Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

For the public benefit to relieve the needs of people in Salford who experience or who are at risk of experiencing poor mental health, their families, and carers by: providing peer support including a forum for discussion and exchange raising public awareness in all areas relating to mental health working with health providers to promote best practice in mental health treatment and services.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Salford Mental Health Forum is a charity led by mental health service users and carers that is committed to ensuring that people who use mental health services can shape and design them.

We aim to run regular forum meetings for mental health service users to discuss their experiences and give opportunities to feedback and shape public services.

In providing these activities the charities trustees have complied with the duty in section 4 of the Charities Act 2006 and have given due regard to the public benefit guidance published by the Charity Commission.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Salford Mental Health Forum (SMHF) unfortunately had to suspend meetings due to ill health of volunteers delivering the sessions, as a replacement coordinator was not found.

SMHF members have continued to work with other groups to support the mental health of people in Salford.

We aim to have a meeting next year to discuss the future of the organisation.

Section E Financial review

Brief statement of the charity's policy on reserves

The trustees aimed to end the year with free reserves of around £3500. We currently have free reserves of £3866. Due to a fluctuation in income and expenditure over the past three years we decided to set a monetary amount rather than several months operating costs.

This fund acts as a contingency in the event of a sudden reduction in income, to protect the future operation of the organisation from the effects of unforeseen variations in its income and expenditure. It also sets aside seed funding for projects developed by members of the forum to meet the charitable objectives of the charity for the benefit of the public.

Details of any funds materially in deficit

In providing these activities the charities trustees have complied with the duty in section 4 of the Charities Act 2006 and have given due regard to the public benefit guidance published by the Charity Commission.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Salford Mental Health Forum (SMHF) meetings continued to be delivered predominantly online. We unfortunately had to suspend the meetings towards the latter part of the year due to ill health of volunteers delivering the sessions.

We have reacted to member engagement sessions to develop an understanding of the needs of our members and are working together to design next year's program of events.

SMHF members have also engaged with other groups and organisations to develop joint working programmes that will develop a sustainable future for the organisation.

Section E Financial review

Brief statement of the charity's policy on reserves

The trustees aimed to end the year with free reserves of around £4000. We currently have free reserves of £4272. Due to a fluctuation in income and expenditure over the past three years we decided to set a monetary amount rather than several months operating costs.

This fund acts as a contingency in the event of a sudden reduction in income, to protect the future operation of the organisation from the effects of unforeseen variations in its income and expenditure. It also sets aside seed funding for projects developed by members of the forum to meet the charitable objectives of the charity for the benefit of the public.

In providing these activities the charities trustees have complied with the duty in section 4 of the Charities Act 2006 and have given due regard to the public benefit guidance published by the Charity Commission.

Section D Achievements and performance

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Salford Mental Health Forum (SMHF) meetings have continued to be delivered predominantly online following the pandemic.

SMHF members have met and spoken about their experiences, making suggestions about shaping the future of mental health services in Salford. We have also offered engagement opportunities to members for specific services at local events and consultations.

The trustees took the difficult decision not to continue the peer support project as, post Covid Pandemic, we need to enhance our structure before expanding the services we offer.

We have engaged members to help set the future direction of SMHF and are currently in the process of recruiting new members and trustees to enable us to deliver the next stage of SMHF's journey.

Section E Financial review

Brief statement of the charity's policy on reserves

The trustees aimed to end the year with free reserves of around £4000. We currently have free reserves of £4668. Due to a fluctuation in income and expenditure over the past three years we decided to set a monetary amount rather than several months operating costs.

This fund acts as a contingency in the event of a sudden reduction in income, to protect the future operation of the organisation from the effects of unforeseen variations in its income and expenditure. SALFORD MENTAL HEALTH FORUM

Report of the trustees for the period 6th December 2019 to 31st December 2020

The trustees present their annual report and financial statements of the charity for the period ended 31st December 2020. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland published (FRS 102) (effective 1 January 2019).

Objectives and activities

The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Charity's aims and objectives, in planning future activities, and setting the policies for the year.

Salford Mental Health Forum is a charity led by mental health service users and carers that is committed to ensuring that people who use mental health services are able to shape and design them.

We ensure that mental health service users and carers to:

- Have their say about their own experience
- Feedback what is working or not working
- Be part of designing better services
- Find out how to get better support

We host a regular monthly forum, run special events throughout the year, offer peer support service and our volunteers help coproduce services in Salford.

A review of our achievements and performance: How our activities delivered public benefit

Unfortunately, lockdown during Covid prevented face to face monthly meetings and subsequent activities. However, monthly on-line forums were set up offering 12 monthly sessions supporting the local community by discussing mental health and providing mindful wellbeing sessions.

Financial review

The charity received only one grant during this period.

Investment powers and policy

The charity is aware of the need to have an investment policy but doesn't have one at present.

Reserves policy and going concern

The balance held in unrestricted reserves at 31st December 2020 was £nil.

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that support and governance costs are covered.

The Charity's main source of income is grants. The Trustees consider that it is appropriate to prepare the accounts on a going concern basis and, consequently, the accounts do not include any adjustments that would be necessary if these sources of income should cease.

SALFORD MENTAL HEALTH FORUM

The Charity's main source of income is grants. The Trustees consider that it is appropriate to prepare the accounts on a going concern basis and, consequently, the accounts do not include any adjustments that would be necessary if these sources of income should cease.

Risk management

The trustees have conducted a review of the major risks to which the charity is exposed and systems have been established to mitigate those risks.

Plans for Future Periods

Delivering on the National Lottery Grant, Mental Health Change Makers. Due to Covid restrictions, the National Lottery have granted Salford Mental Health Forum a new deadline with the project commencing 1st June 2022. The grant is to recruit and train 20 volunteers to find activities to support change in the mental health systems. Also to employ a staff member for 2.5 days a week to support the volunteers and programme.

Structure, governance and management

The Charity is a registered charity (CIO) and is constituted under a trust deed dated 22nd November 2019.

SALFORD MENTAL HEALTH FORUM

Trustees responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting principles and then apply them consistently;
- Observe the methods and principles in the applicable Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis unless it is appropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provision of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 29th March 2022 and signed on their behalf by:

Vania Burnell
CHAIR of TRUSTEES

**INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF
SALFORD MENTAL HEALTH FORUM
REGISTERED CHARITY NO. 1186806**

I report on the accounts of the charity, for the Period 6th December 2019 to 31st December 2020, which are set out on pages 6 to 15.

Respective Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity is preparing accrued accounts and I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

It is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention.

Basis of Independent Examiners Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out below.

Independent Examiner's Statement

In connection with my examination, other than listed below, no matter has come to my attention :
(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records have in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act,
- have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

During this accounting period, four volunteers were paid for their time and/or services. This amounted to £6,845. The trustees have been informed that volunteers may only be reimbursed for their expenses as volunteers and that these payments should have been treated as wages. One of the volunteers was also a trustee. The payment to this individual amounted to £3,470.00, as disclosed in note 2 to the accounts.

Signed: A.M. King

Increase/(decrease) in cash and cash equivalents during the year	(3,668)
Funds from pre-Charity Registration	9,985
Cash and cash equivalents brought forward	-
Cash and cash equivalents carried forward	6,317

Notes to the accounts

1. Accounting policies

(a) Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

(b) Funds structure

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. There are 2 restricted funds.

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have created a fund for a specific purpose.

Further details of each fund are disclosed in note 17.

(c) Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

(d) Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (f) below.

(e) Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

(f) Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to independent examination and legal fees together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on type of expense. The allocation of support and governance costs is analysed in note 8.

(g) Costs of raising funds

The costs of raising funds consists of events and activities and marketing.

(h) Charitable Activities

Costs of charitable activities include governance costs and an apportionment of support costs as shown in note 7.

(i) Tangible fixed assets and depreciation

All assets costing more than £500 are capitalised and valued at historical cost.

(j) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their varying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

(k) Pensions

The charity currently does not administer contributions to a pension scheme on behalf of individuals.

(l) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

(m) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

2. Related party transactions and trustees' expenses and remuneration

Other than disclosed below, the trustees all give freely their time and expertise without any form of remuneration or other benefit in cash or kind. Expenses paid to the trustees in the year totalled £nil.

Trustee Daniel Stears was paid £3,470 for volunteer expenses in this period.
