Trustees' Annual Report *(continued)*

Year ended 31 December 2024

Structure, governance and management

The Church is constituted by trust as a Charitable Incorporated Organisation (CIO) registered on the 18th December 2019. The trustees shown above constitute the board of governance of the charity and exercise their governance through monthly trustee meetings. Day to day management of the charity is performed by the Trustees. On 9 February 2023 the charity received all funds from their previously unincorporated charity.

There must be at least 4 Trustees appointed (excluding Ministers of the Church). The appointment of Trustees shall be undertaken by processes that are public, clear and open so that all Church Members are enabled to consider prayerfully who should be appointed as Charity Trustees.

The processes shall ensure that notice is given of any forthcoming election so that Church Members may freely nominate prospective Charity Trustees whose names shall be submitted (after they have indicated a willingness to be appointed) for decision to the Church Members with the intention of ensuring that those appointed have a sufficient level of support from them.

Objectives and activities

The principal purpose of the church is the advancement of the Christian faith according to the principles of the Baptist denomination. The church may also advance education and carry out other charitable purposes in the United Kingdom and/or other parts of the world.

We are a Baptist church meeting regularly for worship and seeking to bless the local area by proclaiming the gospel and by serving in practical ways. During 2024, alongside our services of worship, we have run the following groups: Bible Study, Prayer, Ignite, Girl's and Boys' Brigades, Monday Movers, Knit and Natter, Thursday Morning Fellowship, Younite. We've worked in partnership with Playtime @ Warley to provide a parent and toddler group and have made our premises available to many other community groups, most notably St Huberts Preschool.

We are actively involved with other local churches and have supported a number of different charities through the year.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

Achievements and performance

In the last year, we have continued to see growth in numbers attending our main service of worship and were delighted to celebrate one baptism and to welcome several new people into membership. Introducing Café Church has proved successful as an occasional addition to our repertoire. Our Motto verse for the year was: I came that you might have life and live it more abundantly (John 10:10) and we have sought not just to preach this truth but live it out.

Youth and Children's work is a massive part of our church's life. A huge effort goes in to sustaining the life of the two Brigades; the Sunday children's ministry, Ignite; and the toddler ministry, Playtime @ Warley. This year we launched a new group, Younite, focusing on 13 - 18 year olds.

Our work with Seniors continues to do very well. Monday Movers has grown in the last year. Thursday Morning Fellowship is attracting new faces and old friends alike. Knit and Natter have continued to bless a good number of causes whilst also providing space for people to simply be together. We remain aware that so many of the older generation are isolated much of the time and that many of our locals view the church positively, so efforts in this area are apt and frankly, lifechanging.

Our buildings have been used an increased amount this year, both by us and other community groups. We were glad to reinstate a Maintenance Team, who have been charged to stay on top of current needs and to plan for the future.

For further details of our achievements and performance in 2024, please request a copy of our Annual Report.

Financial review

The financial performance of the Church remained consistent from the prior year with a surplus achieved of £115,419 (2023: £111,617) in the year.

Reserves Policy

Warley Baptist Church's policy is to apply its funds in accordance with the objectives of Warley Baptist Church whilst ensuring that there are sufficient funds to cover at least six month's cashflow requirements in the event that our income was suddenly reduced. Based on our accounts for 2024 and our Budget for 2025, this will mean retaining around £50,000 of funds as a Reserve.

Included within unrestricted funds are designated funds which cover building maintenance and mission/community funding.

Plans for future periods

The trustees, alongside the new ministers, intend to continue to develop and explore opportunities to serve the community better and more effectively. In particular it is intended to further develop the Sunday School provision we currently run and to continue our work with young families.

Independent Examiner's Report to the Trustees of Warley Baptist Church

Year ended 31 December 2024

I report to the trustees on my examination of the financial statements of Warley Baptist Church ('the charity') for the year ended 31 December 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Going concern

There are no material uncertainties about the charity's ability to continue as a going concern.

Disclosure exemptions

3. Accounting policies *(continued)*

Incoming resources

All income is included in the statement of financial activities upon receipt. The following specific policies are applied to particular categories of income: - income from donations or grants is recognised upon receipt - legacy income is recognised upon receipt- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers. - income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised upon payment. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates: - expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods. - expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities. - other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities. All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	-	10% - 25% straight line
Equipment	-	25% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Warley Baptist Church

3. Accounting policies *(continued)*

Structure, governance and management

The Church is constituted by trust as a Charitable Incorporated Organisation (CIO) registered on the 18th December 2019. The trustees shown above constitute the board of governance of the charity and exercise their governance through monthly trustee meetings. Day to day management of the charity is performed by the Trustees. On 9 February 2023 the charity received all funds from their previously unincorporated charity.

There must be at least 4 Trustees appointed (excluding Ministers of the Church). The appointment of Trustees shall be undertaken by processes that are public, clear and open so that all Church Members are enabled to consider prayerfully who should be appointed as Charity Trustees.

The processes shall ensure that notice is given of any forthcoming election so that Church Members may freely nominate prospective Charity Trustees whose names shall be submitted (after they have indicated a willingness to be appointed) for decision to the Church Members with the intention of ensuring that those appointed have a sufficient level of support from them.

Objectives and activities

The principal purpose of the church is the advancement of the Christian faith according to the principles of the Baptist denomination. The church may also advance education and carry out other charitable purposes in the United Kingdom and/or other parts of the world.

We are a Baptist church working in the local area sharing the gospel and seeking to help the local community. Groups meet for worship, teaching, Girls' and Boys' Brigades, Mothers and Toddlers, Exercise Class and Meeting for Older People, Pre-School. We join in local activities with other churches and are interested in overseas mission.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

Achievements and performance

In the last year, we have continued to expand our vision to become a community hub, serving the needs of our immediate community. This has meant the expansion of our work across all areas. We are blessed to have been able to support several local charities throughout the year.

We are delighted to have welcomed several new families in the last year and are excited to see the return of others. In addition, we have had the privilege of appointing two new ministers to one full-time post, both joining Warley Baptist Church in January 2023.

Financial review

On the 9th February 2023 the charity received the funds and assets from the unincorporated charity, Warley Baptist Church registered charity number 1138906, this transfer totalled £98,283 and following this the overall surplus/ deficit was a £111,617 surplus in the year. The CIO itself has no comparatives to prior year, however, the previously unincorporated charity had a surplus of £75,906 in the 2022 financial year. This reflects an overall increase in the surplus, however, is more reflective of the transfer from the unincorporated charity to the CIO.

Reserves Policy

Warley Baptist Church's policy is to apply its funds in accordance with the objectives of Warley Baptist Church whilst ensuring that there are sufficient funds to cover at least six month's cashflow requirements in the event that our income was suddenly reduced. Based on our accounts for 2023 and our Budget for 2024, this will mean retaining around £50,000 of funds as a Reserve.

Included within unrestricted funds are designated funds which cover building maintenance, brigades capitation contributions and mission/community funding.

Plans for future periods

The trustees, alongside the new ministers, intend to continue to develop and explore opportunities to serve the community better and more effectively. In particular it is intended to further develop the Sunday School provision we currently run and to continue our work with young families.

Independent Examiner's Report to the Trustees of Warley Baptist Church

Year ended 31 December 2023

I report to the trustees on my examination of the financial statements of Warley Baptist Church ('the charity') for the year ended 31 December 2023.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
Year ended 31 December 2023

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Castle Road East, Oldbury, West Midlands, B68 9BJ.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The accounts are prepared on a receipts and payments basis.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue as a going concern.

Disclosure exemptions

The entity satisfies the criteria of being a small entity as defined in FRS102 and Charities SORP (FRS 102) and the Charities Act 2011 and has taken advantage of the disclosure exemptions available under paragraph 1A.7 of FRS102.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All assets are initially recorded at cost.

Warley Baptist Church
Notes to the Financial Statements *(continued)*
Year ended 31 December 2023

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	-	10% - 25% straight line
Equipment	-	25% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
