

Annual Report for Glanton Show (charity number 1187517) for the year to 30th September 2024

The Charity staged the Glanton Show on 10th August 2024. It was held for the first time on a new showfield which is substantially larger than the previous one, is on more even ground and allowed more parking. It proved very practical and was an improvement.

The day was a great success with a very good gate and good entries. We had a substantially higher number of people than last year which we believe was a result of our improvement in our social media over the last two years allied to good weather on the day.

Thanks to the higher gate and a healthy level of donations we reduced our operating loss which meant we did not have to dip into our reserves very deeply.

Year to 30 September 2024	
Expenditure	
	Total
