Summary of the main achievements of the charity during the year

Still in the midst of a worldwide pandemic, much of our 'normal provision' remained different but as the year progressed, we were slowly starting to get back to normal.

Whatever the kind of year we have, we continue to look to our Lord and saviour Jesus Christ for all that we need – there have been amazing stories of how our needs have continued to be met throughout these past 12 months despite the challenges of the year.

We were hugely blessed by donations and grants, and we can't thank the local companies, central government and community trusts enough for their overwhelming financial support during these difficult times.

For everything, we give thanks and glory to our gracious, merciful, and amazing God for generous finances and for our dedicated staff and volunteers who have worked tirelessly to support our guests throughout this past year.

The Haven

At our Day Centre we have continued to partner with the Local Council and work alongside other agencies in Swindon who provide specialist support for those in need encouraging them to use the Day Centre when opportunities arise. It has been fantastic to see development already with many multi-agency meetings and sessions taking place here at the Haven all with the aim to try and support those in need.

We have representation from Turning Point who support those with drug and alcohol addictions, Swindon & Gloucester Mind supporting guests mental health and well-being, Nelson Trust supporting vulnerable women, NHS Covid and Hep C clinics, Forgotten Feet helping keep guest's feet healthy and a local hairdresser who did a number of guest hair trims.

This year we have seen over 787 different guests visit the Haven totalling 3990 visits. The number of guests/visits is up 50% on last year. It has been a real privilege to get to know the new guests and help them with their individual needs. We have also been able to build on the links with existing guests who are struggling within the homelessness cycle. As always sometimes our guests just need time to be listened to.

We have also had plenty of wonderful opportunities to pray and talk about the Lord with our guests and following several conversations have handed out over 20 bibles so far this year.

Night shelter

Since 2008 we have operated a walk-up night shelter on a Friday night. However, with the reduction in the number of street homeless in Swindon because of steps taken by the Borough Council and COVID restrictions, this part of the ministry was closed in March 2020 and remains closed this year.

The Winter Housing Project (TWHP)

Again, between Jan and Mar 22 we ran our 4th Winter Housing project using our portacabin for sleeping accommodation. We are very grateful to MHCLG/Housing Justice/Homeless Link for providing Grant funding to cover the cost of the running of this project. We used paid staff for the overnights with a small team of volunteers and were once again increasing hours and what was available to our guests through the day

with a one-to-one mentoring programme tailored to suit everyone during the project. We had all men this year and over the 3-month period we supported 9 men. All guests were offered move-on accommodation and 6 accepted the offers. Unfortunately, the remaining 3 guests did not wish to take up the initial accommodation offer but have subsequently accepted further temporary accommodation. This particular year has been a tough project as many of the guests had long-term addiction and mental health challenges, and this did provide us with new and interesting challenges to deal with. Overall, we were able to provide a good level of stability, consistency and routine for the 9 guests in our care. We pray that the care they received during their stay with us will be something they will in future be reminded of as they continue their journey in obtaining more permanent accommodation.

The Hub Shop

Our shop has remained open, serving the local community. We thank God for the continued provision of surplus stock which we can sell. This not only benefits the community but goes towards the on-going work here at Swindon Night Shelter.

Community Food Share

We continue to collect daily surplus food from several local supermarkets which we use to support the Haven Day Centre and 2 local food share locations in Swindon. On average we are providing on average 15 meals per day at the centre and supporting circa 600 individuals per month from the 2 food share locations. We have continued to build good links with the local communities and regularly have opportunities to listen and pray with people as they share some of the challenges they are going through.

I cannot thank our amazing staff, volunteers, and fellow trustees enough for the hard work and dedication they've shown throughout this time and also the effort that's gone into re-designing and responding to short notice adaptations in our services.

I pray that God will bring us all a time of rest as we come out of this valley, we know that He is our Shepherd, and we need not fear. He will provide and sustain us and His ministry here in Swindon.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Reserves policy for the Charity has been established to ensure that there are sufficient liquid assets in the Charity to fund at least three months of average operating costs.

At year ending 31st August 2022, the general reserves were £37.7k and the reserves level required according to this policy was £64.1k. The Trustees are aware that this has not been met this year, due to a reduction in COVID-19 support as we come out of the period of the pandemic the usual income sources have yet to recover. Action will need to be taken during 22/23 should this continue to be the case.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

During the COVID Crisis and the subsequent closure of income generating elements of the Charity, we have been generously supported by the following organisations, without whom, our year and the services we were able to provide to the Homeless and Vulnerable in Swindon would have looked very different.

We would like to express our sincere appreciation to:

Aldi, Homeless Link, Swindon Borough Council, Amazon, Christmas Cares, Nationwide Charities Trust and Wiltshire Community Foundation who between them supported the Charity to the value of £185.2k which has sustained the work we have been able to do this year.

Thank you.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Set out on pages	1 - 15		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/08/2022**.

Responsibilities and basis of report As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect,;

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
