Respective
responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent
examiner's statement

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
1. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

STRUCTURE, GOVERNANCE AND MANAGEMENT

New trustees are appointed by a nomination process and majority decision of the trustees.

The day-to-day running of the Charity is delegated to the Chair of the charity Ms. Ivance Ellen Carole. Trustees meet regularly to make decisions and discuss all aspects of the charity.

The charity does not employ any staff and hence it relies on the voluntary time of the trustees to manage the affairs of the charity. No volunteers are employed in the charity.

During the period, the charity had established partnership with Nouvelle Optique France to collaborate and cooperate on joint projects in pursuit of the Charity objectives in various countries.

NOUVELLE OPTIQUE
TRUSTEES ANNUAL REPORT *(continued)*
PERIOD TO 31 MARCH 2025

OBJECTIVES AND ACTIVITIES

The objectives of the organisation, as set out in its governing document are:

(1)

To relieve financial hardship, distress and suffering among poor people and other people in need by means of, but not exclusively, making grants or loans for providing or paying for items, equipment, services and facilities, including the provision of food, clothing, clean water and the establishment of a hardship fund for the benefit of the said persons;

(2)

To advance education for the benefit of the poor, the illiterate and the general public by means of, but not exclusively, the provision or assistance in the provision of educational resources, equipment, activities and facilities, such as schools and training centres;

(3)

To advance the religion of Islam, by means of, but not exclusively, promoting the teachings and tenets of Islam via the provision or assistance in the provision of Islamic places of worship and Islamic education classes in accordance with the teachings of the Quran and Sunnah of the Prophet Muhammad (peace and blessings be upon him) as interpreted by the Ahle Sunnah Wal Jamaah school of thought.

The charity aims to support the relief of financial hardship, advance education and advance Islam in various parts of the world. The charity does not have any employees. All administration and fundraising are completed by trustee volunteers. Thus, volunteers' contribution is significant to the charity's ability to undertake all its activities.

The charity measures success in the period by assessing the level of donations raised, the number of projects planned and delivered in expending those donations, and the number of beneficiaries. The achievements and activities undertaken during the period is shown below, and indicates a successful period of raising funds and delivering benefit to tens of thousands of needy people.

ACHIEVEMENTS AND PERFORMANCE

During the year, NOUVELLE OPTIQUE has, through its partner charity Nouvelle Optique France, raised charitable funds for various projects and successfully delivered a programme of poverty relief, hardship relief, Islamic advancement, and educational advancement for needy persons in various countries including Ghana, Senegal and Madagascar.

The delivery of projects was via three deliver partners which reached out to the aforementioned countries. The achievements included:

- Construction of 22 water wells for clean water
- Drilling of 2 boreholes for clean water
- Installation of 1 water tank
- Delivered 200 Qurbani distributions to poor persons
- Construction of 1 school
- Distribution of 700 fruit seedlings to the poor to establish a livelihood
- Supported the running cost of an orphanage

NOUVELLE OPTIQUE
TRUSTEES ANNUAL REPORT (continued)
PERIOD TO 31 MARCH 2025

ACHIEVEMENTS AND PERFORMANCE (continued)

- Distribution of 103 hardship grants to poor and needy
- Construction or rehabilitation of 3 mosques
- Distribution of 45 school kits to school children
- Distribution of 1,250 Meals and Food packs
- Distribution of 3,600 books to school children

The water wells, boreholes, water tanks, fruit seedlings, Qurbani, meals and hardship grants all helped the charity meet its objective to relieve financial hardship. The construction and rehabilitation of mosques helped the charity its objective to advance Islam for public benefit. The school kits, books and construction of school all helped the charity to meet its objective to advance education for public benefit.

The charity measures performance of the achievement by determining the outputs from each project and compared with the outputs stated in the proposals received from delivery partners. This way the trustees are able to ensure that the outputs are in line with the expectations of the charity and that the projects are delivering impact and benefit to the public.

PUBLIC BENEFIT STATEMENT

The trustees have considered the general guidance on public benefit issued by the Charity Commission and has taken due regard of that guidance. The trustees consider that they are satisfied that the charity's activities do benefit the public as it is meeting an identifiable need among those in need. The trustees have benefitted many needy individuals and families and has helped them to alleviate their financial needs in times of desperation in order to sustain living, advance education via provision of resources where they did not have the means and advanced Islam by assistance in the provision of places of worship.

GRANT MAKING POLICY

The charity gives grants to partner organisations that have financial hardship, education and Islamic projects operating in the areas of benefit. Via the partner organisations, the needs of the poor are met for their basic necessities to sustain life and the establishment of clean water wells and water pumps. The educational and Islamic needs are also met with grants to establish the facilities or with resources. The criteria for beneficiaries of partner organisations is that the beneficiary is either

- poor and residing in a poor village, or an area affected by a natural disaster, or
- affected by COVID-19 with no source of income, or
- an Orphan and does not have the means to have regular meals, or
- a poor household with no source of income or low income, or
- part of a large family who does not have sufficient income to meet the costs for basic necessities

In addition, the grants to partner organisations allows the charity to establish, repair and sustain Islamic places of worship and educational institutions. Each partner organisation is selected in accordance with the Due Diligence policy of the charity.

PERIOD TO 31 MARCH 2025

FINANCIAL REVIEW

NOUVELLE OPTIQUE had secured funds from public donors and grant makers (from sister charities in France) for their activities totalling £153,492 during the year. This was a substantially less compared to previous period (£1,112,480) because the sister charity in France received less donations for joint projects. All income from public donors and institutions were directly to the Charity or to the Partner Charity were made via the banking system and comprised of restricted funds given for particular projects.

The expenditure for the year was £172,219 (2024:£ 1,151,263), which was primarily partner grants totalling £152,365 (2024:£ 1,144,552) made to 3 partners of the Charity.

This generated a deficit of £18,727 for the period which was met with prior year surpluses. At the end of the period the charity held £6,737 in Restricted reserves.

There is no set reserves policy as all surpluses will be used for future charitable expenditure.

PLANS FOR FUTURE PERIODS

Future plans are to continue to raise more funds from the public and deliver more charitable projects in line with the aims of the Charity which are set out above.

RESPONSIBILITIES OF THE TRUSTEES

The charity's trustees are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

NOUVELLE OPTIQUE
