The Elwyn Thomas Memorial Fund

Trustees' Report

The trustees present the annual report together with the financial statements and auditors' report of the charity for the year ended 30 April 2022.

Objects and aims

To hold the net residuary estate of the late Mr Thomas Elywn Thomas and the income thereof upon the trust to pay, transfer or apply the same to or for the benefit of such of the listed charities if more than one in such shares and in such manner generally as the trustees shall in their absolute discretion think fit.

Public Benefit

The Charities Act 2006 introduced the requirement for charities to show they provided public benefit. The trustees have reviewed the objects, goals, services and objectives of the charity in the light of this requirement and can confirm that The Elwyn Thomas Memorial Fund serves the public benefit. This trustees' annual report continues to evidence how the charity strives to meet need.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Fundraising disclosures

The charity raises funds from donations and legacies and has not engaged a professional fundraiser or commercial participator during the year.

Achievements and performance

The charity was set up to administer the net residuary estate of Elwyn Thomas.

During the year the charity received income of £104,861 (2022: £7,158,852 as restated) from the residual estate, of this £3,930,540 (2021: £500,000) was paid to charities listed in the Elwyn Thomas will.

Financial review

Net expenditure for the year was £3,788,245 (2021: £7,142,239 net income as restated). The balance held in unrestricted funds as at 30 April 2022 was £3,353,994 (2021: £7,142,239 as restated).

Investment and performance

During the year the charity's investments showed a net decrease of £3,204,022 (2021: increase £6,060,998).

The trustees have agreed that the investment portfolio for the charity be managed on a discretionary basis by Brewin Dolphin Limited.

Policy on reserves

The charity's policy is to have sufficient cash reserves to meet its expenses and distributions to potential beneficiaries within a twelve month period.

The Elwyn Thomas Memorial Fund

Trustees' Report (continued)

Investment policy and objectives

In managing the portfolio on a total return basis, this allows the trustees to use both income and capital from the portfolio even though the investments are permanently endowed. The investment objective for the portfolio is therefore to grow the capital over the investment period to protect the value of the invested capital against inflation and maintain the real value of the asset while funding annual expenditure.

Plans for future periods

Aims and key objectives for future periods

The charity's future plan is to distribute funds to various potential beneficiaries.

Structure, governance and management

Nature of governing document

The trust is a registered charity (number 1187142), and is governed by a Will proved on 11 June 2018.

If the charity is wound up, the trustees have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities.

Officers and key management personnel

The day to day management of the charity is carried out by Hannah Pratt from Stephens Scown Solicitors, who receives no remuneration from the charity for this service.

Recruitment and appointment of trustees

The current trustees were appointed under the Will and have the power to appoint new trustees.

Major risks and management of those risks

Risk Management

The principal risks facing the charity lie in the performance of investments. The trustees consider variability of investment returns constitute the charity's major financial risk. This is mitigated by retaining expert investment managers and having a diversified investment portfolio.

Trustees and officers

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Mr G I Murdoch
	Mr A E Body

Going concern

The trustees have a reasonable expectation that the charity has adequate resources to continue for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The Elwyn Thomas Memorial Fund

Trustees' Report (continued)

Disclosure of information to auditor

Each trustee has taken steps that they ought to have taken as a trustee in order to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information. The trustees confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

The annual report was approved by the trustees of the charity on 21/9/23 and signed on its behalf by:

Mr G I Murdoch
Trustee

The Elwyn Thomas Memorial Fund

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the trustees of the charity on 21/9/23 and signed on its behalf by:

.....
Mr G I Murdoch
Trustee

The Elwyn Thomas Memorial Fund

Independent Auditor's Report to the Members of The Elwyn Thomas Memorial Fund

Opinion

We have audited the financial statements of The Elwyn Thomas Memorial Fund (the 'charity') for the year ended 30 April 2022, which comprise the Statement of Financial Activities, Balance Sheet, Cash Flow Statement, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is United Kingdom Accounting Standards, comprising Charities SORP - FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and applicable law (United Kingdom Generally Accepted Accounting Practice - applicable January 2019).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 April 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

The Elwyn Thomas Memorial Fund

Independent Auditor's Report to the Members of The Elwyn Thomas Memorial Fund (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Charities (Accounts and Report) Regulations 2008 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities (set out on page 5), the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

As part of our audit planning, through discussions with management, we obtained an understanding of the legal and regulatory framework that is applicable to the charity and the sector in which it operates to identify the key law and regulations affecting the charity.

The Elwyn Thomas Memorial Fund

Independent Auditor's Report to the Members of The Elwyn Thomas Memorial Fund (continued)

The key laws and regulations we identified were General Data Protection Regulations (GDPR) and Fundraising Regulations for Charities. The charity has limited laws and regulations to which it is required to comply, there are no staff members and no customers as such. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements, primarily the Charities Act, relevant tax compliance regulations in the UK and reporting framework (Charities SORP - FRS102).

We discussed with management how the compliance with these laws and regulations is monitored and we discussed the policies and procedures in place. As part of our planning procedures, we assessed the risk of any non-compliance with the laws and regulations on the charity's ability to continue and the risk of material misstatement in the accounts.

Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved the following:

- enquiries of management and those charged with governance regarding their knowledge of any non-compliance with laws and regulations that could affect the financial statements;
- reviewed the Will to ensure payments made to beneficiaries are in accordance with the terms of the Will;

As part of our enquiries we discussed with management whether there have been any known instances, allegations or suspicions of fraud, of which there were none.

We also evaluated the risk of fraud through management override including that arising from management's incentives. The key risks we identified were that funds are not dealt with in accordance with the underlying Will trust.

In response to the identified risk, as part of our audit work we:

- reviewed payments made to ensure they fully complied with the Will trust;
- reviewed transactions through the client's ledger and bank accounts;

Because of the inherent limitation of an audit, there is a risk that we will not detect all irregularities, including those leading to non-compliance with laws and regulations from the transactions reflected in the financial statements as we are less likely to become aware of instances of non-compliance. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment, collusion, omission or misrepresentation.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charity's internal control.

The Elwyn Thomas Memorial Fund

Independent Auditor's Report to the Members of The Elwyn Thomas Memorial Fund (continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the charity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the charity audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the charity trustees, as a body, in accordance with section 144 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to trustees in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The Elwyn Thomas Memorial Fund

Notes to the Financial Statements

Year Ended 30 April 2022

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), and the Charities Act 2011.

Basis of preparation

The Elwyn Thomas Memorial Fund meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Prior period errors

The 2021 accounts excluded a legacy received by the charity which consisted of investments, listed on the stock exchange, with a market value of £6,060,998 and bank balances of £1,034,241. A prior year adjustment of £7,095,239 has been made to correct this error and this adjustment has affected the Statement of Financial Activities. The adjustment includes additional donations of £6,608,852, additional dividend income of £129,787, realised gains on investments of £178,797 and unrealised gains on investments of £214,474. Expenses have also increased by £36,671 in respect of investment managers fees.

The financial statements for the previous year were not audited as, at the time, the income and assets were deemed to be below the audit threshold. The restated figures have been corrected and audited as part of this year's audit process.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Investment income

Dividends are credited to the income and expenditure account when received together with any associated tax credits. Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

The Elwyn Thomas Memorial Fund

Notes to the Financial Statements

Year Ended 30 April 2022 (continued)

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources.

Raising funds

These are costs incurred in attracting voluntary income and the management of investments that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

The Elwyn Thomas Memorial Fund

Notes to the Financial Statements

Year Ended 30 April 2022 (continued)

Fund structure

Restricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Financial instruments

Classification

The charity holds the following financial instruments:

- short term debtors and creditors
- cash and bank balances

All financial instruments are classified as basic.

Recognition and measurement

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument and derecognised when in the case of assets, the contractual rights to cash flows from the assets expire or substantially all the risks and rewards of ownership are transferred to another party, or in the case of liabilities, when the charity's obligations are discharged, expire or are cancelled.

Such instruments are initially measured at transaction price (including transaction costs), and are subsequently carried at the undiscounted amount of cash or other consideration expected to be paid or received, after taking account of impairment adjustments.
