Acknowledgement

Thanks to the hard work, dedication and generosity of our donors, KAC workers and KAC members as well as our head of the church Randolph Adjei, 2020 has been a very impactful year. Even through the global pandemic we were able to raise a great sum that helped to change the lives of many.

We would also like to thank the head of the church, Pastor Randolph Adjei.

Below is a outline of our achievements and finances within the fiscal year of 2020.

Aims and purposes

The aim and objectives of the charity are the following:

- to advance the Christian faith in accordance with the statement of Beliefs in the county of London, other parts of the United Kingdom and Europe.
- to support people in need, facing hardship, aged or sick and relieve them from their distress.
- to spread the Gospel for the benefit of the public, through the holding of services, prayer meetings, and distributing literature.
- to encourage the youth to explore their creativity and develop their own craft.
- to offer support and guidance in the spiritual growth of the believers
- to introduce the Gospel to non believers
- to work on personal growth and character building

Achievements and performance

Kingdom Ambassadors Centre (KAC) offers a range of services during the week that allows our members to come together.

Over the course of the year 2020, during quarantine, we offered online services. Our community was finding the initiative both mentally beneficial and spiritually fulfilling.

For example, personal prayers were providing a quiet, reflective and peaceful environment for worship at home. Whilst opportunities such as daily corporate prayers offered a safe environment for people to engage, support and share.

Throughout the year 2020 we have been successful in welcoming and supporting new people into our church as well as online through our online community. In spite of the restrictions due to Covid, new styles of worship online were introduced. This has meant that special arrangements have had to be made for live services via streaming. It is pleasing to be able to report that the new arrangements have been well received since they came into operation throughout the pandemic.

Via online streaming platforms a lot of content was uploaded to meet the needs of our community. There is now access to a selection of sermons and messages that fit different interests and those can be replayed at any time.

We have received positive feedback on how much easier it is to listen to the Gospel now that they can watch it from the comfort of their home. KAC has been able to spread the Gospel to the youth and has allowed many young people to have a balanced and healthy lifestyle.

Activities

Evangelism

Kingdom Ambassadors Centre has been able to share the Gospel with the local community through Evangelism.

We regularly engage with the community of Tottenham, sharing our christian journey and testimonies.

Via leaflets we share encouraging scriptures as well as our contact details for prayer requests and mental support.

We constantly engaged with our online community, built throughout the year via our different channels of communication.

We believe in spreading the love and the word of God, therefore we use all social media platforms to communicate and share about our beliefs.

Events

Throughout the year Kingdom Ambassadors Center schedules different events that aim for the spiritual and personal development of the community.

KAC offers weekly, monthly and yearly events which will be further explained in the following:

Weekly:

Kingdom Interactive:

Kingdom interactive is online programming structured around the act of spontaneous conversation.

One person (or group of people) discusses various topics put forth by the host.

The discussion takes place in the form of an interview or an open conversation. We discuss various subjects such as religious beliefs or encounters.

This conversation enables us to touch on social issues, family, relationships, careers and finances.

During the discussion our community intervenes by adding their input and sharing their views.

Kingdom interactive airs online via our Youtube platform every Tuesday at 7 PM.

Kingdom school:

Kingdom school is a weekly gathering that offers a learning space and environment for teachings.

Through these meetings KAC's Pastor, Randolph Adjei educates, shares in depth knowledge and insights about the Gospel.

For these sessions, students come prepared with their notebooks and pens as the session is followed by "Questions and Answers".

Kingdom school has a similar structure as a regular course in school.

These classes enable the participants to gain more clarity on the gospel, while pursuing their spiritual journey.

Kingdom school takes place every Wednesday at 7:30 PM.

Church service

KAC church services are weekly corporate time that permits members to worship, pray and have communion. Attendees benefit from teachings and motivational speeches that equip them for the upcoming week.

KAC offers weekly services on Sunday at 10 AM.

Monthly:**Kingdom nights**

Kingdom nights are congregational gatherings that bring the youth together for a time of worship and prayer. This event focuses on the ability to tarry in prayers.

As well as interceding for the nation and one another.

Through this experience people are challenged to step out of the spiritual comfort zone. Kingdom Nights are monthly events that are scheduled on the third Friday of each month.

Yearly:

KISS

Is our yearly Kingdom Infused Single Seminar that is centered around relationships, financial success and spiritual lifestyle.

This conference shapes our ability for decision making in our Christian journey.

KISS is organised once a year during Valentine's weekend.
