Structure, Governance and Management

Savile Town Football Club is a football club formed in 2007, recently incorporated and registered as a charity on 18 December 2019 as a Charitable Incorporated Organisation (CIO) under charity number 1187029. The model CIO constitution have been adopted as its governing document.

The Trustees who served during the year up to the date this report are set out on page 2. The trustees have the power to appoint any person to be a trustee in accordance with the provisions of the charity's constitution.

Objectives and activities

The objectives of the trust, as set out in its governing document are to advance the physical education of boys and girls up to 18 years of age resident in Savile Town and the surrounding area ("the area of benefit") by providing facilities and coaching for football ensuring that due attention is given to their physical, personal and educational development and occupation of their minds.

Achievements and performance

Due to Covid-19 this season has been very disruptive for Savile Town Football Club. With the safety of all coaches, players and parents being paramount, many of the training session, matches and additional activities were postponed due to Government guidance. This had an adverse impact on the club in terms of raising funds but despite this difficulty the club was able to remain in a satisfactory financial position. Since the year end, all activities have resumed as normal with minimal disruption.

Statement of trustees' responsibilities

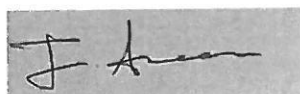

The trustees are responsible for preparing the Trustees' Annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Laws applicable to charities in England and Wales require the trustees to prepare financial statements for each calendar year which give a true and fair view of charity and of incoming resources and application of resources of the charity for that year. In preparing these financial statements the trustees are required to:

- select suitable accounting policies and apply them consistently
- observe the methods and principles in the Charities SORP
- makes judgements and estimates that are reasonable and prudent
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. They are responsible for safeguarding assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements for the period ended 31 August 2021

- 1. Accounting Policies:** The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the period.
- (a) Basis of preparation** The financial statements have been prepared under the historical cost convention.
- (b) Fund accounting** General funds are unrestricted funds which are available for the use of discretion of the trustees in furtherance of the general objectives of the charity and has not been put aside for other purposes. Restricted funds are funds which are to be used in accordance with specific restrictions which has been raised by the charity for a specific purpose. The cost of raising and administering such funds are charged against the specific fund.
- (c) Incoming resources** All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to the particular categories of income.
- Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Donated services and facilities are included at the value of the charity where it can be quantified. The value of services provided by volunteers has not been included.
- (c) Resources expended** Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated to such activities and those costs of an indirect nature necessary to support them.
- (d) Going concern** The principle risk facing the charitable company is its ability to generate sufficient income to cover expenditure incurred in fulfilling the objectives of the charitable company. The trustees have reviewed the cash position of the charitable company and cash forecasts at the date of signing the accounts and are satisfied that the charitable company will be able to meet all of its financial commitments.
- As a consequence the trustees believe that the charitable company is well placed to manage its financial risks successfully despite the current uncertain economic outlook, and that the charitable company has adequate reserves to continue in operational existence for the foreseeable future. Accordingly the trustees continue to adopt the going concern basis in preparing the accounts.
