Achievements and Performance

	SORP reference	<p>We were given charitable status as a CIO in December 2019 and started with no funds. We first established a bank account with the Charities Aid Foundation and a charity account with PayPal to facilitate incoming donations. Trustees deposited the required initial funds. These were in place by end July 2020.</p> <p>The trustees' next task was to plan the publicising of the Charity's existence to fellow members of the Awakened Heart Sangha. We set up a website and formally launched at the online AHS "Gana Gathering", to make our function clear to the key committed members of the Sangha. Donations and standing orders have since been received from sangha members.</p>
--	----------------	---

		By the end of the financial year, we had money in the bank but had not yet received a formal application for a grant.
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	In this difficult year when meetings in person have been constrained, it has taken some time to make our modest and widely geographically distributed Buddhist community aware of the aims of Sustain and to establish some financial footing from which we could aspire to offer grants. Though (as of end April 2021) we have not yet had any formal applications, we have received some preliminary enquiries and anticipate receiving requests and being able to make some grants in the coming months.
