

15. Investment Policy.

The trustees have power to make investments in line with the agreed constitution; at the present time a small part of our funds is invested in a savings account, which is available at short notice if needed for the day to day running of the charity.

16. Voluntary Support.

The trustees are very appreciative of the generous support of the church members in terms of help both with their time and financially without which the charity could not function as it does.
