REPORT OF THE TRUSTEES FOR THE YEAR ENDING 30 APRIL 2022

The Trustees of Law For ALL UK Chapter Charity present their annual report and audited accounts for the year ended 30 April 2022 and confirm they comply with the requirements of the applicable laws.

OUR AIMS

The objects of our charity are the advancement of education in the law in Tunisia in particular by:

- collecting, acquiring and distributing legal textbooks to law school libraries in Tunisia; and
- the provision of classes, lectures, seminars and training courses for students, professionals and the general public in Tunisia

REVIEW OF ACTIVITIES AND ACHIEVEMENTS

This year our funding came from individuals members of the Tunisian diaspora living in Western Europe. During this year and for the second year in a row, Law for All delivered more than 4000 legal casebooks and treatises to law school libraries in Gabès, Jendouba and Kairoua and thus benefitting more than 1500 students. However, our activities were again disrupted in July 2021 this time by the second wave of the Covid-19 pandemic which hit Tunisia with a great magnitude causing thousands of deaths in 6 weeks. Similarly to many charities based in the UK that faced the impossibility to carry on their charitable purposes because of the pandemic, we exceptionally allocated resources to help mitigate the covid crisis either via food or medical equipment donations, or financial support. We again directly helped more than 500 families in the Gabès, Sfax, and Nabeul regions and indirectly many more through our partner the Rotary Club of Sfax. For the second year in a row, we partnered with them. As a reminder the Rotary Club is an international organization headquartered in the US conducting charitable actions across the world via local clubs made of community leaders. Partnering with them gave us comfort in terms of effectiveness, experience, integrity and ethical conduct in the execution of our goal. This exceptional covid-19 relief effort represented almost 60% of our funding. We aim to resume our normal activities going forward.

REPORT OF THE TRUSTEES FOR THE YEAR ENDING 30 APRIL 2021

The Trustees of Law For ALL UK Chapter Charity present their annual report and audited accounts for the year ended 30 April 2021 and confirm they comply with the requirements of the applicable laws.

OUR AIMS

The objects of our charity are the advancement of education in the law in Tunisia in particular by:

- collecting, acquiring and distributing legal textbooks to law school libraries in Tunisia; and
- the provision of classes, lectures, seminars and training courses for students, professionals and the general public in Tunisia

REVIEW OF ACTIVITIES AND ACHIEVEMENTS

During this year, Law for All delivered more than 4000 legal casebooks and treatises to law school libraries in Gabès, Jendouba and Kairoua and thus benefitting more than 1500 students. We also organised workshops and seminars around the rule of law and the fight against corruptions with former Minister of Justice and Head Public Prosecutor, Mr Amor Mansour. We also planned to offer training to law school librarians to improve their research skills along organising two conferences; one on environmental law in Gabès and the other on the law of water in Jendouba. However all these projects brutally stopped when the Covid-19 pandemic started because of lockdowns and travel restrictions. As a result and at the request of our donators we decided twice to allocate resources to provide financial supports to low income families in Tunisia affected by the pandemic in April 2020. We directly helped more than 500 families in the Gabès, Sfax, and Nabeul regions and many more indirectly through our partnership with the Rotary Club of Sfax. This year our funding came from individuals members of the Tunisian diaspora living in Western Europe. In a context where we could not carry on our normal activities and at the request of our donators, rather than having money held in our bank account and in light of numerous examples of charities providing covid-relief packages in addition to their normal activities we decided to free up funds and allocate around half of our resources to provide Covid-relief support package especially in a time where it was impossible to carry on our charity's purpose. We aim to resume our normal activities going forward.

More information on our various activities can be found on our website (lawforall.fr) or our Facebook page (@Law for All-Droit pour tous-القانون للجميع)
