### **AIM AND OBJECTIVES**

Our aim is to bring more people to Christ and follow in the steps of our Lord Jesus Christ, we allow the public to benefit from all of our Activities.

We create Evangelism and other Social events in our Community.

We allow the general public to benefit from all our Activities.

We aim to create an impact in our Community.

We also aim to help the less privilege people in the Community especially the homeless and Needy.

### **ACTIVITIES**

We worship every Sunday and do other weekly programs on Zoom due to COVID-19 restrictions.

We did our individual Evangelism in order to enable more people to join the church to worship.

### **ACHIEVEMENTS AND PERFORMANCE**

The year 2020 has not been an easy year with COVID-19 and lock down restrictions, we were able to donate some food Stuffs to the struggling families doing the year 2020.

We also provided counselling to the members of the church and community doing the COVID-19 restriction. On our Social Responsibility side we helped the community by picking up litter and cleaning part of the environment.

We also did individual evangelism to enable many people to worship in our church due to COVID-19 restriction. We had most of our weekly programs on Zoom.

The DLM was able to offer a range of services during the week and over the course of the year that our Community find both beneficial and spiritually fulfilling. For Example Evening Prayers provide a quiet, intimate and reflective environment for worship whilst opportunities are provided for people to engage in more outgoing worship such as that provided by the youths of our church.

This year we have been Successful in welcoming more families into our church despite the pandemic.

We give Glory to God Almighty for Successful Year.
