Lung Productions CIO
Report of the Trustees
for the Year Ended 31 May 2022

The trustees present their report with the financial statements of the charity for the year ended 31 May 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Chair's report

As Chair I would like to record my sincere thanks to all my fellow trustees, not only for the engagement in the governance and pursuit of the charity's aims and objectives, but also for their specialist advice to the organisation. Thanks also to the Executive Team of Helen Monks and Matt Woodhead (Co-Artistic Directors) for their ambition and dedication to LUNG's work and the organisation's continuing development.

OBJECTIVES AND ACTIVITIES

Objectives and aims and future plans

The objects of the CIO are:

1) To advance the arts for the public benefit by the promotion in particular, but not exclusively, of the art of drama.

The main activities and achievements in relation to that purpose for the public benefit, were;

1) Throughout the period, LUNG continued to run its Young Carers Creative Makers programme, which saw LUNG partner with young carers services and local theatres to provide creative workshops for young carers during school holidays. We ran this project in Huddersfield, Sheffield and Wigan.

2) Throughout the period, LUNG partnered with Harrow Arts Centre to run our Roaring 20s artist development programme for 18 - 26 year olds in the local area. This saw a series of weekly masterclasses, followed by an intensive make week at Harrow Arts Centre and a final showcase performance. The group were also given bespoke 121 mentorship and a £250 grant towards their professional development.

3) Throughout the period, Who Cares Campaign. LUNG continues to work in partnership with The Lowry and Gaddum on supporting and advocating for young carers. LUNG was awarded 2 NHS commissions to co-create resources with Black young carers and South Asian young carers around identification and support. LUNG set up 2 weekly groups to create these resources, one in Salford and one in Oldham, and delivered a series of CPD for local authority workers and NHS staff alongside the resources that were produced.

Public benefit

The charity trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

FINANCIAL REVIEW

Financial position

Due to sudden staff turnover and the national demographic of LUNG's board, we suffered further disruption with setting up the bank account for LUNG Productions CIO. With the ongoing pandemic and the challenges of remote working, the earliest we could assemble the full board to go into the bank branch was 16th May 2022. There were then substantial delays from Metrobank who half way through the set up of the bank, changed their policy of the papers that were required from a Charity. We therefore weren't able to open the bank until August 2022.

Therefore, LUNG Productions CIO have operated using the LUNG Theatre Ltd bank account, and the trustees are satisfied that this was the most efficient format during this financial period.

At the end of the financial period (31st May 2022) the CIO held £10,276 in unrestricted funds. Activity is budgeted and planned as per successful funding applications and venue contracts, and so reserve levels needed are low. The CIO has modest overheads to budget for, and financial commitments for overheads or staff costs do not extend beyond six months and therefore the level of reserves is appropriate against this commitment. Having reviewed future plans and the possible continuing disruptions of the COVID-19 pandemic, the Trustees are satisfied that the company holds sufficient cash reserves to meet ongoing activity.

**Independent Examiner's Report to the Trustees of
Lung Productions CIO**

Independent examiner's report to the trustees of Lung Productions CIO

I report to the charity trustees on my examination of the accounts of Lung Productions CIO (the Trust) for the year ended 31 May 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn.

We understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2019.

I have completed my examination. I confirm that no other material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared on a going concern basis under the historical cost convention.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2019.

The financial statements have been prepared to give a true and fair view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following Account and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Critical accounting judgements and key sources of estimation uncertainty

No significant judgements or estimates have had to be made by the trustees in preparing these financial statements other than as described in the following accounting policies.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid relating to prior years at the balance sheet date.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

8. RELATED PARTY DISCLOSURES

Lung Theatre Limited is a company controlled by Mr M J Stevens-Woodhead and Miss H C Monks, who are members of the key management personnel of the charity. As is mentioned in the trustees report, the charity was unable to open a bank account during the year due to pressures caused by Covid-19. Therefore the income and costs of the charity were processed through the Lung Theatre Limited bank account, and at the balance sheet date the company was due £11,236 (2021: £19,204) from Lung Theatre Limited.
