Trustee Report

Charity law requires the trustees to prepare statements of accounts for each financial year. In preparing those financial statements the trustees are required to:-

- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the ongoing concern basis unless it is inappropriate to presume that the trust will continue to operate.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with 'The Charity' (Accounts and Audit) Regulations 1995.

Trustee Message

We are happy to share our annual report for the Breman Africa Youth Foundation. It's been a year of growth and impact. Thanks to a generous donation, we were able to send a shipment of clothes, dried food, books, and more to the Kumasi Children's Home. Another key activity was the shipment of medical books to Komfo Anoyke Teaching Hospital. Both donations were warmly received and acknowledged.

Together, we've stayed true to our mission of developing the learning and development of youth and young adults in Breman and surrounding areas. We've made a real difference, but there's still much to do—and we're excited to keep moving forward.

A huge thank you to all our trustees, donors, and supporters for their time and generosity. We look forward to continuing this journey together in the year ahead.

Signed on behalf of the trustees:

Trustee Message

In March 2023, Rachel, Audrey and Susan welcomed Robert as the newest trustee for the charity. There was a short period of inactivity, whilst the trustee recruitment was taking place. All trustees are now enthused and looking forward to organising charity activities in the future.

Whilst there has been no change in charity income in 2023, patrons have donated clothes and books which we have been able to send to a local school in Breman, this has been gratefully received.

Accounts

Hi Farroukh,

Following our conversation on Friday, I can confirm that for the Breman Africa Youth Foundation annual accounts there was no income received for the years ending 31.12.2022 and 31.12.2023. We did not have any outgoing expenses during these years.

Our accounts have remained the same at £34.10.

However, this year we are opening a bank account with the co-operative bank and with our newly appointed trustees we have plans for fundraising. Our charity operations were greatly affected by the pandemic and a change in trustees.

Many Thanks

Rachel

I can confirm that from 31st December no charitable activities for BAYF have taken place due to recruiting for new trustees and ill health of one of the trustees. Therefore no income or expenditure for the charity funds.

Please can you process our charity annual return.

Many Thanks
