Objective

The prevention or relief of poverty primarily in Bangladesh by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient

Funding

Majority of our funds were raised from members and some fundraising appeals for specific projects, such as food distribution.

Charity activity for the year:

We have done a number of food distribution projects as well as education support projects to help students with higher education fees. This is in line with our aim to empower people. We have raised funds through individuals and family gatherings.
