OUR VISION, PURPOSE & VALUES

A KINGDOM MINISTRY THAT SUPPORTS AND ENCOURAGES THE CHURCH IN THE DARKEST PLACES

Our goal is to advance the Christian faith across the world as God directs us and gives us opportunity.

The work of Rhea Ministries is founded on relationship to ensure that the work we do has ongoing and lasting impact.

We believe that the gospel is declared through the proclamation of the Word of God and through the love and care we show to others. We fulfil this call by teaching the Word and caring for those in need through the relief of poverty, the provision of education, training, healthcare projects and other support that enables individuals to live free and self-sufficient lives.

INCOME AND EXPENDITURE HIGHLIGHTS

In 2024/25, both income and spending on charitable activities decreased

INCOME: £159,138 to £152,772

EXPENDITURE: £165,410 to £158,921

There was a deficit in the year of £6,148.94. This deficit was covered by previous reserves.

Unrestricted cash reserves held at the year-end amounted to £655.49.

£68,934 was sent directly to projects in Pakistan

£71,527 was spent on pastoral and administrative support for these projects

OUR GLOBAL REACH

The goal of Rhea Ministries is to support the global church. This could be on our doorstep or the other side of the world. We seek God for open doors where we can genuinely partner with people. Our resources, both in terms of personel and finances will always limit our reach, but we also believe that God will abundantly provide for all that He calls us to do.

In this year we expand our impact to India.

RHEA:HOPE

Project Exodus

Rhea Ministries continues to support this important work of releasing families from slavery in the brick kilns of Pakistan.

The work involves identifying the family, paying the release price, finding them a place to live and providing them a way of making a living.

In 2024/25 we were able to release 9 families.

An important part of the work is also how we integrate the freed family into a local church community, and to provide ongoing pastoral support to help them adjust to this new life. This support can go on for many years, so part of the work of Project Exodus is developing the team that can provide this.

RHEA:HOPE

New Hope Public School

We continue our work with this school in the Thar desert in the Sindh Province of Pakistan. It is a school for the marginalised and persecuted Hindu Community there. The Hope for the Nation School provides a good education to 130 Hindu children, whilst raising awareness in the local community of the importance of education.

We continue to build a strong team of teachers and administrators to support the school and are looking to God for opportunities to increase the impact of this work.

RHEA:FAITH

Pastor Support Programme

In February 2025 we were able to support a team to visit Kolkata, India, where they worked with a local church network to run a Pastors' Conference and to visit three villages to run a ministry and feeding programme for the local community.

The communities visited are quite remote and deprived, so being able to bless them with the gospel and some food is our privilege.

The support from Rhea Ministries helped to fully fund the conference for around 60 pastors and to bless them with a small gift. We believe this work is so important in encouraging the work of the church in India and to help disciple believers.

It was a great opportunity for the team also with two younger members who had never been on a trip like this before.

As part of the ongoing work in Pakistan we continued to support Pastors and churches through pastoral care and financial provision. This also included feeding programmes at key points of the year.

RHEA PARTNERSHIPS

An important part of the work of Rhea Ministries is how we connect with other groups and churches to support the ministry and jointly build the Kingdom of God.

In 2024/25 we were able to continue to build relationships across the US. In particular in Kentucky and Florida.

This partnership has led to the Pastors of Bridge Church, Bradenton Florida coming to speak to the inaugural Rhea:Life conference in September 2025.

We were also able to connect with the ARC (Association of Related Churches) Network when Pastor Kenny was able to attend their conference in Dublin, Ireland. This was a great opportunity to develop relationship that we hope will benefit the Kingdom in the future.

STRATEGIC OBJECTIVES 2025/26

Our key goals for the coming year:

- To increase support in order to free more families from slavery in Pakistan.
- Host the first Rhea:Life Conference in September 2025 in Oakhampton, Devon.
- Develop the operational side of the organisation
- Look into the potential of developing new schools in connection with New Hope Public School
- Develop the Child Sponsorship Programme for New Hope Public School
- Investigate solutions for a home base for Rhea Ministries in the UK

The trustees present their report and accounts for the year ended 31st May 2024. The trustees have opted, under section 133 of the Charities Act 2011 ('the Charities Act'), to prepare receipts and payments accounts

Objectives and Aims

1. To advance the Christian faith in such parts of the United Kingdom or the world as the Trustees may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of the charity.
2. The prevention or relief of poverty in such parts of the world as the Trustees may from time to time think fit by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.

Summary of main activities

Public benefit

The trustees have read and given due regard to the guidance issued by the Charity Commission on public benefit.

Charitable activities

Project Exodus

Through Project Exodus the charity has been able to provide freedom from slavery for eleven Christian families in Pakistan. These families have not only been given freedom, but have also been assisted in gaining a home, earning an income, and becoming part of the community. Upon release, the families have been provided with the resources to earn a sustainable income immediately. Through the Project Exodus follow-up programme the rescued families have been able to integrate themselves into local churches and communities.

Hope for the Nation School

We have continued our "Hope for the Nation School" in the Thar desert in the Sindh Province of Pakistan. It is a school for the marginalised and persecuted Hindu Community there. The Hope for the Nation School provides a good education to 130 Hindu children, whilst raising awareness in the local community of the importance of education. This year, one of our missionary couples has moved to the Thar desert to serve full-time by running and teaching at the school. Additionally, help has been provided to purchase property for the school.

Pastors Support Program

The Charity has been able to provide regular financial support to 4 Pastors in Pakistan who are living in rural and challenging conditions. In helping the pastors to meet their needs they are able to reach the unreached with the good news and gospel, advancing the Christian faith in harsh and difficult areas.

The Pastor Support Programme provided special assistance during the very harsh economic crisis in Pakistan, and provided much-needed help to 153 additional Pastors and Christian workers, along with their families.

Scholarships for Students

We provided scholarships to 2 students. Two student nurses were provided with much-needed scholarships, enabling them to study and provide care for communities in one of the harshest, remote desert regions of Pakistan.

Food Parcels

Food parcels were provided to poor and persecuted Christians during the Christmas period, ensuring they had enough to eat and allowing them to share in the joy of Christmas. These food parcels targeted some of the most remote areas of Pakistan, especially focussing on the Thar desert.

Financial review

There was a deficit in the year of -£6,744.15. Donations were £159,138.71 and expenditure was £165,410.03.

Unrestricted cash reserves held at the year-end amounted to £6,804.43.

Reserves policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the Charity should be approximately three months of the resources expended. At this level the trustees feel that they would be able to continue the current activities of the Charity in the event of a significant drop in income.

The trustees present their report and accounts for the year ended 31st May 2022. The trustees have opted, under section 133 of the Charities Act 2011 ('the Charities Act'), to prepare receipts and payments accounts

Objectives and Aims

1. To advance the Christian faith in such parts of the United Kingdom or the world as the Trustees may from time to time think fit and to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of the charity.
2. The prevention or relief of poverty in such parts of the world as the Trustees may from time to time think fit by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.

Summary of main activities

Public benefit

The trustees have read and given due regard to the guidance issued by the Charity Commission on public benefit.

Charitable activities

Project Exodus

Through Project Exodus the charity has been able to provide freedom from slavery for nine Christian families in Pakistan. These families have not only been given freedom, but have also been assisted in gaining a home, earning an income, and becoming part of the community. Upon release, the families have been provided with the resources to earn a sustainable income immediately. Through the Project Exodus follow-up programme the rescued families have been able to integrate themselves into local churches and communities.

Hope for the Nation School

We have continued our "Hope for the Nation School" in the Thar desert in the Sindh Province of Pakistan. It is a school for the marginalised and persecuted Hindu Community there. The Hope for the Nation School provides a good education to 130 Hindu children, whilst raising awareness in the local community of the importance of education. This year, one of our missionary couples has moved to the Thar desert to serve full-time by running and teaching at the school. Additionally, help has been provided to purchase property for the school.

Pastors Support Program

The Charity has been able to provide regular financial support to 12 Pastors in Pakistan who are living in rural and challenging conditions. In helping the pastors to meet their needs they are able to reach the unreached with the good news and gospel, advancing the Christian faith in harsh and difficult areas.

The Pastor Support Programme provided special assistance during the very harsh economic crisis in Pakistan, and provided much-needed help to 153 additional Pastors and Christian workers, along with their families.

One-time financial help was also provided to Pastors in India and the Philippines.

Scholarships for Students

We provided scholarships to 12 Bible-college students. Two student nurses were provided with much-needed scholarships, enabling them to study and provide care for communities in one of the harshest, remote desert regions of Pakistan.

Food Parcels

Food parcels were provided to poor and persecuted Christians during the Christmas period, ensuring they had enough to eat and allowing them to share in the joy of Christmas. These food parcels targeted some of the most remote areas of Pakistan, especially focussing on the Thar desert. A total of 890 food parcels were delivered during the Christmas season.

Financial review

There was a deficit in the year of £1,646 (PY: Surplus £7,524) Donations increased to £142,481 (PY: £130,906) whilst expenditure increased to £144,127 (PY: £123,382)

Unrestricted cash reserves held at the year-end amounted to £5,878 (PY: £7,524)

Reserves policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the Charity should be approximately three months of the resources expended. At this level the trustees feel that they would be able to continue the current activities of the Charity in the event of a significant drop in income.

Achievement and Performance

Charitable activities

Project Exodus

Through Project Exodus, the charity has been able to provide freedom to 10 Christian families from slavery in Pakistan. These families have not only been brought to freedom but help was provided to rehouse them and to ensure that at least one member had enough resources to set up in business. This would then ensure that a regular income was gained to sustain all of the family so they could provide for themselves. Through the Project Exodus follow up program the rescued families have been able to integrate themselves into local churches and community.

Hope for the Nation School

We have been able to start "Hope for the Nation" school for the marginalized and persecuted Hindu Community in Thar desert located in the Sindh Province of Pakistan.

Hope for Nation School is providing good, regular and necessary education to 130 Hindu Children. The school is helping the local community by raising awareness to understand the importance of education of their children.

Pastors Support Program

The Charity has been able to provide regular financial support to 7 Pastors in Pakistan from difficult rural areas.

In helping the pastors meet their needs by supporting themselves, they have, in turn been able to reach the unreached with the good news of the gospel, advancing the Christian faith in harsh and difficult areas of Pakistan.

The Pastor support program provided special assistance during Covid-19 helping an additional 43 Pastors with financial help and enough sustenance to maintain them during a particular harsh time.

Additionally, one-time financial help was provided to Pastors in Tanzania, India and Bulgaria who similarly were struggling due to the pandemic.

Scholarships for Students

We provided scholarships to four students in total. Two of the students were provided with these much-needed scholarships enabling them to study in boarding school while their parents were able to continue their work as missionaries in remote parts of Pakistan. Two bible college students were provided scholarships in order to further their theological training.

Food Bags

Food bags were provided to poor and persecuted Christians during the Christmas period enabling them to be able to share in the joys of the Christmas and have enough to eat.

During the covid-19 Pandemic, food bags were provided to the most harsh and remote locations in Pakistan. From the plains of the Punjab province through to the Sindh interior and in to the heart of Thar desert, 790 food bags were delivered and handed out to those that were most in need.

Financial review

Unrestricted cash reserves held at the year-end amounted to £ 4,038.

Reserves policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the Charity should be approximately three months of the resources expended.
