**This has been a disappointing year for the Charity and my  
report will be brief.**

**Despite efforts to obtain another potential site for a skatepark  
we have made no progress in the year.**

**The lack of support for the site we were offered in 2022 and  
promoted in 2023 has been a major setback and seems to  
have undermined efforts to generate enthusiasm and  
fundraising.**

**There have been no fundraising activities and the annual  
Benni's Chill event was not progressed. Our finances are  
unchanged.**

**During the year we were asked to relocate the half pipe we  
currently have in store and we are grateful that one of our  
supporters is now storing this for us.**

**Our local Council has acknowledged lack of facilities in the  
village for recreation for young people and has a  
skatepark/wheeled sports facility in its potential investment  
strategy for the community. The council recently canvassed  
the village about the type of recreation facilities it wants and  
we have advised that the Charity would commit its funds to a  
project that delivered a skatepark for the community. This is**

currently our only live prospect. I believe we should continue to search for a potential site as this a prerequisite for creditability when seeking support. I hope that fundraising will re-establish in 2026 and will contribute to our mission.

I wish to record my thanks to Trustees and other supporters for their work and support in our efforts to progress this project. My hope is that we may yet find a way forward.
