

Chairman's Report

The Malvern Hills RDA Group comprises a wonderful group of dedicated volunteers who provide excellent equine experience for our children from Regency High School. These are teenagers who have many sorts of problems, some quite severe. Our group provides a well-supported enthusiastic atmosphere for outdoor equine activities. Accompanying staff report lots of positive outcomes in terms speech, communication, motor skills and mental well-being.

The team at Guinness Park Farm continues to provide suitable venue with some lovely horses. We continue to be indebted to our wonderful Volunteer coach Amanda.

Treasurers Report

This year we have been supported by many local charities and private donations. Unfortunately, our professional costs (bank charges, insurance, DBS checks) continue to rise, as do the cost of our facilities. However, Guinness Park Farm continues to provide excellent value both as regards cost and facilities.

Opening Balance £12,252.22

Closing Balance £11,604.77

Change Minus £647.45

Expenses Riding Facilities £1,980.00

Professional fees £917.00

Equipment £205.85
