## Section D

## Achievements and performance

### Summary of the main achievements of the charity during the year

Our operations have been streamlined to mainly virtual services and occasionally providing hands-on work where absolutely necessary using our volunteers. However, we have been able to setup some structures to help us proceed with our objectives in the new year.

Our intensive research within the Rotherham area has led opened new ideas and opportunities of how best to provide bespoke services for the community. Our new findings will provoke change within Rotherham.

We are looking forward to some work in this new financial year hoping to apply for funding and execute projects to help young people and their communities.
