BROOK EARLY YEARS
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022

The trustees present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The purpose of Brook Early Years is to enhance the development and education of children primarily under statutory school age and encourage parents to understand and provide for the needs of their children through community groups.

Significant activities

To offer appropriate play, education and care facilities, family learning and extended hours groups, together with the right of parents to take responsibility for and to become involved in the activities of such groups, ensuring that such groups offer opportunities for all children whatever their race, culture, religion, means or ability.

To encourage the study of the needs of such children and their families and promoting public interest in and recognition of such needs in the local areas

Public benefit

Brook Early Years recognises the importance of having a framework of rules, relationships, systems, and processes within and by which authority is exercised and controlled in the organisation. Our Trustees view good governance and management as essential to our provision of quality education and care.

The Trustees of the Board will ensure there is a sound framework of policies and procedures that complies with all legislative and regulatory requirements, and that enables the daily operation of the service to be geared towards the achievement of the service's vision and mission.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. The trustees refer to public benefit throughout this report.

BROOK EARLY YEARS
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Between April 2021 and March 2022 we have still been in lockdown due to Corona Virus.

Throughout the Pandemic Brook Early Years has stayed open, offering extra sessions to keyworker and vulnerable children. It has been very difficult to provide clear updates regarding the pandemic and since September the government has not supported us financially as they did the year before.

Throughout the Pandemic Brook Early Years did not have to close, this was mainly because of our rigorous risk assessments, cleaning procedures and following Public Health guidelines that staff, parents and children accepted and abided by. We adopted within our Health and safety policy a Pandemic policy that included our procedures. In March 2022 we have started to ease our restrictions (abiding by government guidelines).

We have reviewed how we communicate to parents and the wider community. We email, WhatsApp, text, call and zoom dependant on the circumstances. As chair of an Action learning group (made up of 20% of Southampton early years Leads/ managers/heads and owners) I initiated a WhatsApp group so we could keep in touch and support each other's well-being, we also had regular Zoom meetings to discuss individual issues and help understand the government and local guidance. Over the year this group has not only supported each other's management administration but also mental health and wellbeing.

I have worked with our outsourced HR to support staff with their mental health and wellbeing. This was a godsend as staff to support them in this worrying time around work and home life. The HR comes in once a month to support anyone that needs it and also has a one to one with all staff once a year.

Staff also were able to gain personal development training, this involved computer based, Zoom or just recently face to face training. We continue to concentrate on safeguarding, wellbeing and mental health for both children and the staff.

We kept communication open with parents, we continue to put activities on Facebook and tapestry and we have reintroduced our parent play and stay and so far, this has gone well. We also have just introduced parent face to face meetings to talk about the children (in the pandemic these were through phone or zoom). We have reintroduced new parent visits to physically show parents around our setting. (In the pandemic these were through video or zoom) to encourage and welcome new families into our setting.

Our September intake looked a little different we did videocalls to parents and we also reintroduced the home visit as government regulations allowed. Parents have been so supportive in our endeavours to keep everyone safe, wearing masks at all times in the setting (until recently), staying outside and working with us outside to settle any children, keeping us updated when children are unwell and keeping them at home if they have a temperature (a public health request).

Our AGM was different back to face to face in the hall, this was a great success and we seemed to have very loyal parents with views to support the setting.

During this last year we had 86 children, aged two to rising fives, with up to 50 attending each session. These children come from varied backgrounds; English as a second language, dietary requirements, medical requirements, disabilities and looked after children. We have developed Individual Educational Plans and maintained one to one support mostly funded by the government. We also supported the welfare of Children and parents with child protection plan. This year we have worked with 2 children that have one to one funding to support a physical and global learning difficulties. We have strongly worked with the NHS to support one of the children with physical needs, and worked with the area teacher and SALT to support both. We have worked hard to gain EHCPs for both, to support them throughout their schooling.

We have continued to use our Early Years Pupil Premium funding to support with Narrative, BLAST and SEAD initiatives, supporting early language, Social and Emotional Development.

Our Early Language coordinator has achieved her level 3 SEND. She is mostly supernumerary within our setting to enable her to support all children with communication and language. Our other Deputy has also achieved his level 3 SEND this year.

BROOK EARLY YEARS

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

This year our Child protection children seem to be of a higher number than normal. We have worked closely with social workers (mostly still through phone calls and zoom) and parents to help the individual children's needs.

Brook has been involved with the Implementation of ECaT (Every Child a Talker) since 2009. Our Early Language coordinator has continued to work closely with our area Support speech therapist (mainly through phone calls this year) with Speech and Language therapy programmes for key children along with supporting children's language acquisition through speaking, listening and social skills, through a Narrative programme. She has continued embedding an initiative called BLAST, boosting Language Auditory Skills and Talking. BLAST supports all 4-year-olds starting school and works on the underpinning skills for language, communication and literacy - turn taking, discrimination, listening, attention and social communication as well as developing basic language skills both receptively and expressively. She has also embedded a new initiative called Preling. Preling supports all 2-year-olds with developing their language and communication. This programme introduces basic activities to develop pre-linguistic skills, focusing on the child's eye contact, turn taking, attention and listening.

Our Social Emotional Aspects coordinator (also Enhancement coordinator) has achieved a Child Psychology course this year, to develop her knowledge. She has developed our PSE support for children with a Programme called sunshine circles. The Programme is designed to build relationships, allowing children to grow socially, emotionally, and often intellectually. Every activity helps to develop the child's self-esteem, sense of belonging, ability to trust and to care for themselves and others. All staff embed this into their daily routine. Alongside this we also have Yoga sessions to help with emotional wellbeing. This year we have seen the children need more support in their personal and wellbeing. The coordinator has worked hard on activities to support this and encourage personal and social skills especially as some of our children are starting school.

Our Healthy Early Years Award coordinator (HEYA) has achieved a Level 2 Understanding Nutrition and Health course this year. We have achieved a silver award in healthy eating and Physical activity. This program is supporting healthy choices around nutrition and physical activities. We are working on our bronze oral health award now. We are working on our healthy mouth award at the moment.

Over the last year we continue to develop the outside space, we already have 3 zoned areas, 1 area for gross motor/cars. 1 area for sensory/painting/math/roleplay and our wooded area where we have a few new resources and developed a fairy area.

We also have developed our inside roleplay into a larger area.

Looking forward we want to focus on children's wellbeing, examining and embedding the EYFS and developing plans to reflect this. We still need to be a little cautious due to the pandemic, but with positively we can embed a new normal at Brook Early Years.

Fundraising activities

Compared to previous years before COVID the setting was not at full capacity from September and the government stopped financially supporting early years therefore the income was down on previous years. The setting did make a profit.

The setting doesn't have a fundraising requirement.

Investment performance

The setting has opened up a separate bank account with CAF (Charities Aid Foundation) in order to spread its reserves outside Barclays Bank.

FINANCIAL REVIEW

Financial position

At the end of March 2022 the setting had made deficit of £26,284 compared to a surplus of £27,226 in 2021.

BROOK EARLY YEARS

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

FINANCIAL REVIEW

Principal funding sources

Southampton City Council offer funding for eligible two-year-olds (570 hours per year)
Three- and four-year-olds (570 hours per year)

And some three- and four-year-olds are eligible to Children entitled to 1140 hours per year (30-hour funding)
More information can be found in the Southampton city website.

For any attendance that is outside the funding income, the fees are paid direct to the setting by the parents.

Investment policy and objectives

The Settings policy is risk averse and we don't invest the reserves in anything other than a normal bank account.

Reserves policy

The setting hold £95,000 as a reserve minimum to cover should all staff be made redundant. At the end of the financial year the setting has in excess of double this amount.

As at the end of March 2022 the cash reserves held are £201,616.

The setting has not had many risks over its existence and has weathered the COVID risk over the past year.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The management of Brook Early Years is overseen by the Trustees of the Board and they are accountable for the performance of the preschool.

The Trustees of the Board have overall responsibility for the sustainability and relevance of the service. The Trustees of the Board will direct its activities towards achieving the preschool's goals and implementing the Business/Strategic Plan and Quality Improvement plan by guiding and monitoring the preschool's business and affairs in line with the objects as set out in the preschool's rules and in line with its philosophy.

Type of governing document: Brook Early Years independent model constitution adopted on January 2020.

Charity constitution

Charity Incorporated Company (CIO)

Recruitment and appointment of new trustees

Apart from the first charity trustees, every trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees.

Through our induction processes we seek to ensure the effective integration of new Trustees into the Organisation for the benefit of both new Trustees and the Early Years setting. The induction programme will consist of physical and organisational orientation, health and safety information, an explanation of the terms and conditions of your engagement and a clear outline of the role and its requirements. Before we can welcome you to the Board, we are required to carry out suitability checks with The Disclosure and Barring Service (DBS) and OFSTED (EY2 form) to make sure you are fit for the position.

In addition, you will be asked to:

- read and sign to say you understand our governance policy and constitution
- read and sign to say you understand our Safeguarding policies including "Keeping Children Safe in Education, September 2018"
- read and sign to say you understand all other policies
- sign a confidentiality agreement (which applies during your time on the board and after)
- complete a course on Educare "The Role of Trustee's Delivering EYFS"

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
BROOK EARLY YEARS**

Independent examiner's report to the trustees of Brook Early Years

I report to the charity trustees on my examination of the accounts of Brook Early Years (the Trust) for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of ICAEW which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

BROOK EARLY YEARS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

The charity converted from an unincorporated charity (charity number: 1031876) to a Charitable Incorporated Organisation (charity number: 1187234) from 1 April 2020. Although Brook Early Years has changed its legal form, its purposes and beneficiaries remains unchanged. All operations, assets and liabilities were transferred over to the CIO from that date. Merger accounting has been applied in accordance with the FRS 102 SORP.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 33.33% on cost
Computer equipment	- 33.33% on cost

Individual fixed assets costing £200 or more are capitalised at cost.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

The charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable and investments in stocks and shares. The measurement basis used for these instruments is detailed below.

BROOK EARLY YEARS

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES - continued

Financial instruments

Debtors and cash at bank

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Cash at bank and in hand included cash held on deposit or in a current account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

2. INVESTMENT INCOME
