Objectives and Activities

a. POLICIES AND OBJECTIVES

The Church has from time to time undertaken the relief of persons who are in conditions of need, hardship or distress or who are aged or sick and will continue to do so.

Our plan is to continue to reach out to more people from different ethnic backgrounds through our various activities and to increase our membership. The growth of the church will enable it to acquire resources that could be used to achieve the aims and objective of the church.

b. ACTIVITIES FOR ACHIEVING OBJECTIVES

Achievements and performance

The Church was recently registered and activities were limited to meetings for Services. We will continue to support other charities, train our members and reach out to the general public through our support to our local community events and other initiatives.

a. GOING CONCERN

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.
