Bromley Arts Trust 1187209

Trustees Report for the period from 6 January 2020 to 31 March 2021

1. Object

Bromley Arts Trust was registered by the Charities Commission on 6 January 2020. Its object is set out in its constitution dated 6 January 2020 as follows:

“the object of the CIO is to advance education by promoting and providing opportunities for the appreciation, understanding and enjoyment of the arts in such ways as the trustees think fit”

3. Transfer of Bromley Arts Council's assets, staff and operations to the Bromley Arts Trust

The 2019/2020 Trustees Report of the former charity, Bromley Arts Council (BAC) which operated the Ripley Arts Centre gave details of the reasons for the transfer of assets and operations to the Bromley Arts Trust.

‘BAC is an unincorporated charity (registered charity number 249391) which was set up in 1965. Its assets are held in trust, on behalf of the charity, by three trustees. At the Annual General Meeting of the members of the BAC held on 9 July 2019, the members passed a motion to wind up the charity, subject to Bromley Arts Trust accepting BAC's assets and liabilities, including the ownership of the Ripley Arts Centre and also following acceptance of the Bromley Arts Trust application by the Charities Commission.’

The transfer of assets and operations from the BAC to the Bromley Arts Trust was delayed as a result of the impact of the COVID-19 pandemic, in particular some potential technicalities with the Job Support Scheme and the completion of the repayment of Bromley Arts Council's two loans totalling £51,120 by the Bromley Arts Trust's new loan of £53,000. Following the partial re-opening of the Ripley Arts Centre on 29 September 2020, the Boards of both charities agreed on 1 October 2020 to re-start the process of the transfer of assets and the BAC operations. The loan arrangements were finalised on 13 January 2021 and the TUPE transfer of staff, and the BAC operations transfer became effective on 31 January 2021.

3. Activities

Bromley Arts Trust's activities during February and March 2021 were severely affected by the impact of the Government national lockdown due to the COVID-19 pandemic. These restrictions lasted from January 2021 until May 2021 when some restrictions were gradually eased until all restrictions were lifted in July 2021. As a result there were no hire activities during this five-month period and eight members of staff were on furlough arrangements. During this period there was one member of staff who was not on furlough arrangements who provided day to day financial administration support for the trustees.

Bromley Arts Trust continues to support local organisations to undertake cultural, educational, and artistic endeavours. BAT trustees, together with the former charity trustees in the first period of lockdown restrictions in 2020, were able to keep the Ripley Arts Centre open for curtailed activities over the course of the last two years, when possible, and now see more groups and classes taking place. This year, the charity plans to review its strategy, to assess the effectiveness of its business model, to recruit new trustees, to identify roles for volunteers, to develop stakeholder participation and to increase general usage of the building.

4. Financial Review

a. Results for the two-month period to 31 March 2021

Total income for the period was £17,246 of which £12,738 (74%) related for two Job Retention Scheme 'furlough' claims for February and March and £2,728 (15.8%) related to flat rental income. Most of the residual income related to a local authority support grant of £1,530.

Total costs for the two-month period amounted to £25,023 of which 64% was attributable to staff costs. 20% relating to building, utilities, and office costs as well as some 10% attributable to professional and finance costs.

The result for the period was a loss of £7,777

b. Reserves as at 31.3.2021

Reserves carried forward amounted to £162,954.

c. Going Concern

After making appropriate enquiries and taking into account that the current estimated value of the land and building exceeds the 2004 BAC valuation amount of £1million, the trustees have a reasonable expectation that the CIO charity has adequate resources to continue in operational existence for the foreseeable future. In addition, the management accounts for the nine months to 31 December 2021 show a surplus. As Government and local authority financial support ended at the end of September 2021, the operations team will continue to manage any unnecessary overhead costs going forward. For this reason, the trustees continue to adopt a going concern basis in preparing the accounts for the Bromley Arts Trust.

6. Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate.

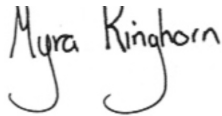

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity to the requirements of the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

7. The Trustees

The trustees who held office during the period are listed on page 2.

No funds were held by a Custodian Trustee

This report was approved by the Trustees on 11 January 2022 and signed on their behalf by

Independent Examiner's Report to the Trustees of the Bromley Arts Trust for the period to 31st March 2021

I report to the trustees on my examination of the accounts of the Bromley Arts Trust for the two-month period ended 31 March 2021.

Responsibilities and basis of report

As the trustees of the Bromley Arts Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011.

Having satisfied myself that the accounts of the charity are not required to be audited under section 144(2) of the Charities Act 2011 and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g., allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Liabilities and provisions
