Bournville Hub CIO

Report of the Trustees for the Year Ended 31 March 2021

The trustees present their report with the financial statements of the charity for the period ended 31st March 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

OBJECTIVES AND ACTIVITIES

The objects of Bournville Hub CIO are to further or benefit the residents of Bournville and the neighbourhood, without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents.

In order to further these objects, the charity runs the community building known as Bournville Hub. It runs a year-round programme of events for the residents of Bournville.

The charity has a small staff team and relies on the support of volunteers from the local community to run their events.

STRUCTURE, GOVERNANCE AND MANAGEMENT **Governing Document**

Bournville Hub is a Charitable Incorporated Organisation (CIO) registered with the Charity Commission on 23 January 2020.

It is governed by a board of trustees. All newly appointed trustees are given, in the view of the trustees, sufficient training and have enough knowledge to control and effect the charity's governance, strategy and operations effectively. Trustees are recruited, on the basis of having a broad range of knowledge and experience across the board of trustees.

ACHIEVEMENTS AND PERFORMANCE

The activities of the charity were previously operated by Busy Parents Network CIC which decided that these operations would be best run by a charity. Busy Parents Network CIC therefore transferred the operations and associated grant income to the charity.

The activities of the charity during this first accounting period have been severely curtailed by the Covid-19 pandemic. The charity pivoted to provide frontline Covid-19 Emergency Response including setting up and running a food parcel scheme during Lockdown 1. The charity was awarded the Birmingham Lord Mayor's Award for community service for their agile response to serving the local community during the pandemic. It was not possible to run events during the accounting period due to social distancing restrictions.

The Trustees have had regard to the Charity Commission's guidance on public benefit in running its operations.

ACHIEVEMENTS AND PERFORMANCE - continued

Risk Management

The Trustees have examined the major strategic and operational risks which the charity faces and confirm that systems have been established to monitor those risks so that the necessary steps can be taken to lessen them. The key risks are:

- 1) Closure of building due to further lockdowns – risk now low
- 2) Public health restrictions preventing events from running at points in the year, usually Winter.

FINANCIAL REVIEW

Financial Overview

These are the first set of accounts prepared for the Charity.

The charity made a surplus across all funds of £52,005 of which £3,609 is to be carried forward forward for restricted purposes.

The charity's principal sources of income included office rental of £4,088, grants of £74,099 and donations of £3,947.

Reserves policy

The trustees have adopted a reserves policy of maintaining between 3 and 6 months running costs within general unrestricted reserves, the current level of reserves meets this requirement.

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements.

FUTURE PLANS

During 2022, Trustees have plans to maximise the opportunities for community engagement around the Queen's Diamond Jubilee in June and the Commonwealth Games being hosted in Birmingham in Summer 2022. The charity will partner with other community stakeholders to maximise community impact.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then the income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs relating to the category. Where costs cannot be directly attributed to a particular heading they have been allocated to activities on a basis consistent with the use of resources. Expenditure is classified under the following activity headings:

Charitable activities - this comprises the direct costs of activities undertaken to further the purposes of the charity, including grants payable and all associated support costs.

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010.
