HARROGATE TOWN AFC CIO

Trustees' Annual Report For the year ended 30 November 2023

Introduction

Throughout 2022-23 Harrogate Town AFC CIO continued to build its presence in the community engaging with more schools, community groups and funding partners. We continued to deliver services, targeted towards our main strategic objectives of activity that promotes physical and mental wellbeing, creating stronger, safer, more connected communities and enhancing life chances. The Charity has worked closely with the club to engage younger fans and to make the club as a whole a more inclusive environment for all the communities of Harrogate.

Our key partnership with Harrogate Town AFC continues to go from strength to strength, with Harrogate Town AFC CIO being the affiliated Charity to the football club. This means we are able to use their sporting brand to enhance and elevate our activities. The partnership gives us an opportunity to deliver bespoke projects using the clubs facilities and also provides the club an opportunity to reach further into our schools and communities via the Charity staff.

Harrogate Town AFC maintained their English Football League status enabling our opportunities with English Football League Trust (EFLT), Premier League Charitable Fund (PLCF), Professional Footballers' Association (PFA) could continue to grow and develop. By staying in the football league there are additional funding opportunities available which we have been exploring as a Charity.

Overall the past year has been one of growth and successful engagement within our local community and beyond.

Achievements and Performance

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning future activities.

We have built a qualified and experienced school sports team, to ensure the quality of our schools delivery programme. These coaches not only deliver high level PE and After School Clubs but they work with local teachers to develop them in delivering meaningful PE lessons as part of our Primary Stars provision.

We also have delivered a range of social inclusion initiatives to support vulnerable groups in the community tackling key areas such as isolation, mental health and inactivity.

Activities

We have continued to work towards the 'charities strategy 2020-2023' which outlined the challenges locally and supported our understanding of how we can have an impact in the local area. The strategy outlines our 5 strategic aims:

- Building our capability
- Growing our Charity
- Delivering change
- Demonstrating the value and impact we make
- Raising our profile

In addition we also engaged a further 8 schools within Harrogate & District who either took part in our 'Active October' initiative or we worked ad hoc delivering assemblies around current topical issues, interventions and traditional afterschool club provision.

- **Community Development**

Matchday experiences at Harrogate Town AFC continue to be offered and provided for all match days. Staffing

Throughout 2023 our staffing structure remained consistent, in line with the needs and requirements of funding grants and contracts in place.

Volunteers

Alongside employed members of staff, the Charity works with a handful of volunteers to ensure the co-ordination and delivery of the programmes listed above. Volunteers have specific role descriptions, have inductions and receive training relevant to their roles.

If a voluntary role is required, this is signed off by Trustees and then communicated through social media, traditional media and also through stakeholder links.

Both staff and volunteers complete DBS certification and are signposted to all Charity policies before they commence their roles.

PUBLIC BENEFIT

The Trustees have complied with their duty under the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission for England and Wales.

FINANCIAL REVIEW

The total income for the year was £298,821 (2022: £253,455). Most of the funding came from earned income and grant funding, with the rest coming from donations. All funding received has enabled service delivery and organisational running to provide vital support for our service users.

The expenditure over this period was £256,155 (2022: £295,793).

The net income for 2022/23 is £42,666 (net expenditure for 2021/22 is £42,338) and total funds carried forward as at 30 November 2023 were £56,919.

Reserves Policy

Total funds held at 30 November 2023 were £56,919 (2022: £14,253) including restricted funds of £1,605 (2022: £1,605) and unrestricted general funds of £55,314 (2022: £12,648).

There were no designated funds at 30 November 2023 (2022: £nil.)

The Charity's free reserves policy aims to cover operating and essential costs of the Charity for a set number of 3 months. The reserves policy is reviewed annually, with the relevant free reserves target being £64,039 for 2023.

Free reserves at the balance sheet date were £55,314 (2022: £12,648). The Trustees are aware that the Charity's reserves will need to increase as the charity increases in size and they have put strategies, including increased fundraising, in place to ensure the reserves keep up with the expanding cost base.

PLANS FOR THE FUTURE

The future of Harrogate Town AFC CIO is committed to continuing to develop our effort through our key work areas. We want to use the power of football and Harrogate Town AFC's brand to positively impact our community and increase our ability to do this. We will need to increase our resources, capabilities and reputation in order to continue to grow our work. These are our challenges that both the Trustees and staff are willing and hopeful to meet.

During the year we have carried out a wide range of activities and plan to grow and expand in these areas:

- **Matchday and Community Engagement**
The Charity works with Harrogate Town AFC to provide matchday community experiences, like flag bearing and mascots. Our furry mascot Harry Gator also looks to engage with young fans/supporters. We intend to evaluate & propose a new way of working with the club which will be enable match day activities to become more financially viable for both club & CCO.
- **NCS (National Citizen Service)**
There is some uncertainty within the NCS Programme as to how the model will continue to be deployed moving forward after the completion of Autum activities, which have to be finished by December 2022. Once we have an update we will be able to review our position and make informed decision on how to proceed.
- **PE and School Sport - Premier League Primary Stars (PLPS)**
Our schools programme has been supported by PLPS, inspiring primary school children to be active, learn new skills and also take part in physical activity. Schools also got a chance to enter local competitions and represent Harrogate Town AFC in regional competitions. Teachers were upskilled and schools have benefitted from our expert coaching and mentoring. We hope to be able to access an increased funding model moving forward alongside increasing the number of school we deliver our programmes to.
- **Futsal**
Our futsal programme expanded this year, with an additional U12 age group being added to the existing U8s & U10s. Delivered by Community staff the sessions saw an increase of players attending overall across the year.

HARROGATE TOWN AFC CIO

Trustees' Annual Report For the year ended 30 November 2023

- **Health & Well-being**

We would like to increase the number of intervention opportunities provided for local residents with the aim to reduce social isolation and provide opportunities for healthy activities alongside social mixing.

- Walking Football Programme now has 80 members with 65-70 people engaging weekly with the sessions & league fixture opportunities. We would like to see an increase in our offer of Men's mental health provisions and add to our walking football offer by expanding the area we work within & introduce a women's sessions within the next 12 months.
- Sporting Memories continues to run and we will review these sessions and how we can grow & refine the service on offer as well as looking to add local partners and funding opportunities.

- **Inclusion**

Our inclusion programme is something that we would like to build back up again and will look to apply for various funding opportunities locally and nationally to enable us to deliver this valuable work within Harrogate & District.

Independent Examiner's Report to the Trustees of Harrogate Town AFC CIO

I report to the Trustees on my examination of the accounts of the Harrogate Town AFC CIO (the Charity) for the year ended 30 November 2023.

This report is made solely to the Charity's Trustees, as a body, in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity, the Charity's members as a body and the Charity's Trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the Charity Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
