

Wark Recreational Charity (WRC) year ended 30th November 2022

The objective of Wark Recreational Charity is to provide sporting, recreational and social amenities and facilities for the village of Wark-on-Tyne and to welcome those rural areas outside the parish to avail themselves of the same.

Like many other organisations WRC's activities were severely constrained by the effect of the sensible and necessary restrictions that had been imposed throughout most of her preceding two years arising from the Covid 19 epidemic.

In an attempt to bolster and stimulate any flagging enthusiasm WRC have:

welcomed a new Cricket team; arranged for five junior football teams and one senior football team. All other facilities such as our club house and childrens' play area were extensively used for the sporting fixtures, wedding and birthday parties as well as memorial events. Music festivals and camping gatherings were also able to feature once more which not only provided those participating with their venue for their social occasions but also helped WRC to address the depleted income stream. Trustees have also embarked upon further fundraising to enable some much needed attention to be devoted to heating and roofing.
