As the pandemic overtook everything, we took the opportunity of developing the group internally, as well as maintaining contact with Trustees, digitally. And developing promotional information, and social media channels, to take the group forward. SSTP has not been able to fundraise on it's own behalf, and we have been supported by People First ((Self Advocacy), the national self-advocacy organisation. We are now in the process of setting up our own bank account and have developed fundraising plans to take forward self-advocacy work in Portsmouth.</p>

## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

To promote and facilitate Self Advocacy for people with Learning Disabilities, Learning Difficulties and autism in the Portsmouth area.  
To facilitate group social activities for the aforementioned people.  
Through engagement, education, and consultation We will work with companies and services to understand and promote the needs of people with learning disabilities, difficulties and Autism.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Because of lockdown it has been very difficult to drive forward the plans of the group in terms of expanding the membership and supporting the wider group of people with learning difficulties, disabilities and autism in Portsmouth to become stronger self-advocates.

We have focussed on working with Trustees in terms of

- strengthening their governance skills
- supporting further development of their self-advocacy skills, and
- putting in place development and business plans for the future.

We have also taken forward work to expand the membership of SSTP, as a channel and means to supporting the development of self-advocacy skills.

The Trustees confirm that in carrying out the charity's work for the public benefit they have had regard to the Charity Commission's public benefit guidance.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;

Due to us being awarded charity status shortly before restrictions were set in place in March 2020 we have not been able to operate as we did before.

We focused on training key trustees in using technology in order to communicate and hold meetings.

We developed a website in order for us to be able to operate and promote the charity encouraging new membership and to enable our members to engage remotely.

We developed a new leaflet promoting the charity and encouraging new membership.

We developed an online presence with social media accounts.
