Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

"To help alleviate poverty through education, opportunity and support, and to help conserve the environment and the species within it through conservation and awareness raising."

Be The Change continues to support vulnerable children in returning to education by matching sponsors with beneficiaries. We also provide support for families in poverty by means of food and care parcels.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

We hope to pursue grantmaking in the next few years with the help of volunteers; we will advertise for volunteer assistance at the time.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

We continued our support of 11 vulnerable or orphaned children to return to school and to continue their education – this comes in the form of school fees and requirements, including a daily hot lunch at school. We also were able to raise money to send care parcels to families in need during the restrictions in 2020/21. Many families live hand to mouth so being unable to work created widespread famine. We sent care parcels consisting of food and soap to over 60 families.

Section E Financial review

Brief statement of the charity's policy on reserves

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
