activities were pinned down within the lead up to to Culture Awareness Days and our podcast/TV chat show in which our members share their journeys.

February

- Support was provided for young people in school.
- The programme leaders met with partners groups in Flintshire and N.E. Wales. The Programme Youth Leader (Les Critchlow-Hughes; LC-H) participated in '*Together Creating Communities* [Main Page | TCC Wales](#) (TCC's)' planning day. TCC will be helping with our new anti-Racist roadshow project with *Diversity and Anti-Racist Professional Learning* (DARPL).
- New links are being made all the time with, for example *Coleg Cambria*, *The Prince's Trust*, and *We Mind the Gap*, thereby enabling co-production, opportunities to upskill and provide new experiences.
- More generally, *Coleg Cambria* is looking ahead to supporting transition for school leavers and open days for our members, and promotion of the club in schools is starting.

March

- It's been an exciting month for us at FCOS-EYST, with increased numbers attending the culmination of our EYST-Urdd competition, trips to Halkyn Wood and Wepre Park, and a new club venue being explored, courtesy of Flintshire County Council.
- One of our members was a Urdd winner for the younger age group and received VIP treatment during the group's visit to the Maes on the 29th.
- More generally, we are exploring new funding opportunities and our work with local schools is increasing all the time, with two planned visits next month and a Zoom call. This will help us support our members better, promote our work locally, provide partnership working opportunities and ensure that transition pathways are robust and inclusive.
- Partnership plans with the *Welsh Rugby Union* (WRU) and *Cricket Wales* focused on developing community coaches within our group are gaining traction. This is helped by having a pitch right next door to our new venue and a large indoor hall, together with a small kitchen, pool table and table football. With three fixed tables, our young people can still pursue their arts and crafts.
- We also had the pleasure of supporting the *Increasing Diversity in Sport in North Wales* networking event earlier this month which re-energised our cricket and college projects, courtesy of *Cricket Wales* and *College Cambria*.

June

- This was another exciting month for us at FCoS-EYST as we settled into our new venue at Sealand, Garden City courtesy of Flintshire Youth Service.
- We were also very busy with meetings and conferences while maintaining support for the families and individuals.
- We have welcomed representatives of North Wales Fire Service who welcomed the input of our members and their families into their 5-purpose plan, thus ensuring sanctuary seekers' voices are heard more widely. We also discussed plans to visit a fire station and centre, enabling our young people to learn about career avenues open to them in fire safety, call centres and support service. Importantly, our older members were also able to try on the uniform.

- At the launch of Refugee Week in Flintshire, we presented at Flintshire County Council's meeting with invited representatives from local groups and organisations in the Council Chambers.
- Further opportunities for our young people included assisting with play groups for newly arrived sanctuary seekers, a cricket project and continued work with the WRU. Generous donations of cricket equipment from *Networld Sports* and a local *Mind our Futures* project supplement the equipment bought for our Wellbeing and Cricket Programme earlier this year were gratefully received and put to good use.
- We've been working more closely with Aura (AURA Leisure & Libraries Ltd.) and the Urdd with upcoming dodgeball and summer camps being planned. Aura have also donated dodgeball equipment and will help with coaching training in rugby and cricket.
- At the DARPL conference, further links were established for collaboration on upcoming projects.
- To end on a musical note, it was great to see our families attend (and dance at) the concert to wrap up FCOS's Refugee Week programme. From this, a summer trip is planned to visit the Asylum Action Merseyside Choir, members of which include sanctuary seekers from all over Africa. Five of our young people will contribute to the Urdd Forum which is focused on ensuring a good governance structure and that the youth offer is accessible, inclusive and sustainable.

September

- Following a temporary cessation of activities due to the antimigrant hostility, we were pleased to get things going again when seventeen of our young people started the six-week young leaders programme delivered by the Welsh Rugby Union. We are looking forward to training some young sports ambassadors and re-engaging with Cricket Wales and Aura cricket and dodgeball.
- It has been necessary to step down to 2-weekly sessions whilst we search for another venue in north Flintshire.
- Four of our young people attended and shared their positive experiences of our Flintshire NEW leaders project, creatively expressing their wellbeing via outdoor *Campfire Cymru* and park sessions at the Wrexham based celebration event. This

was attended by *WCD Young Carers*, *Mind Our Futures*, *Coleg Cambria*, *FCOS* and *EYST* and 100 young people and parents.

- The *Ylab Mind Our Futures* and *Young Carers* group shared their short film relaying young people's experiences of health and wellbeing and gave a short presentation.
- In our 1:1 support role, we were able to assist young people enrol in college and re-engage with schools and college to ensure they all have access to a robust accessible pathway.
- A new initiative to increase young people's employment prospects through volunteering began this month with five young people starting at other organisations to support them and gain new experience.
- One young member met with Sharon Lovell of the *Strategic Implementation Board* on a residential programme facilitated by the Urdd and worked with 23 young people representing a variety of youth work in debating and sharing ideas on how to ensure future youth work is inclusive, accessible and sustainable.
- *North East Wales (NEW) Sports*: Via Wrexham EYST and WICC, our weekly provision has started and is steadily growing with
 - Three sessions at the Wrexham Mosque
 - A football and rugby consultation event Friday with Dave Roberts (WRU), who has regularly worked with us in Flintshire. There is also scope to extend our work to Rhyl and Buckley with Aura, using an engagement model which has been successful in mid-Wales.

- One of youth leaders has arranged dance and fitness sessions in Wrexham for our young people.
- The Wrexham Sports Development Team has kindly offered to provide multi-sports training for our young people.
- Our team was invited to deliver training to the six local authority sports development teams on engaging with sanctuary seekers and minority ethnic young people. This was well received by the 36 attendees who expressed interest in running more family fun days and generally engaging better.
- Importantly, we have seen:
 - an ever-increasing cohort of neurodiverse young people accessing provision and sports
 - more development of pathways for volunteering with *Freedom Leisure* and
 - greater access to sports by ethnically diverse people in North East Wales
- all of which will benefit all our young people and more going forward.

October – December

As part of the NEW Sport EYST project, young people within the ethnic community in Wrexham had the opportunity to participate in a variety of events that promote physical activity and health.

The project included fitness classes for women of different age groups to support their physical and mental health and classes, and also provided a space for all to learn about improving their overall wellbeing. Through this project, *Dance Empire* provided dance classes for girls and became a space for participants not only to learn new steps and

rhythms, but also to express themselves and build self-confidence. These young people are working on preparing a unique performance celebrating and demonstrating their culture to be presented at the EYST Award Ceremony, with further plans to participate at the National Eisteddfod being held in Wrexham in August 2025 [2025 | Eisteddfod](#).

Other positive news to end the year:

- Congratulations to Zaif, our instructor and *WICC* Trustee on the arrival of her beautiful baby girl.
- We have been awarded a grant to upgrade equipment for the club's sports sessions with new mats for jiu-jitsu top of the list.
- Staff have participated in multisport club training at Wrexham University which will benefit the overall .

FCoS will enable and support befrienders with training on safeguarding and cultural and diversity training, and also to reach out to our supporters to help with venues for meetings, as required. However, because of the informal basis of befriending, this is not an FCoS network.

C. TO EDUCATE THE GENERAL PUBLIC ON MATTERS RELATING TO IMMIGRATION AND THOSE SEEKING ASYLUM

In addition to the befriending activities and our group's involvement in partner groups and organisations, the key activities during 2024 that enabled FCoS to communicate with members of the wider community in Flintshire and North Wales revolved around Refugee Week. The hope had been for a week of collaborative, immersive events between Action Asylum, Theatr Clwyd, EYST, FCC and local schools. Unfortunately, a lack of preparation time and a shortage of suitable venues, made this difficult to achieve in the way we had hoped. The focus was to be on educating the community in Flintshire and beyond on the realities of migration and the benefits of diversity. The hope was to have a mix of performances, interactive and/or audiovisual exhibitions and, ideally, planned visits by schools across the county. Despite the hindrances, a programme of varied events was developed and held across the week, the information for which may be seen below. It was pleasing to have the week begin with an event in the County Council Chambers, highlighting the commitment for the Council to be seen as a Local Authority of Sanctuary. The event also involved a presentation from local secondary school children talking on how they were making their school a more inclusive place and one in which racism would not be tolerated.

D. TO PROVIDE RECREATION FACILITIES AND PROMOTE EQUALITY AND DIVERSITY

Many of FCoS activities focus on enabling better integration of refugees and asylum seekers into the wider Flintshire community through social, cultural and sporting opportunities, such as those described above in the Youth Programme and befriending, often enabled by support from or working with our partner groups. Participation by an ethnically diverse group of local secondary school students at the launch event in the County Council Chamber and the joyous concert at Rivertown Church to close our programme for Refugee Week are examples of integrated, family-based events organised and/or supported by FCoS where adults and children with different experiences of seeking sanctuary in Wales came together with a diverse group of longer term residents as members of the North Wales community to join in dancing, music and entertainments.
