**Trustees acting during the year**

A list of the trustees of Falcon Rowing and Canoe Club is given at the end of the trustees report.

**Structure, Governance and Management**

The charity is a Charitable Incorporated Organisation and is generally governed by the rules and regulations of the Charity Commission. The Charity also has its own constitution, the decisions and responsibilities which are taken by non-paid Trustees.

The trustees meet at a formal meeting at least quarterly. Trustees are usually appointed for a period of three years and can be re-appointed twice. The number of Trustees will be no less than 5 and no more than 12.

**Objectives, activities and public benefit**

The Charity supports rowing and kayaking activities to local community groups within Oxford. We provide rowing, Kayaking and canoeing facilities to the general public for the benefit of those who by reason of their youth, age, infirmity, disability or social and economic circumstances have need for such facilities.

To provide assistance in the organisation or provision of facilities to education providers to enable pupils to take part in rowing, sculling and canoeing activities.

The trustees have reviewed the Charity Commission's guidance to report on public benefit and the Charity's aims and objects are consistent with this guidance. All the activities undertaken during the year were for public benefit.

**FALCON BOAT CLUB  
TRUSTEES REPORT  
YEAR ENDED 31 AUGUST 2021**

**Achievements, performance and looking ahead**

The Trust has provided and aims to ensure continued provision of canoeing and kayaking facilities for those in the Oxford area who are in education and wish to learn these skills and would benefit from it.

With planning permission and construction well underway the Charity has clear financial objective in raising sufficient funds to meet the ongoing building costs.

The charity has gift aid in place and continues to make grant applications.

**The future**

Falcon was founded in 1869, which makes it one of the oldest rowing clubs in Oxford. Throughout its history, the Club has provided a place for local men and women to come together, make friendships, learn new skills and keep fit. In recent years the club has grown enormously with the membership spread across a wide age range and now the rowers have been joined by kayakers and canoeists. For the last 60 years our boathouse has been a one-storey wooden building. This is no longer large enough to support club activities and the building has gradually fallen into a dilapidated state. We have started an exciting project to build a new boathouse which will completely rejuvenate the club. The new building will provide increased boat storage, better changing facilities and important space for social gatherings and exercise. Membership is at an all time high of approximately 500 so the future is looking very good. Our aim is to continue to give members of the local community access to an active lifestyle through watersports. The new boathouse will enable us to offer year-round sporting programmes with a mixture of land-based and water-based activity. We hope to build on our community engagement, working with local schools, disability groups and increasing participation of ethnic-minority groups.

**Results for the year**

The results for the year are contained in the accounts attached to this report, and have been approved by the trustees.

**Policy on reserves**

**Scope, Definition and Purpose**

The trustees have reviewed the charity's reserves policy to ensure it complies with the guidance issued by the Charity Commission.

Reserves are held by the charity to cover the day to day running costs can be met in the coming year to ensure continuity of service to its members and service users.

**Policy aims**

The trustees believe that this level of reserves is prudent and necessary to ensure that the club can run efficiently and meet future needs.

General contingency reserves to cover costs of replacement equipment and unforeseen maintenance costs of the building and the equipment.

**FALCON BOAT CLUB  
TRUSTEES REPORT  
YEAR ENDED 31 AUGUST 2021**

**Policy aims continued...**

In the event of the reserves falling significantly below the target level, the trustees will aim to restore the reserves as soon as possible by increasing fundraising and possibly, increasing fees.

The trustees will not, however, take any steps that might call into question the ability of the Club to continue as a financially viable operation in the long term.

**Risk management**

The trustees understand their responsibility for monitoring and controlling the financial and operational risks to which the charity is exposed to.

**Statement of Trustees responsibilities**

The trustees are responsible for preparing the trustees annual report and the financial statements in accordance with applicable law and United Kingdom Accounting standards (United Kingdom Generally accepted Accounting Practice)

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at the time the financial position of the charity to ensure that the financial statements comply with the Charities Act 2011 and FRS102 SORP.

**INDEPENDENT EXAMINERS REPORT TO THE TRUSTEES OF  
FALCON BOAT CLUB  
YEAR ENDED 31 AUGUST 2021**

We report on the accounts of the charity for the year ended 31 August 2021, which are set out on pages 6 to 9.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**FALCON BOAT CLUB  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED 31 AUGUST 2021**

**1. Statutory information**

Falcon Boat Club adopted Charitable Incorporated Organisation status on 12 December 2019. The charity's number and address can be found on the charity information page.

**2. Accounting policies**

**Basis of preparation**

The charity constitutes a public benefit as defined by FRS 102. The financial statements have been prepared in accordance with the Accounting and reporting for Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 (as updated by Bulletin 1 published on 2 February 2016), (Charities SORP FRS 102), the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015. The financial statements have been prepared under the historical costs convention and give a true and fair view.

**Income**

All income is included in the statement of financial activities when the charity is entitled to the funds and they can be measured with some certainty.

All donations grants and other incoming resources have been accounted for gross and receivable as long as they are capable of financial measurement. The value of services provided by volunteers has not been included.

**Tangible fixed assets**

Depreciation is provided at the following rates in order to write off each asset over its estimated useful life.

Plant and machinery	10% straight line
Fixtures and fittings	25% straight line

Freehold property is not depreciated as the trustees do not believe the value to be materially different from cost.

**Government grants**

Government grants are recognised when there is reasonable assurance that the entity will comply with the conditions attaching to the grant and the grant will be received. Grants relating to revenue are recognised in income on a systematic basis over the periods in which the entity recognises the related costs for which the grant is intended to compensate

**Going concern**

At the time of approving the financial statements the trustees have reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future.

The trustees continue to adopt the going concern basis of accounting in preparing financial statements.

**Financial Instruments**

The charity only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade debtors, other debtors, trade creditors and other creditors.

**FALCON BOAT CLUB**
