

## **Annual Report for Glanton Show (charity number 1187517) for the year to 30th September 2023**

The Charity staged the Glanton Show on 12th August 2023 following three years of not being able to have a show.

The day was a great success with a very good gate and good entries. We invested in our social media presence this year for the first time, and we hope this will give us a good base to build on for future years.

Thanks to a higher level of donations than in recent years we almost our costs which meant we did not have to materially dip into our reserves.
