Should our plans change, new Trustees will be recruited from our valued Steering Group members.</p>
2021 – 2022 Activities and Objectives	<p>Hearing Ambassadors overall objective is “To educate the public on hearing well-being and in so doing to enable the development of skills, strategies and competencies to promote social inclusion regardless of hearing ability”</p> <p>During 2021, we decided to have a special focus on young people aged 8-14, We want to encourage them to become aware of the potential dangers posed by prolonged exposure to the sort of loud music experienced at gigs, pubs, gyms, and bars, by offering positive behaviours.</p>
2021-2022 Achievements and Public Benefit	<p>The trustees, in making decisions about public benefit, have had due regard to the commission's public benefit guidance when exercising any powers or duties to which the guidance is relevant</p> <p>Undaunted by the restrictions that were imposed by the pandemic on face-to-face meetings, Hearing Ambassadors managed to take our hearing well-being strategies to more than 500 people all over the country. We used video conferencing techniques to connect with people in all corners of the UK, ranging from the Scilly Isles, Wales,</p>

Hearing Ambassadors – Annual Report- 2021-2022

	<p>Scotland and of course north, south, east, and west of England. We connected with organisations such as U3A, Rotary, Probus, Macular Society, After Stroke Clubs, Luncheon Clubs and Dementia Cafes.</p> <p>During 2021, we became aware of research carried out by the World Health Organisation which predicts that the number of people world-wide with hearing loss will rise to 2.5 billion by 2050, and the people most at risk of noise induced hearing loss are today's 12–35-year-olds. In September 2021, we launched our Sound Warriors initiative which aims to help young people to celebrate their sense of hearing and understand the danger signs that can lead to permanent noise induced hearing loss. Armed with this knowledge we hope that our young Sound Warriors will learn how to protect their hearing and enjoy safe listening life-long.</p> <p>During the period, we created a sister website for www.HearingAmbassadors.org which is aimed at young people and their leaders. www.SoundWarriors.org, With the help of two 10 year-olds, we produced our first Sound Warriors Video which is available via the website to anyone who has access to YouTube</p>
2021-2022 Financial Review	Another satisfactory year with income exceeding expenditure by £1808 and a healthy retained capital of £3470. The trustees consider the minimum amount required to meet essential expenditure is £250, so this requirement is well covered.
